B6: Initial Debt Service Reserve Account (“DSRA”) Support and Subsequent DSRA Letter of Credit in respect of ThalNova Power Thar (Private) Limited (“TN”)

Support from the Sponsors is required in the form of Standby Letter of Credit (“SBLC”) for an amount not exceeding the PKR equivalent of USD 20,000,000 (United States Dollars Twenty Million) in TN either in the form of investment in equity or by way of debt/loan if there is a shortfall in DSRA or the project completion date of TN has not been achieved for the purpose of repaying outstanding obligations owed by TN to its lenders, including any financing costs (the “Initial DSRA Support”), and to create security on the assets of the Company as may be required by the relevant lenders that will issue the requisite letter(s) of credit.

After the project completion date of the Project, the lenders of TN have allowed Sponsors to withdraw the cash from the DSRA account provided Sponsors procure the issuance of a subsequent DSRA LC (the “DSRA LC”) for the amount of the current DSRA. After the final maturity date of project loan, the TN lenders will issue instructions to the Facility Agent to release the DSRA LC. That amount can also vary depending on the then prevailing LIBOR/KIBOR rate so the estimation is that HUBCO’s share will not exceed USD 20,000,000 (United States Dollars Twenty Million) (or PKR equivalent) although it can be slightly higher or lower. Upon a demand being made for payment under the DSRA LC and receiving such payment, the said amount may be treated as equity or at the option of the Sponsors collectively, subordinated debt advanced in favor of TN in an amount equal to such portion of the DSRA LC that is called upon.

It is clarified that initial approval from the shareholders for the Initial DSRA Support and the DSRA LC was obtained on April 16, 2019, however, due to fluctuation in USD / PKR exchange rates and prevailing LIBOR/KIBOR rates, both amounts are required to be revised from USD 14,000,000 (United States Dollars Fourteen Million) (or PKR equivalent) each to USD 20,000,000 (United States Dollars Twenty Million) (or PKR equivalent) each.
