## PTI president Elahi re-arrested

**RECORDED REPORT**  
**LAHORE:** The PTI president released him in the asset beyond means case on Friday.  
The capital police arrested Chaudhry Pervez Elahi on Monday, re-arrested from Zahoor Elahi Road, hours after the Ministry of Public Order (MPO) and transferred him to Islamabad.

Earlier, the LDC had directed the National Accountability Bureau (NAB) to release Pervez Elahi and started of holding an inquiry into his arrest in violation of court orders. The court also barred authorities from arresting Pervez Elahi in any other case.

The court was hearing a petition of Pervez Elahi against his arrest in an alleged corruption case by the NAB. The NAB team presented Elahi in court and started strict security. The court at the beginning of the hearing inquired about Pervez Elahi. The NAB lawyer said they were ready to present Elahi but there were serious issues through the file of PTI leader and the Punjab government was not cooperating with the NAB on security matters.

The court remarked that the NAB did not want to present Elahi in the court. A law officer presented the letter before the court related to security matters. He told the court that the police were currently engaged in an operation in Karachi area and bullet-proof armored vehicles were engaged in operation against outlaws.

The court said Pervez Elahi had been produced in the court several times but after will be responsible of something happens to him. The prosecutor added that the NAB was ready to present Elahi without security cover by the NAB and the Punjab government's conduct, the court observed that the high court is being undermined. "Stop playing ping-pong with the court," the court said. The court also wanted to issue warrants of DQ NAB if Pervez Elahi is not produced before it.

The NAB, however, presented Pervez Elahi in court at about 12:15 pm. The court ordered the NAB to release Pervez Elahi and barred authorities from arresting him in any other case.

Pervez Elahi was arrested under the state's crackdown on the PTI leadership following the May 9 riots. He was first arrested on June 1 last and was charged in several graft cases. The PTI president's most recent arrest was made by the NAB on August 14 in a case of allegedly receiving bribes/khushkis in the contracts of road schemes of Upper highways division.

Talking to reporters after his release, Pervez Elahi held the PML-N responsible for the current state of the economy. He said "after raising the economy of the country, all the PML-N leaders are now blaming me for the current state of the economy. I don't even know what was happening in the economy."
