INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Lalpir Power Limited

Report on review of Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of LALPIR POWER LIMITED as at 30 June 2023 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended 30 June 2023 and 30 June 2022 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the half year ended 30 June 2023.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is Atif Anjum.

SELECTED NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (Un-audited) For the Half Year Ended 30 June 2023

1. THE COMPANY AND ITS OPERATIONS

- 1.1 Lalpir Power Limited (“the Company”) was incorporated in Pakistan on 08 May 1994 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). The registered office of the Company is situated at 53-A, Lawrence Road, Lahore. Head office of the Company is situated at 1-B, Aziz Avenue, Canal Road, Gulberg V, Lahore. The ordinary shares of the Company are listed on Pakistan Stock Exchange Limited. The principal activities of the Company are to own, operate and maintain a fuel fired power station (“the Complex”) having gross capacity of 362 MW in Mehmood Kot, Muzaffargarh, Punjab, Pakistan. The Company has a Power Purchase Agreement (PPA) with its sole customer, Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) for 30 years which commenced from 06 November 1997.

2. BASIS OF PREPARATION

- 2.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- 2.2 These condensed interim financial statements do not include all the information and disclosures required in annual financial statements and should be read in conjunction with the annual audited financial statements of the Company for the year ended 31 December 2022. These condensed interim financial statements are un-audited, however, have been subjected to limited scope review by the auditors and are being submitted to the shareholders as required by the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Section 237 of the Companies Act, 2017.

3. ACCOUNTING POLICIES

The accounting policies and methods of computations adopted for the preparation of these condensed interim financial statements are same as applied in the preparation of the preceding audited annual published financial statements of the Company for the year ended 31 December 2022.

3.1 Critical accounting estimates and judgments

The preparation of these condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

During preparation of these condensed interim financial statements, the significant judgments made by the management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those that applied in the preceding audited annual published financial statements of the Company for the year ended 31 December 2022.

4. CONTINGENCIES AND COMMITMENTS

4.1 Contingencies

There is no significant change in the status of contingencies as disclosed in the preceding audited annual published financial statements of the Company for the year ended 31 December 2022 except for the following:

- 4.1.1 On 08 April 2021, Assistant Commissioner Inland Revenue (ACIR) issued a show cause notice under section 11(2) of the Sales Tax Act, 1990 for the tax periods from January 2017 to December 2017 regarding the disallowance of input sales tax amounting to Rupees 699.763 million alongwith default surcharge and penalty on similar grounds as explained in note 12.1 (ii) to the published annual audited financial statements of the Company for the year ended 31 December 2022. On 19 June 2021, ACIR passed a detailed order whereby the recoverability of sales tax claimed against capacity purchase price amounting to Rupees 699.763 million alongwith default surcharge and penalty was connected with the outcome of decision of Honourable Supreme Court in the same matter as disclosed in note 12.1 (ii) to the published annual financial statements of the Company for the year ended 31 December 2022. Moreover, ACIR also raised a demand of Rupees 4.612 million on account of inadmissible claim of input sales tax and sales tax on sale of residue of extracts from furnace oil. Against the order of ACIR, the Company preferred an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)]. On 10 March 2022, CIR(A) passed an order whereby partial relief was provided to the Company. Being aggrieved with the order of CIR(A), the Company filed an appeal before Appellate Tribunal Inland Revenue (ATIR). The tax department has also filed an appeal before ATIR against the order of CIR(A) which is pending adjudication. On 13 June 2022, ATIR passed an order and decided the case in favour of the Company. Being aggrieved with the order of ATIR, on 28 December 2022, the tax department filed reference in Honourable Lahore High Court, Lahore which is in process of hearing. Based on the advice of legal counsel, the management is of the view that there are meritorious grounds available to defend these cases. Consequently, no provision for these cases has been made in these condensed interim financial statements.
- 4.1.2 The tax authorities have completed assessment proceedings under section 122(5A) of the Income Tax Ordinance, 2001 for the tax years 2009 to 2014 creating a demand of Rupees 971.329 million on account of interest on delayed payments by CPPA-G not been offered for tax. As per tax authorities, interest on delayed payments falls under the head income from other sources and is not exempt from tax as the same is not covered under Clause 132, Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Company filed appeals against foregoing assessment proceedings before Commissioner Inland Revenue (Appeals) [CIR(A)], which were decided in favour of the Company. Against the orders of CIR(A), tax authorities filed appeals before the Appellate Tribunal Inland Revenue (ATIR). Through its orders dated 27 June 2022, ATIR has dismissed tax authorities' appeal for tax years 2009, 2010, 2012 and 2013. Further, the matter in respect of tax years 2011 and 2014 is pending adjudication. Aggrieved with the order of ATIR, the tax department has filed four references in Honourable Lahore High Court, Lahore for the aforesaid tax years during the half year ended 30 June 2023, which are in process of hearing. Based on tax advisor's opinion, the management is confident that the matter will be decided in favour of the Company and accordingly no provision has been made in these condensed interim financial statements.

- 4.1.3 The banks of the Company have issued letters of guarantee in favour of Pakistan State Oil Company Limited (PSO) - fuel supplier for an amount of Rupees 2,300 million (31 December 2022: Rupees 500 million).

9. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL INSTRUMENTS

(i) Fair value hierarchy

Certain financial assets and financial liabilities are not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts. Judgements and estimates are made in determining the fair values of the financial instruments that are recognised and measured at fair value in these condensed interim financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company classify its financial instruments into the following three levels. However, as at the reporting date, the Company has no such type of financial instruments which are required to be grouped into these levels. These levels are explained as under:

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

10. FINANCIAL RISK MANAGEMENT

The Company's financial risk management objectives and policies are consistent with those disclosed in the preceding audited annual published financial statements of the Company for the year ended 31 December 2022.

11. EVENTS AFTER THE REPORTING PERIOD

The Board of Directors of the Company at their meeting held on 9th August 2023 has declared interim cash dividend of Rupee 15/- per share. However, this event has been considered as a non-adjusting event under International Accounting Standard (IAS) 10 'Events after the Reporting Period' and has not been recognized in these condensed interim financial statements.
