STATEMENT UNDER SECTION 134(3) OF THE COMPANIES ACT, 2017

Pursuant to the Article 85 of the Articles of Association of Habib Rice Products Limited (the "Company"), the remuneration of the directors for attending board meetings is to be determined and approved by the Company in a general meeting, subject to the prior approval of the Controller of Capital Issues. It is proposed that Articles 85 and 87 of the Articles of Association of the Company be amended to empower the board of directors of the Company to determine the remuneration of the directors in accordance with the Directors' Remuneration Policy approved by the board of directors of the Company.

PURPOSE OF AMENDMENTS**Justification for Flexibility**

In view of the rising costs owing to inflation, not only do directors of the Company need to be compensated accordingly and the Director's remuneration policy needs to be revised from time to time, but the cost of frequently scheduling Extra-ordinary General Meetings for this purpose alone burdens the Company's finances. The proposed amendments are necessary in order to decrease the burden on Company finances and provide flexibility to the Board of Directors to determine the remuneration as required on need basis in light of the prevailing circumstances.

Redundancy of Controller of Capital Issues

At the time of incorporation of the Company, the Capital Issues (Continuous of Control) Act, 1947, (the "1947 Act") was in force which gave the Federal Government wide discretionary powers to control the issue of share capital and other such powers. However, with the passing of the Finance Act, 1995, the 1947 Act was repealed.

Given that no such powers exist under the current legal framework, the requirement under the Articles of Association to obtain the approval of the Controller of Capital Issues has become redundant.

In light thereof, the Board of Directors of Habib Rice Products Limited (the "Company") in its meeting held on September 13, 2023 has, inter alia, approved the amendments in Articles 85 & 87 of the Articles of Association of the Company.

In terms of the Company's Policy, the matter is being presented to the Shareholders of the Company for their approval by passing the aforesaid resolutions as a Special Resolution.

Interest of Directors

There is no direct interest of the directors in this special resolution, except for the decision on and payment of remuneration.
