

The image features a pair of hands cupping a small, vibrant green seedling with three leaves. The seedling is rooted in a mound of dark soil, which is partially covered by a thick layer of bright green moss. The background is a soft, out-of-focus green, suggesting a natural, outdoor setting. The overall composition is clean and focused on the theme of environmental care and growth.

company overview

company overview

Masood Textile Mills Limited (MTM), is a public limited company incorporated in 1984 and listed on Pakistan Stock Exchange since 1988. MTM is a truly vertically integrated apparel manufacturing company endeavoring to provide quality products to its customers, focusing on value-added products. MTM is managed by a highly trained, qualified and experienced team comprising proven Industry Leaders to fulfill customers' orders across the globe.

MTM has a heritage of 38 years of serving the world's most iconic brands as its clients. Being one of the largest textile companies in Pakistan, we believe we are distinctively positioned to be a catalyst for change for the industry with our steadfast commitment to growing and expanding the company and serving clients across the globe around the intersection of our unique capabilities, decades-long partnerships, and delivering value to our clients and stakeholders with excellence.

Through our vision, strategic plans, and highly focused approach to balancing growth, value creation and innovation, the company has become one of the major textile players in Pakistan with state-of-the-art facilities to deliver for our clients anywhere in the world. Our relentless pursuit of business success is fueled by our desire to have a world-class workforce working 24/7 to honor our business commitments through complete excellence in our product, service, and relationship deliveries.

MTM has established itself as a leader in creating, developing, and manufacturing knitted apparel products from basic to highly fashioned, thus responding effectively to emerging trends in the global industry. MTM has been able to translate the conceptual ideas of customers into reality and shape them through technical bent and professional acumen.

MTM global business and design support services are spread across New York, Dallas, Amsterdam, and Hong Kong. MTM provides a comprehensive partnership with R&D, design, strategic planning, market intelligence, sales forecasting, and fully vertical production. We preserve a unique sense of craftsmanship in creating, developing, and manufacturing knitted apparel products, from basic to highly fashioned garments designed for everyday life.

MTM seek to evolve and expand with an eye toward the future continuously. Our efforts to keep us diversified in every endeavor that we undertake make us a preferred business partner for our clients. Across MTM there is a commitment to be more than just an apparel company. Therefore, we strive to be purpose-led and performance-driven in building the products, services, relationships, lifestyles, and experiences we create for each stakeholder globally.

organizational structure

business categories

spinning

Textiles are all around us. We wear them, use them when we sleep and decorate our houses. But have you ever thought about how they are made? One of the basic steps is spinning the yarn. Spinning is the process of taking textile fibers and filament and making them into yarn. For thousands of years, people used to spin natural fibers into yarn by hand. Today, spinning involves advanced methods and state-of-the-art machines, depending on what kind of yarn is made.

Masood Textile Mills Limited (MTM) has an installed spinning capacity of 46,908 spindles, including 19,200 Spindles on a lease basis. Our production facilities have the capacity to spin all kinds of cotton. Decades of research & development and dedication to improving business processes have enabled MTM to create a clear-cut difference in the textile industry.

knitting

Knitting technology has played a vital role in our lifestyle for centuries. Knowledge developed in the past, particularly in the last 50 years, in the field of knitting technology has contributed significantly to the development of state-of-the-art machinery on the one hand and highly sophisticated and specialized textile products on the other.

To produce knitted fabric of supreme quality, it is imperative that superior quality raw material is procured at competitive prices. At MTM, the finest quality yarn is produced for our in-house knitting with 777 active and 143 Seasonal knitting machines.

dyeing

Our in-house and well-equipped Dyeing department, with a production capacity of around 110-120 tons dyeing/day allows us to meet our dyeing requirements fully. We have dyeing machines for dyeing cotton fabric and a fully computerized high-temperature jet-dyeing machine to dye all kinds of synthetic fabrics, including polyester. A well-equipped laboratory ensures all dyed fabric is properly checked, as per the buyer's requirements, for factors such as shrinkage, color fastness, etc.

value added garments

Past are the days of traditional and conventional fabrics due to the changing consumer taste and trends. In view of this, MTM went into the details of changing designs, patterns, product development and a requisite change in production facilities for a variety of materials, production techniques, and related expertise to achieve a leadership position in the fast-growing competitive environment.

With continuous improvement in technology and application standards over the past few years, a gradual rise has been observed in consumer demands regarding value-added products. A product must be able to encompass something more with it and therefore, this has taken today's market to a level where it is challenging to market traditional products until the product satisfies the consumer with something new. To reach up to that mark, MTM has started offering value-added products to its customers. Following value addition services are offered by MTM:

cutting

5 cutting units are working under the supervision of skilled unit managers, these cutting units are well equipped with the latest machinery, including Gerber Plotter, Auto Spreader, Auto-cutter & Band Knife machines with a capacity of 84.4 tons per day.

laundry

The laundry department at Masood Textile comprises automatic and turbo load washers. The laundry process is done above and below the room temperature to increase the activities of any chemicals used and the solubility of stains. Different Laundry units work under the supervision of skilled managers with a capacity of 22 tons per day for washing, garment dyeing and tumble (14.2 tons per day with mix process).

embroidery

Being one of the few vertically integrated textile mills in Pakistan, MTM offers embroidery services with an approximate capacity of 44 million stitches daily.

stitching

MTM has a capacity of over 5,000 stitching machines, managed by the most skilled and expert operators. The Quality control and Quality Assurance departments are in place to ensure the company's zero-defect objective. Computerized Barcoding and BackTrack systems give Masood 100% predictability and tracking performance. Our sewing production capacity is 5-6 million garments per month.

finishing

The finishing department at Masood comprises of automatic hydro-extractors for the removal of moisture from dyed fabric, computerized tensionless dryers for instant fabric drying, soft-setting and calendaring machines for systematic soft-setting and rolling of fabric, fully computerized compaction machines for complete shrinkage control, and panel wash machines and tumble dryers for panel washing the fabric to give minimum shrinkage value. Again, personal attention ensures that all the fabric leaving the finishing department is properly inspected and thoroughly checked for relevant factors before being forwarded to the next production stage.

printing

With an approximate capacity of printing 113,770 pieces per day (Digital, Hybrid & Screen), MTM is also offering printing services to its clients.

(Nisar Ahmad Alvi ACA)
Company Secretary

Faisalabad
04th October, 2023

NOTES:

1. Share Transfer Books for Ordinary Shares of the Company will remain closed from 21st to 28th October, 2023 (both days inclusive). Physical transfers / CDS Transactions IDs, received in order at Registered Office of the Company or our Share Registrar, by the close of business on 20th October, 2023 will be treated in time.
2. Share Transfer Books for Preference Shares of the Company will remain closed from 21st to 28th October, 2023 (both days inclusive) for determining the entitlement of Preferred Dividend calculated at average six months KIBOR+200 bps p.a. Rs. 1.82 per share. Physical transfers / CDS Transactions IDs, received in order at Registered Office of the Company or our Share Registrar, by the close of business on 20th October, 2023 will be treated in time.
3. A shareholder entitled to attend and vote at this meeting may appoint another shareholder as his/her proxy to attend and vote on his/her behalf. The instrument appointing a Proxy and Power of Attorney or other authority under which it is signed or notarially certified copy of the Power of Attorney must be received at the Registered Office of the Company, duly stamped, signed and witnessed not later than 48 hours before the meeting. An instrument of Proxy applicable for meeting is attached herewith. However, Preference Shareholders are not entitled to attend the meeting, since Preference Shares carry no voting rights.
4. Shareholders whose shares are deposited with Central Depository System (CDS) are requested to bring their Computerized National Identity Card (CNIC) along with their Account Number in CDS for verification. In case of corporate entity, the Board of Directors' Resolution/Power of Attorney with specimen signatures of the nominee shall be produced (unless provided earlier) at the time of the meeting.
5. Pursuant to Finance Act, 2022, the Company is liable to withhold Income Tax @ 15 % from the Filers and 30 % from the Non-Filers under the provisions of Section 150 of the Income Tax Ordinance, 2001. Kindly ensure your status from Active Tax Payer's List, available at FBR's website, before disbursement of Dividend by the Company. Individuals without CNIC(s) will be treated Non-Filers, since their status cannot be verified from FBR.
6. The members of the Company are required to submit Declaration for Zakat exemption in terms of Zakat and Ushr Ordinance, 1980. Moreover, the shareholders who have not yet submitted their Computerized National Identity Cards to the Company are requested once again to send attested copies thereof at their earliest. Otherwise, their Dividend will be withheld for lack of complete information.
7. The provisions of Section 242 of the Companies Act, 2017 require the listed companies that any dividend payable in cash shall only be paid through electronic mode directly into the bank account designated by the entitled shareholders. Accordingly, the shareholders holding physical shares are requested to provide the Company's Share Registrar at the address given herein above, electronic dividend mandate on E-Dividend Form provided on website of the Company. In the case of shares held in CDC, the same information should be provided to the CDS participants for updating and forwarding to the Company. In case of non-submission, all future dividend payments may be withheld.
8. Shareholders who have not collected their Dividend/Physical shares so far are advised to contact our Share Registrar to collect/enquire about their Unclaimed Dividend or Share, if any.

9. As per Section 72 of The Companies Act, 2017 every existing company shall replace its physical shares with book-entry form in a manner as may be specified and from the date notified by The SECP, within a period not exceeding four years from the commencement of the Companies Act, 2017 i.e. May 31, 2017. The shareholders holding shares in physical form are requested to please convert their shares in the book entry form. For this purpose, the shareholders may open CDC Sub-account with any of the brokers or investors account directly with the CDC to place their physical shares into scrip-less form. This will facilitate them in many ways including safe custody and sale of shares at any time they want as the trading of physical shares is not permitted as per existing Regulations of the Pakistan Stock Exchange Limited.

10. Pursuant to the provisions of the Companies Act, 2017, the shareholders residing in a city and holding at least 10% of the total paid up share capital may demand the Company to provide the facility of video-link for participating in the AGM. The demand for video-link facility shall be received by the Share Registrar at the address given hereinabove at least (7) days prior to the date of the meeting on the Standard Form available on the Company's website: www.masoodtextile.com

11. Pursuant to the provision of Section 223(6) of the Companies Act, 2017, the Companies are permitted to circulate their annual financial statements, along with the Auditor's report, director review report etc. ("Annual Report") and the notice of Annual General Meeting ("Notice") to its shareholders by email. Shareholders of the Company who wish to receive the Company's Annual Report and Notice of Annual General Meeting by E-mail are requested to provide the complete Electronic Communication Consent Form (available at the Company's Website) to the Company's Share Registrar.

Statement of Material Facts Under Section 134(3) of the Companies Act, 2017

This statement set the material facts pertaining to the special business to be transacted at the Annual General Meeting of the company to be held on Saturday October 28, 2023 at 11:00 am.

Circulation of the Annual Audited Financial Statements to their members through QR enabled code and weblink

The Securities and Exchange Commission of Pakistan has allowed listed companies, through its SRO No. 389(I)2023 dated March 21, 2023 to circulate the Annual Audited Financial Statements to their members through QR enabled code and weblink instead of transmitting the Annual Audited Financial Statements through CD/DVD/USB. The Company shall circulate Annual Audited Financial Statements through email address in case it has been provided by the members to the Company, and upon demand, supply hard copies of the Annual Audited Financial to the members free of cost.

chairman's review report

Dear Shareholders

On behalf of Board of Directors, I am pleased to present the "Chairman Review Report" for the year ended June 30, 2023. This review report is required under the provisions of section 192(4) of Companies Act, 2017 on overall performance and effectiveness of the board in achieving the Company objectives.

Overall economic indicators remained under pressure during the year under review. This was mainly due to continued political uncertainty, low foreign reserves, supply chain disruptions and rising inflation. Due to the effects of floods, rupee devaluation and revision in energy prices, inflation was recorded at an all-time high level. Domestic prices remained under pressure due to supply shortages of essential items and restrictions on imports.

Despite unexpected volatility and uncertainty, the economy has shown strong resilience, over the years. Furthermore, it is essential to sustain the reform momentum and focus on policies for securing stability and promoting sustainable growth. It is projected that the profitability in the next year will be affected due to an increase in prices of basic raw materials, utilities, wages, high finance costs and devaluation of the Pak Rupee.

Nevertheless, the management of the Company is determined to avail full benefits of any opportunities by continued focus on innovation, quality improvement, productivity and cost optimization, Board performance and effectiveness. Despite challenging business environment, your Company managed to achieve highest ever sales and profit after tax.

I extend my deepest gratitude to our valuable shareholders for their unwavering trust and confidence in our leadership team. Moreover, none of this would be possible without the enduring support of directors, and hard work of our management and employees.

FAISALABAD
04th October, 2023

CHAIRMAN

chairman's review report Urdu

محترم حصص یافتگان:-

بورڈ آف ڈائریکٹرز کی جانب سے مجھے 30 جون 2023 کو ختم ہونے والے سال کے لئے چیئرمین کا جائزہ رپورٹ پیش کرتے ہوئے خوشی محسوس ہو رہی ہے۔ یہ جائزہ رپورٹ کمپنیز ایکٹ 2017 کے سیکشن (4) 192 کی دفعات کے تحت کمپنی کے مقاصد کے حصول میں بورڈ کی مجموعی کارکردگی اور تاثر پر درکار ہے۔

زیر جائزہ سال کے دوران مجموعی اقتصادی اشارے و باؤ کا شکار رہے۔ اس کی بنیادی وجہ مسلسل سیاسی غیر یقینی صورتحال، کم زرمبادلہ ذخائر، سپلائی چین میں خلل اور بڑھتی ہوئی مہنگائی تھی۔ سیلاب کے اثرات، روپے کی قدر میں کمی اور توانائی کی قیمتوں میں نظر ثانی کی وجہ سے مہنگائی تاریخ کی بلند ترین سطح پر ریکارڈ کی گئی۔ ایشیائے ضروریہ کی سپلائی میں کمی اور درآمدات پر پابندیوں کی وجہ سے ملکی قیمتیں و باؤ میں رہیں۔

غیر متوقع اتار چڑھاؤ اور غیر یقینی صورتحال کے باوجود، معیشت نے کئی سالوں میں مطلوب چلک دکھائی ہے۔ مزید برآں، اصلاحات کی رفتار کو برقرار رکھنا اور استحکام کو محفوظ بنانے اور پائیدار ترقی کو فروغ دینے کے لئے پالیسیوں پر توجہ مرکوز کرنا ضروری ہے۔ یہ اندازہ لگایا جاتا ہے کہ بنیادی خام مال، یوٹیلٹی، اجرت، اعلیٰ مالیاتی اخراجات اور پاکستانی روپے کی قدر میں کمی کی وجہ سے اگلے سال منافع متاثر ہوگا۔

اس کے باوجود کمپنی کی انتظامیہ جدت، معیار میں بہتری، پیداواری صلاحیت اور لاگت کی اصلاح، بورڈ کی کارکردگی اور تاثر پر مسلسل توجہ دے کر کسی بھی موقع سے بھرپور فائدہ اٹھانے کے لئے پرعزم ہے۔ مشکل کاروباری ماحول کے باوجود، آپ کی کمپنی اب تک سب سے زیادہ فروخت اور ٹیکس ادائیگی کے بعد منافع حاصل کرنے میں کامیاب رہی۔

میں اپنے قیمتی حصص یافتگان کا ہماری قیادت کی مہم پران کے غیر متزلزل بھروسے اور اعتماد کے لئے تہہ دل سے شکر یہ ادا کرتا ہوں۔ مزید یہ کہ ڈائریکٹرز کے مستقل تعاون اور ہماری انتظامیہ اور ملازمین کی محنت کے بغیر اس میں سے کچھ بھی ممکن نہیں ہو سکتا تھا۔

چیئرمین

فیصل آباد

04 اکتوبر 2023

director's report to the members

We have pleasure to present the Annual Report containing the Audited Financial Statements for the year ended June 30, 2023 along with other required information prescribed under the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Companies Act, 2017.

Market Overview

economic outlook

The value of textile and garment exports from Pakistan decreased by 15 per cent in fiscal year 2022-23. During this period, Pakistan earned \$16.501 billion from textile and apparel exports, compared to \$19.329 billion in 2021-22.

Pakistan's textile and garment exports had been experiencing numerous challenges during the fiscal year 2023. The global economic slowdown has adversely affected textile exports for major supplier countries, including Pakistan. Additionally, energy shortages, import restrictions, high costs and political unrest within the country has also disrupted economic activities.

Inflation is at the top of textile players' minds all over the world, more so in Pakistan where inflation is many times higher than in all textile-exporting economies. They foresee inflation undercutting consumer demand in economies that are major buyers of textiles and pushing shoppers to curtail fashion spending or trade down for less expensive products. The lumpy increase in electricity and gas tariffs and in Petrol, Oil & Lubricants prices are exerting a strong pressure on the price level.

Despite many challenges faced by Pakistan's economy on external and domestic fronts, during fiscal year 2023, policies to contain current account deficit remained effective as it significantly reduced in this fiscal year as compared to same period last year.

company's performance

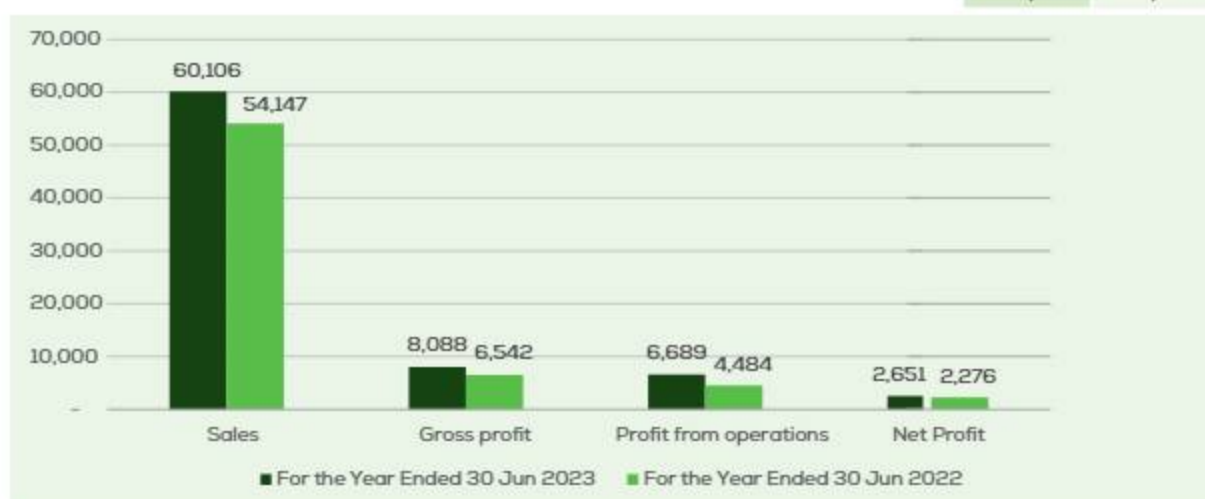

The Company's revenue increased by 11.01 % from Rs. 54.147 billion to Rs. 60.106 billion for the year ended 30 June 2023. Due to increase in revenue, gross profit for the year also increased to Rs. 8.088 billion from Rs. 6.542 billion last year. Company recorded profit before tax for the year ended 2023 amounting to Rs. 3.491 billion as compared to Rs. 3.011 billion for the last financial year. Profit after tax increased from Rs. 2.276 billion to Rs. 2.651 billion during financial year 2023. Earnings per share of the Company for the year ended 30 June 2023 increased to Rs. 38.54 as compared to Rs. 33.24 from the last year.

The comparative financial results of the Company are reproduced hereunder:

financial highlights

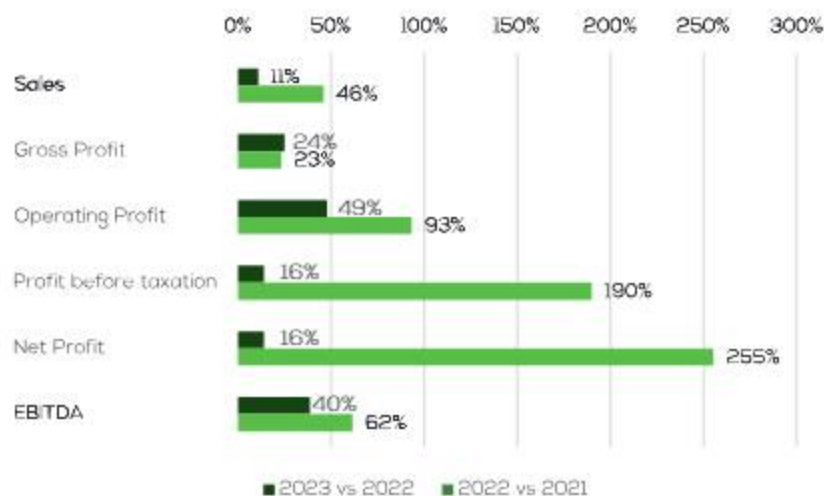

Description	2023 (Rupees in Thousand)	2022

future outlook

The economy is still on the edge of stabilizing and hurdles are still prevailing. The government is trying to curtail the inflation during the upcoming fiscal year 2023-24. The country is also currently facing the toughest times to honor its foreign obligations and deal with depleting foreign exchange reserves.

With regards to the Company's operations, with the devaluation of the Pak Rupee, High-interest rates, increased volatility in the local and international cotton prices, and energy crisis, the cost of doing business may climb and resultantly the Company might face difficulty in passing on these costs to our customers.

The management is closely monitoring these potential impacts to hedge possible uncertainties by acquiring an efficient mix of raw materials, maximum capacity utilization, and cost rationalization, to continue business sustainability. Economic Challenges and global landscape persist, but the Company remains committed to growth and sustainability.

For FY2024, the government is taking various measures for domestic resource mobilization and has unveiled a comprehensive strategy for every sector of the economy in an effort to revive economic growth and move towards a higher inclusive and sustainable growth trajectory.

dividend ordinary and preference

The Company had issued 60,000 million Preference Shares of the value of Rupees 600,000 million, redemption of these preference shares after the expiry of their maturity is at the option of the Company. Preference dividend is payable on the basis of the average six months KIBOR+200 bps per annum. Board of Directors of the Company has proposed preference dividend on the outstanding preference shares to the preference shareholders of the Company for the year ended 30 June 2023 of Rupees 1.82 per share.

Keeping in view liquidity position of the company and high interest rate scenario management has not proposed dividend to ordinary share holders.

corporate governance

The board of directors and management are aware of their responsibilities under the Listed Companies (Code of Corporate Governance) Regulation 2019 and Rule Book of Pakistan Stock Exchange. The company remains committed to the principles of good corporate governance practices with emphasis on transparency and disclosures. Your Company is cognizant to monitor its operations and performance to enhance the accuracy, comprehensiveness and transparency of financial and non-financial information.

In compliance of corporate laws, the Board Members / Directors are pleased to confirm the followings:

- The financial statements prepared by the management of the Company present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- Proper books of accounts have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of the financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Financial Reporting Standard, as applicable in Pakistan, have been followed in the preparation of financial statements.
- The system of internal controls is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the company's ability to continue as going concern.
- Statement of pattern of Shareholding has been included as part of this annual report.

The Board is responsible for making decisions with respect to important management matters, including the execution of important business activities and other matters as prescribed by law. These decisions are made after deliberating such matter according to the established criteria, assessing risks and giving such matters due consideration. The Board is also responsible for supervising and monitoring the conduct of duties.

director's remuneration

The Board of Directors has devised the policy for the determination of remuneration. Following are its salient features.

The Company will not pay any remuneration to its Non-Executive Directors except as meeting fee for attending the Board and its committee meetings.

The remuneration of directors and meeting fee shall be determined and approved by the Board of Directors. Remuneration package is designed to attract suitable candidate and talent on the Board.

A Director is provided or reimbursed for all travelling, boarding, lodging and other expenses incurred by him for attending meetings of the Board and its committees.

adequacy of internal & financial controls

The Board of Directors has established an effective system of Internal and Financial Controls that ensure:

- Effective and efficient conduct of operations
- Safeguarding company assets
- Compliance with applicable Laws and Regulations
- Reliable Financial Reporting

Internal audit function of the Company regularly appraises and monitors the implementation of Standard Operating Procedures and respective financial controls.

Internal audit reports are presented to the Audit Committee, as per internal audit plan. Accordingly, the Audit Committee reviews the effectiveness of the internal control framework and financial statements in its meetings.

external auditors

The present Auditors M/s Riaz Ahmad & Company Chartered Accountants retired and offered themselves for re-appointment. They have confirmed achieving satisfactory OCR rating from Institute of Chartered Accountants of Pakistan (ICAP) and compliance with the Guidelines on the Code of Ethics of International Federation of Accountants (IFAC) as adopted by ICAP. The Board of Directors has recommended their re-appointment as auditors of the company for the year ending June 30, 2024, at a fee to be mutually agreed.

health, safety, environment and csr

Employees Health & Safety and Environmental protection are our core values and the Company regularly takes initiatives towards the improvement of environment and well-being of society. We carry out regular health and safety awareness programs. The Company has also provided firefighting equipment and vehicles at all of its manufacturing facilities. A dedicated clinic/dispensary is managed by the qualified team where 24/7 emergency services are provided. We also ensure the compliance of our production facility with all the environmental standards.

CSR is strategic, building long term relationships with neighboring communities and stakeholders. Relationships that are mutually beneficial enhance corporate reputation and respect for the Company's business and products, and provide a sustainable competitive advantage.

acknowledgement

The Company remains grateful to its shareholders, employees, customers, suppliers, bankers and other stakeholders for their trust in the Company and supporting role in the growth and prosperity of the Company.

ڈائریکٹرز رپورٹ برائے حصص یافتگان

ہم 30 جون 2023 کو اختتام پذیر ہونے والے سال کے آڈٹ شدہ مالیاتی گوشواروں پر مشتمل سالانہ رپورٹ کے ساتھ لسٹڈ کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز 2019 اور کمپنیز ایکٹ 2017 کے تحت دیگر مطلوبہ معلومات فراہم کرتے ہوئے خوشی محسوس کر رہے ہیں۔

مارکیٹ کا جائزہ۔

اقتصادی ظہور:-

مالی سال 2022-23 میں پاکستان سے نیکنائل اور ملبوسات کی برآمدات میں 15 فی صد کی واقع ہوئی ہے۔ اس عرصے کے دوران پاکستان نے نیکنائل اور ملبوسات کی برآمدات سے 16.501 ارب ڈالر کمائے جو کہ 2021-22 میں 19.329 ارب ڈالر تھے۔

پاکستان کی نیکنائل اور ملبوسات کی برآمدات کو مالی سال 2023 کے دوران متعدد چیلنجز کا سامنا رہا۔ عالمی اقتصادی سست روی نے پاکستان سمیت بڑے سپلائر ممالک کے لئے نیکنائل کی برآمدات کو بری طرح متاثر کیا ہے۔ مزید برآں، توانائی کی قلت، درآمدی پابندیاں، منگنے اخراجات اور ملک کے اندر سیاسی بد امنی نے بھی معاشی سرگرمیوں کو متاثر کیا ہے۔

مہنگائی پوری دینا میں نیکنائل کی کمپنیز کے پلیئرز کے ذہنوں میں سرفہرست رہی، پاکستان میں اس سے بھی زیادہ مہنگائی ہے جو کہ نیکنائل برآمد کرنے والی تمام معیشتوں سے کئی گنا زیادہ ہے۔ ٹیشن گوئی ہے کہ مہنگائی نیکنائل کے بڑے خریداروں کو فیشن کے اخراجات کم کرنے یا کم مہنگی مصنوعات خریدنے پر مجبور کر رہی ہے۔ بجلی اور گیس کے نرخوں اور پٹرولیم آئل اینڈ لبریکنٹ کی قیمتوں میں بے تحاشہ اضافی قیمت کی سطح پر سخت دباؤ ڈال رہا ہے۔

بیرونی اور ملکی محاذوں پر پاکستان کی معیشت کو درپیش بہت سے چیلنجز کے باوجود، مالی سال 2023 کے دوران، کرنٹ اکاؤنٹ خسارے پر قابو پانے کی پالیسیاں کارگر رہیں۔ کیونکہ اس مالی سال میں گزشتہ سال کی اسی مدت کے مقابلے میں نمایاں کمی واقع ہوئی ہے۔

کمپنی کی کارکردگی:-

کمپنی کے 30 جون 2023 کو ختم ہونے والے مالی سال کی آمدن 11.01 فی صد اضافہ کے ساتھ 54.147 ارب روپے سے بڑھ کر 60.106 ارب روپے ہو گئی ہے۔ آمدنی میں اضافے کی وجہ سے مجموعی منافع پچھلے سال 6.542 ارب روپے سے بڑھ کر 8.088 ارب روپے ہو گیا۔ کمپنی نے 2023 کو ختم ہونے والے سال کے لیے قبل از ٹیکس منافع 3.491 ارب روپے ریکارڈ کیا۔ جو گزشتہ مالی سال 3.011 ارب روپے تھا۔ بعد از ٹیکس منافع 2.276 ارب روپے سے بڑھ کر مالی سال 2023 کے دوران 2.651 ارب روپے ہو گیا ہے۔ 30 جون 2023 کو ختم ہونے والے سال کے لئے فی حصص آمدنی 38.54 روپے ہے۔ جو پچھلے سال فی حصص آمدنی 33.24 روپے تھی۔

کمپنی کے تقابلی مالیاتی نتائج ذیل میں پیش کیے گئے ہیں۔

مالی سرخیاں :-

مستقبل کا جائزہ :-

معشیت اب بھی مستحکم ہونے کے دہانے پر ہے اور روکاؤٹس بھی غالب ہیں۔ حکومت آئندہ مالی سال 2023-24 کے دوران مہنگائی کو کم کرنے کی کوشش کر رہی ہے۔ ملک اس وقت اپنی غیر ملکی ذمہ داریوں کو پورا کرنے اور کم ہوتے زرمبادلہ کے ذخائر سے غنٹنے کے لیے بھی مشکل ترین دور کا سامنا کر رہا ہے۔

کمپنی کے آپریشنز کے حوالے سے، پاکستانی روپے کی قدر میں کمی، سود کی بلند شرح، مقامی اور بین الاقوامی کپاس کی قیمتوں میں اتار چڑھاؤ اور توانائی کے بحران سے کاروبار کرنے کی لاگت بڑھ سکتی ہے، جو تین تہائی کمپنی کو گاؤوں پر ان اخراجات کو ڈالنے میں دشواری کا سامنا کرنا پڑ سکتا ہے۔

کاروبار کی پائیداری کو جاری رکھنے کے لئے انتظامیہ خام مال کی موثر آمیزش زیادہ سے زیادہ صلاحیت کے استعمال، لاگت کو معقول بنانے کے ذریعے ممکنہ غیر یقینی صورتحال کو روکنے کے لئے ان ممکنہ اثرات پر گہری نظر رکھے ہوئے ہیں۔ اقتصادی چیلنجز اور عالمی منظر نامے برقرار ہیں۔ لیکن کمپنی ترقی اور پائیداری کے لیے پرعزم ہے۔

حکومت مالی سال 2024 کے لئے ملکی وسائل کو متحرک کرنے کے لئے مختلف اقدامات کر رہی ہے۔ اور اقتصادی ترقی کو بحال کرنے اور اعلیٰ جامع اور پائیدار ترقی کے راستے کی طرف بڑھنے کی کوشش میں معشیت کے ہر شعبے کے لئے ایک جامع حکمت عملی کی نقاب کشائی کر رہی ہے۔

حصہ ا منافع :-

کمپنی نے 600,000 ملین روپے کی مالیت کے 60,000 ملین ترجیحی حصص جاری کیے تھے ان ترجیحی حصص کی مدت پوری ہونے کے بعد ان کی واپسی کمپنی کے اختیار میں ہے۔ ترجیحی منافع سالانہ اوسط چھ ماہ کے KIBOR+200BPS کی بنیاد پر قابل ادائیگی ہے کمپنی کے بورڈ آف ڈائریکٹرز نے 30 جون 2023 کو ختم ہونے والے سال کے لئے بھاری ترجیحی حصص یافتگان کو 1.82 روپے فی حصص منافع تجویز کیا۔

کمپنی، لیکویڈیٹی پوزیشن اور شرح سود کے اضافے کو مد نظر رکھتے ہوئے عام حصص یافتگان کو منافع کے لئے تجویز نہیں کیا گیا۔

کارپوریٹ گورننس :-

بورڈ آف ڈائریکٹرز اور انتظامیہ بسٹاپڈ کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز 2019 اور رول بک آف پاکستان اسٹاک ایکسچینج کے تحت اپنی ذمہ داریوں سے آگاہ ہیں۔ کمپنی شفافیت اور انکشافات پر زور دینے کے ساتھ کارپوریٹ انتظامیہ کی اچھی پریکٹس کے اصولوں کی پابندی ہے آپ کی کمپنی مالی اور غیر مالی معاملات کی درستگی، جامعیت اور شفافیت کو بڑھانے کے لئے اپنے کاموں اور کارکردگی کی نگرانی کرنے میں سنجیدہ ہے۔

کارپوریٹ قوانین کی تعمیل میں بورڈ ممبر / ڈائریکٹرز نیچے بیان کیے گئے بیانات پر عمل پیرا رہتی ہے۔

- 1- کمپنی کی انتظامیہ کے پیش کردہ مالیاتی بیانات کی صورت حال، کاروباری سرگرمیوں کے نتائج، کیش فلوز اور ایکویٹی میں بدلاؤ کے بارے میں ایک عمدہ نظریہ پیش کرتے ہیں۔
- 2- اکاؤنٹس کے کھاتے درست انداز میں رکھے ہوئے ہیں۔
- 3- مالیاتی بیانات کی تیاری میں اکاؤنٹنگ کی پالیسیاں مستقل طور لاگو ہوتی ہیں۔ اور محاسبہ کا تخمینہ معقول اور محتاط فیصلے پر مبنی ہوتا ہے۔
- 4- مالیاتی بیانات کی تیاری کے سلسلے میں بین الاقوامی مالیاتی رپورٹنگ کے معیارات جو پاکستان میں قابل اطلاق ہیں، عمل کیا گیا ہے۔
- 5- انٹرنل کنٹرول کا نافذ نظام، بہترین انداز سے بنایا گیا ہے اور اسے موثر انداز میں لاگو کیا گیا ہے۔
- 6- کمپنی کے کاروبار کے روائے و دواں رکھنے کی صلاحیت شکوک و شبہات سے بالا تر ہے۔
- 7- حصص یافتگان کا طریقہ کار کو بھی اس سالانہ رپورٹ میں شامل کیا گیا ہے۔

independent auditors review report on **statement of compliance with listed companies** (code of corporate governance) regulations 2019

To the members of Masood Textile Mills Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Masood Textile Mills Limited (the Company) for the year ended 30 June 2023 in accordance with the requirements of Regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2023.

الحمد لله رب العالمين، والصلاة والسلام على سيد الأنبياء والمرسلين، وعلى آله وصحبه أجمعين، وبعد

The purpose of this report is to provide an opinion on the Shariah Compliance of the Secured Privately Placed Sukuk of PKR 2,500 million (Sukuk) issued by Masood Textile Mills Limited (Company).

It is the core responsibility of Masood Textile Mills Limited (Company) to Manage the Sukuk in such a manner which is in compliance with the Shariah principles as laid out in the Shariah guidelines. In the capacity of the Shariah Advisor, our responsibility lies in providing Shariah guidelines and ensuring compliance with the same by review of activities of the Sukuk. We express our opinion based on the review of the information, provided by the issuer, to an extent where compliance with the Shariah guidelines can be objectively verified.

Keeping in view the above; we certify that:

We have reviewed all the transactions, documents, procedures adopted by the issuer as well as the operational activities of the Sukuk which included the review of all transactions and source of earning. We have found them to be in compliance with the Shariah Guidelines.

On the basis of information provided by the company, all operations and affairs have been carried out in accordance with the rules and principles of Shariah for the sukuk year ended June 2023. The Sukuk is in compliance with the provided Shariah guidelines and there is no need to provide for any charity to purify the income. Therefore, it is resolved those investments in Secured Privately Placed Sukuk of PKR 2,500 million issued by Masood Textile Mills Limited is in accordance with Shariah principles as per the Shariah guidelines provided by the Shariah supervisory council.

May Allah (SWT) bless us and forgive our mistakes and accept our sincere efforts in accomplishment of cherished tasks and keep us away from sinful acts.

For and on behalf of Shariah Supervisory Council of Al-Hilal Shariah Advisors (Pvt.) Limited

Mufti Irshad Ahmad Aijaz
Member Shariah Council

Faraz Younus Bandukda, CFA
Chief Executive

statement of compliance with the sukuk (privately placed) regulations 2017 and shariah governance regulations 2018

This statement is being presented to comply with the requirements under "Sukuk (Privately Placed) Regulations, 2017" (the Regulations) and Shariah Governance Regulations, 2018 issued by the Securities and Exchange Commission of Pakistan (SECP). This Statement of Compliance is for the year ended 30 June 2023.

Masood Textile Mills Limited entered into an arrangement for issue of Sukuk amounting to Rs. 2,500 Million inclusive of Green Shoe Option of PKR 1,000 Million, on December 09, 2019 for a period of 5 years including a grace period of 18 months. We state that the company is in compliance with the sukuk Features and Shariah Requirements in accordance with the Regulations.

We specifically confirm that:

The Company has established policies and procedures for all Sukuk related transactions to comply with Sukuk Features and Shariah Requirements.

The Company has implemented and maintained such internal control and risk management systems that are necessary to mitigate the risk of non compliances of the Sukuk Features and Shariah Requirements, whether due to fraud or error;

The Company has a process to ensure that the management and where appropriate the Board of Directors, and personnel responsible to ensure the Company's compliance with the Sukuk Feature and Shariah Requirements are properly trained and systems are properly updated.

The Sukuk Feature and Shariah Requirements in accordance with issue of the Regulations comprises of the following:

- a. Requirements of Shariah Structure and Transaction Documents to issuance of Sukuk:
 - Trust Deed
 - Musharka Agreements
 - Payment Agreements
 - Purchase Undertaking
 - Asset Purchase Agreement
 - Investment Agency Agreement
 - Collection arrangement Agreement
 - Security Documents
- b. Guideline of the relevant Shariah Standards, issued by the Accounting and Auditing Organization of the Islamic Financial Institutions, as notified by the SECP;
- c. Requirements of the relevant Islamic Financial Accounting Standard as notified by the SECP; and
- d. Other compliance specified in the Regulations as issued by the SECP; and
- e. Payments were made on time and there was no delay.

The above Statement has been duly endorsed by the Board of Directors of the Company.

CHIEF EXECUTIVE OFFICER

DIRECTOR

independent auditor's assurance report on statement of compliance **with the sukuk (privately placed) regulations 2017 and shariah governance regulations 2018**

To the Board of Directors of Masood Textile Mills Limited

**On the Statement of Compliance with Privately Placed Sukuk Features
and Shariah Requirements**

Introduction

We were engaged by the Board of Directors (the Board) of Masood Textile Mills Limited (the Company) to express an opinion on the annexed Statement of Compliance (Statement) prepared by the management for the year ended 30 June 2023, with Sukuk (Privately Placed) Regulations, 2017 (the Regulations), Shariah Governance Regulations, 2018 and Shariah Opinion (Fatwa) as issued by the Shariah Advisor and to the extent applicable, the guidelines of Shariah Standards issued by Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI), in all material respects.

Applicable Criteria

The criteria against which the subject matter information (the statement) is assessed comprises of the provisions of the Regulations and Shariah Opinion (Fatwa) as issued by the Shariah Advisor.

Company's Responsibilities for Shariah Compliance

The Board and management of the Company are responsible for the preparation of the annexed Statement and to ensure that it is free from material misstatement. It is the responsibility of the Company's Board and management to ensure that all Sukuk related financial arrangements, contracts and transactions are in substance and in their legal form, in compliance with the Sukuk Features and Shariah Requirements as specified above. The Company's Board and management are also responsible for prevention and detection of fraud and for identifying and ensuring that the Company complies with laws and regulations applicable to its Sukuk related activities and also for designing, implementation and maintenance of appropriate internal control procedures with respect to such compliance and maintenance of relevant records and such risk management system as the management determines is necessary to mitigate the risk of non-compliance of Sukuk Features and Shariah requirements whether due to fraud or error. They are also responsible for ensuring that personnel involved with the compliance with the Sukuk Features and Shariah Requirements are properly trained and systems are properly updated.

Our Independence and Quality Control

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. The firm applies International Standard on Quality Control (ISQC) 1, "Quality Control for Firms That Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements" and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our Responsibilities

Our responsibility is to examine the annexed Statement prepared by management and to report thereon in the form of independent assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with International Standards on Assurance Engagements (ISAE) 3000, "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information", issued by the International Auditing and Assurance Standards Board of the International Federation of Accountants. This Standard requires that we plan and perform the engagement to obtain reasonable assurance regarding the subject matter i.e. about whether the annexed Statement presents fairly the status of compliance with Sukuk Features and Shariah Requirements as required under the Regulation and Shariah Opinion (Fatwa) issued by Shariah Advisor and to the extent applicable, the guidelines of Shariah Standards issued by AAOIFI, in all material respects.

The procedures selected depend on our professional judgement including the assessment of the risk of the Company's non-compliance with the Sukuk Features and Shariah Requirements, whether due to fraud or error. In making those risk assessments, we have considered internal control relevant to ensure compliance with Sukuk Features and Shariah Requirements, in order to design assurance procedures that are appropriate in the circumstances, but not for the purpose of expressing a conclusion as to the effectiveness of the Company's internal control over ensuring compliance with Sukuk Features and Shariah Requirements.

A system of internal control, because of its nature, may not prevent or detect all instances of non-compliance with Sukuk Features and Shariah Requirements, and consequently cannot provide absolute assurance that the objective of compliance with Sukuk Features and Shariah Requirement will be met.

The procedures performed included;

- Evaluation of the systems, procedures and practices in place with respect to compliance of Sukuk related transactions against the Features and Shariah Requirements;
- Verification that payments were made on time and there was no delay;
- Test for a sample of transactions to help ensure that these are carried out in accordance with the laid down procedures and practices; and
- Review of the Statement based on our procedures performed and conclusion reached.

Conclusion

Our conclusion has been formed on the basis of, and is subject to, the matters outlined in the report. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis of our conclusion.

In our opinion, the annexed Statement prepared by management, for the year ended 30 June 2023, presents fairly the status of compliance with Sukuk Features and Shariah Requirements as required under the Regulation and Shariah Opinion (Fatwa) issued by Shariah Advisor, and to the extent applicable, the guidelines of Shariah Standards issued by AAOIFI, in all material respects.

sustainability
and corporate
social responsibility

our sustainability journey

At MTM, we are committed to a sustainable future that benefits our business, the environment, and the communities we serve. Over the years, our sustainability journey has been marked by significant achievements and a steadfast dedication to reducing our environmental footprint and upholding corporate social responsibility.

carbon emission reductions

One of our core sustainability objectives at MTM is the reduction of carbon emissions. We understand the urgent need to combat climate change and to that end, we have implemented various initiatives to minimize our carbon footprint. We have made substantial progress in reducing our greenhouse gas emissions through energy-efficient practices, investments in renewable energy sources, and optimized manufacturing processes.

MTM's significant reduction in greenhouse gas emissions by 11.09% from previous year demonstrates a clear commitment to combat climate change.

elimination of coal usage (transition to biomass)

As part of our commitment to cleaner energy sources, we are actively working towards eliminating coal usage in our operations. We have made significant strides in transitioning to biomass, a sustainable and renewable energy source. This transition reduces our reliance on fossil fuels and significantly lowers our environmental impact.

In current year reducing coal usage by 67.32% and increasing biomass utilization by 54.51% highlight MTM's transition to cleaner and more sustainable energy sources.

wastewater treatment

Our responsibility towards the environment extends to water conservation and pollution prevention. We have invested in state-of-the-art wastewater treatment facilities to ensure our manufacturing processes are environmentally responsible. This commitment helps us maintain the quality of local water resources and reduce our environmental footprint.

Investing in advanced wastewater treatment facilities demonstrates MTM's commitment to responsible manufacturing processes.

zero discharge of hazardous chemicals (ZDHC) compliance

MTM is proud to have achieved 100% compliance with the Zero Discharge of Hazardous Chemicals (ZDHC) Standards in line with international standards and best practices. This accomplishment underscores our dedication to robust safety, environmental stewardship and the responsible management of chemicals in our textile production processes.

alignment with core values

MTM's sustainability efforts align with its core values, emphasizing responsibility to future generations and the importance of environmental stewardship. This alignment reflects a genuine commitment to sustainability.

As we continue our sustainability journey, we remain dedicated to finding innovative solutions and best practices contributing to a more sustainable and responsible textile industry. MTM's commitment to sustainability is not just a corporate obligation; it's a promise to future generations, a testament to our values and a reflection of our vision for a cleaner, greener and more equitable world.

corporate social responsibility & community engagement

CSR is deeply ingrained in our corporate culture. We believe that true success goes beyond financial performance and encompasses our impact on society and the well-being of all stakeholders. Our commitment to CSR is reflected in various initiatives and partnerships that leave a positive mark on the world.

community engagement

We view the communities in which we operate as our partners in progress. Through our community engagement program, we actively support local development initiatives, education, healthcare and infrastructure improvement. We aim to create a lasting positive impact on the lives of those in our communities.

MTM's support for local communities through healthcare and education initiatives contributes positively to the well-being of these communities. By engaging with local institutions and organizations, MTM demonstrates its dedication to enhancing the lives of those living in the areas where it operates.

MTM has provided training for the capacity building of people comprising of transgender people, Widows, COVID affectees, females and differently-abled people.

medical camp conducted at gilgit

3-days medical camp during June 2023 was conducted at Gilgit-Baltistan where 900 plus patients were examined by team of qualified doctors and paramedical staff.

Treatment and medicines of diseases like Melasma, Freckles, skin discoloration and sunburn, acne issue on the face and body, low body weight and delayed development issues, Asthma, Hypersensitivity and hypertension, Seasonal allergy resulting in shortness of breath, urinary tract infections, primary infertility, eye allergies, fatigue, misconception about leukorrhoea, general weakness, low blood pressure and high pulse rate, children with dermatitis and chicken pox, etc. had been provided in medical camp.

flood relief activities

Thinking globally and acting locally is fundamental to our operating tradition and a cornerstone of our success. Our beloved country was severely hit by the worst flooding due to climate change. Pakistan is paying a heavy price, though having only a fractional contribution to this global situation. It is important to mention here that MTM did not shy away from being at the front to help the people of our country who were severely affected by these devastating floods.

MTM's compassionate response to the devastating floods affecting Baluchistan, South Punjab, Gilgit, Sindh, and Karachi is truly commendable. In this regard, the following efforts were ensured:

- Two flood relief camps were set up, one in Kalan and the other in Bahrain, swat. Local people were served with grocery/ food bags and garments. Local administration of swat, especially Assistant Commissioner Swat and his team, worked closely with the MTM team day and night to cover the maximum areas to help the deserving people.
- Rs. 25 million was presented to the prime minister of Pakistan for the prime minister's flood relief account.
- Employees of the MTM also donated generously, a substantial amount of Rs 20 Million to a local NGO i.e., Al-Khidmat Foundation. Al-Khidmat Foundation is one of the credible NGOs that has engaged itself in relief activities for flood-affected people.

By supporting the Al-Khidmat Foundation, MTM is contributing to communities for long-term recovery, helping them become more resilient to future disasters.

employee well-being and support

MTM prioritizes the health, safety, and overall well-being of its employees. Providing a safe working environment, offering training and skills development opportunities, and promoting work-life balance are crucial to ensuring employee satisfaction and success.

Establishing the "Corporate Canteen" for subsidized meals and extensive employee training programs reflects a holistic approach to supporting the workforce.

Benefits that MTM's employees experience are:

- Free Medical Checkups
- Free Medical Treatment
- Scholarships for Higher Studies
- Marriage and Death Grants
- Subsidized and Standard Quality Food
- Hazard-free and Safe Workplace

gender diversity

MTM has achieved a notable milestone in promoting gender diversity within its workforce, with 20% of its total workforce comprising females. This achievement reflects the company's commitment to creating an inclusive and equitable workplace where diversity is not just a goal but a reality. Gender diversity in the workforce is important for fostering innovation, creativity, and a broader range of perspectives.

women empowerment

Women are at the core of the heart of MTM. Therefore, the efforts to empower them have always been a priority for MTM and full-fledged campaign has been initiated. The campaign offered regular tailor-made sessions with the women of MTM to give them awareness regarding their rights and empower them to act against any possible harassment in the workplace.

By Women empowerment and gender diversity programme, MTM's spinning department and Dyeing lab are being led by the Females.

A conference was conducted by Masood Textile Mills to highlight the importance of Women's Empowerment in our society, keeping in view the Islamic values, social norms and national laws.

international women's day celebration

Women are our society's most important pillar, and we strongly believe in it. International Women's Day was celebrated at MTM with the 'Break The Bias' motto.

All female employees were invited to a colorful event that included singing and thematic dance performances by known artists, Q&A sessions, and many engagement activities. CEO of MTM, Mr. Shahid Nazir, acknowledged the strong women of the organization for being steadfast in contributing to the growth while accepting all the challenges.

breast cancer awareness session

Keeping in mind the importance of women's health, MTM always plays an active role. In this regard, multiple informative sessions were organized on Breast Cancer awareness in collaboration with Shaikat Khanum Memorial Cancer Hospital. Medical doctors provided demonstrations for breast cancer awareness. Females from all over the company keenly participated in these sessions.

family night gala

The family gala event was held in July 2022 to recognize and appreciate the commitment of our team members who have spent 10, 20 and 30 plus years with MTM and have contributed to creating value for the company in one way or the other. They were awarded shields for their services. The event was attended by a large number of employees along with their spouses. The event was filled with a number of audience engagement activities, such as standup comedy by the renowned comedian, drama skits, and dance performances, followed by the CEO's address and a delicious dinner.

global citizenship

The company is a responsible global citizen, adhering to international standards and regulations. Upholding values of honesty, integrity, and fairness in all operations is crucial for ethical business conduct, building trust with stakeholders and ensuring sustainable operations.

ethical business practices

We are committed to conducting business with the highest ethical standards. Our supply chain and procurement practices prioritize fair labor, human rights, and ethical sourcing. We ensure transparency and accountability in all our business dealings, fostering trust among our stakeholders.

sustainability in action

Our sustainability initiatives are not only limited to reducing environmental impact but also extend to responsible product design and manufacturing. We aim to provide our customers with eco-friendly and sustainable textile solutions, contributing to a more sustainable fashion industry.

partnerships for good

MTM's partnerships with charitable organizations, NGOs, and local institutions and training services funding organizations, including ILO, JICA, GIZ, WWF, PSDF, TEVTA, NAVTTC and others, showcase its dedication to addressing critical social and environmental issues. These collaborations enable MTM to leverage expertise and resources to make a meaningful impact in education, healthcare, environmental conservation, and disaster relief.

controlling & managing waste

effective management of hazardous waste

MTM recognizes that responsible waste management is integral to our commitment to sustainability and environmental stewardship. Our proactive waste control and management approach underscores our dedication to minimizing our environmental impact.

pre-consumer fabric waste recycling plant

MTM operates its own pre-consumer fabric waste recycling plant. This facility is instrumental in reducing the amount of textile waste generated during the manufacturing process. By recycling and repurposing fabric waste, we minimize landfill contributions and contribute to a circular economy where resources are conserved and reused.

We understand the importance of responsible hazardous waste management. To ensure compliance with stringent environmental regulations, we engage EPA-certified third-party experts for the safe and proper handling, storage, and disposal of hazardous waste materials. This approach safeguards the environment and safety of our employees and the surrounding community.

Our waste management practices align with our broader sustainability goals, and we continuously seek ways to improve and innovate in this area. We are committed to reducing waste at its source, increasing recycling rates, and exploring innovative waste-to-resource solutions.

Through these initiatives, MTM is making a significant contribution to the reduction of textile waste in the industry and the responsible management of hazardous materials. We firmly believe that taking proactive steps in waste control and direction can create a more sustainable and environmentally conscious future.

using resources responsibly

Our commitment to sustainability extends to the responsible use of natural resources. We recognize that efficient resource management benefits our business and minimizes our environmental footprint. We have implemented state-of-the-art technologies and innovative practices across our operations to achieve this.

energy efficiency initiatives

MTM is dedicated to reducing energy consumption and increasing efficiency throughout our facilities. We have invested in cutting-edge power generators and machinery for optimal energy performance. Our low liquor ratio dyeing machines, waste heat recovery boilers, and condensate return systems help us maximize energy utilization and minimize wastage.

resource efficiency

The company's efforts to decrease electricity consumption by 1.29% and water usage reduction by 6.01% showcase its dedication to resource efficiency, which is crucial for sustainable manufacturing.

water conservation efforts

We understand that water is a precious resource thus, we are committed to its responsible use. Our adoption of low-liquor ratio dyeing machines reduces water consumption and minimizes the chemicals required in the dyeing process. Furthermore, we implement advanced systems to reuse water, allowing us to reuse cooling water and reduce water discharge into the environment.

sustainable sourcing

We are mindful of the materials we use in our products. Our commitment to responsible sourcing extends to selecting environmentally friendly materials and suppliers who share our dedication to sustainability. This ensures that the resources we use align with our sustainability principles.

reduction of environmental footprint

Our collective efforts in using resources responsibly have resulted in a tangible reduction of our environmental footprint. We measure and monitor our resource consumption and are committed to setting and achieving ambitious reduction targets year after year.

At MTM, we firmly believe that by using resources responsibly, we can simultaneously reduce costs, improve our competitive position and protect the environment. We view resource efficiency as an integral part of our commitment to sustainability and corporate social responsibility.

accreditations and certifications

MTM takes great pride in its commitment to industry-leading standards and certifications. MTM has diligently pursued and attained numerous accreditations and certifications, reflecting our unwavering dedication to quality, sustainability and responsible business practices.

These certifications include ISO 9001:2015, underscoring our commitment to quality management systems.

Our OekoTEX STeP, OekoTEX 100, and OekoTEX Made in Green certifications validate our products' safety and environmental integrity.

Our adherence to the Higg FEM and Higg FSLM standards reinforces our commitment to sustainability across the textile supply chain. MTM is also SEDEX-certified, signifying ethical and responsible sourcing.

Our certifications extend to sustainability as well, including GOTS, RCS, GRCS, OCS, BCI, amfori BEPI, Clean Chain, ZDHC, and BHive, demonstrating our dedication to ecoconscious production practices and the well-being of our planet. These accreditations and certifications serve as a testament to our continuous pursuit of excellence in all facets of our operations, ensuring that our products meet the highest quality and sustainability standards.

affiliation

awards received

MTM has received several prestigious awards and recognitions, which further highlight the company's commitment to excellence in various aspects of its operations:

Presidential Award for Occupational Safety, Health and Wellbeing - Employer Federation of Pakistan-EFP

This award reflects MTM's dedication to ensuring its employees' safety, health, and well-being. It acknowledges the company's efforts in maintaining a safe and healthy work environment.

FPCCI Award for Women Empowerment

This award recognizes MTM's initiatives and practices to empower women in the workplace. It highlights the company's commitment to gender diversity and equality.

Best Employer Award

Being recognized as the "Best Employer" is a significant achievement, indicating that MTM prioritizes its employees' well-being, professional development, and overall satisfaction. It showcases the company's dedication to fostering a positive work environment.

05

financial statements

INDEPENDENT AUDITOR'S REPORT

AS AT 30 JUNE 2023

To the members of Masood Textile Mills Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Masood Textile Mills Limited (the Company), which comprise the statement of financial position as at 30 June 2023, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2023 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Statements** section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' **Code of Ethics for Professional Accountants** as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Sr. No.	Key audit matters	How the matters were addressed in our audit
1.	<p>Capital expenditure</p> <p>The Company is investing significant amounts in its operations and there are a number of areas where management judgement impacts the carrying value of property, plant and equipment and its respective depreciation profile. These include among other the decision to capitalize or expense costs; and review of useful life of the assets including the impact of changes in the Company's strategy.</p> <p>We focused on this area since the amounts have a significant impact on the financial position of the Company and there is significant management judgment required that has significant impact on the reporting of the financial position for the Company. Therefore, considered as one of the key audit matters.</p> <p>For further information, refer to the following:</p> <ul style="list-style-type: none">- Summary of significant accounting policies, property, plant, equipment and	<p>Our procedures included, but were not limited to:</p> <ul style="list-style-type: none">• We tested operating effectiveness of controls in place over the property, plant and equipment cycle including the controls over whether costs incurred on activities is capital or operating in nature.• We evaluated the appropriateness of capitalization policies and depreciation rates.• We performed tests of details on costs capitalized.• We verified the accuracy of management's calculation used for the impairment testing.

Sr. No.	Key audit matters	How the matters were addressed in our audit
2.	<p>depreciation (Note 2.5 to the financial statements).</p> <ul style="list-style-type: none"> - Property, plant and equipment (Note 14) to the financial statements). <p>Inventory existence and valuation</p> <p>Inventories as at 30 June 2023 amounting to Rupees 16,639.806 million, break up of which is as follows:</p> <ul style="list-style-type: none"> - Stores, spare parts and loose tools of Rupees 3,936.547 million - Stock-in-trade of Rupees 12,703.259 million <p>Inventories are stated at lower of cost and net realizable value.</p> <p>We identified existence and valuation of inventories as a key audit matter due to its size, representing 30.12% of total assets of the Company as at 30 June 2023, and the judgment involved in valuation.</p> <p>For further information on inventories, refer to the following:</p> <ul style="list-style-type: none"> - Summary of significant accounting policies, Inventories (Note 2.8 to the financial statements). - Stores, spare parts and loose tools (Note 17) and Stock in 	<p>Our procedures over existence and valuation of inventories included, but were not limited to:</p> <ul style="list-style-type: none"> • To test the quantity of inventories at all locations, we assessed the corresponding inventory observation instructions and participated in inventory counts on sites. Based on samples, we performed test counts and compared the quantities counted by us with the results of the counts of the management. • For a sample of inventory items, re-performed the cost calculation and compared the moving / annual average cost appearing on valuation sheets. • On a sample basis, we tested the net realizable value of inventory items to recent selling prices and re-performed the calculation of the inventory write down, if any. • In the context of our testing of the calculation, we analyzed individual cost components and traced them back to the corresponding underlying documents. • We also made inquiries from management, including those outside

Sr. No.	Key audit matters	How the matters were addressed in our audit
	trade (Note 18) to the financial statements.	<p>of the finance function, and considered the results of our testing above to determine whether any specific write downs were required.</p> <ul style="list-style-type: none">• We also assessed the adequacy of the disclosures made in respect of the accounting policies and related notes to the financial statements.
3.	<p>Revenue recognition</p> <p>The Company recognized revenue from contract with customers of Rupees 60,105.873 million for the year ended 30 June 2023.</p> <p>We identified recognition of revenue as a key audit matter because revenue is one of the key performance indicators of the Company and gives rise to an inherent risk that revenue could be subject to misstatement to meet expectations or targets.</p> <p>For further information, refer to the following:</p> <ul style="list-style-type: none">- Summary of significant accounting policies, Revenue from contracts with customers (Note 2.12 to the financial statements).- Revenue from contracts with customers (Note 25 to the financial statements).	<p>Our procedures included, but were not limited to:</p> <ul style="list-style-type: none">• We obtained an understanding of the process relating to recognition of revenue and testing the design, implementation and operating effectiveness of key internal controls over recording of revenue.• We compared a sample of revenue transactions recorded during the year with sales orders, sales invoices, delivery documents and other relevant underlying documents.• We compared a sample of revenue transactions recorded around the year-end with the sales orders, sales invoices, delivery documents and other relevant underlying documentation to assess if the related revenue was recorded in the appropriate accounting period.• We assessed whether the accounting policies for revenue recognition complies with the requirements of IFRS 15 'Revenue from Contracts with Customers'.

Sr. No.	Key audit matters	How the matters were addressed in our audit
		<ul style="list-style-type: none"> We also considered the appropriateness of disclosures in the financial statements.

Information Other than the Financial Statements and Auditor’s Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company’s financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mubashar Mehmood.

Geographical locations and addresses of all business units (except for the registered office) of the Company are as follows:

Manufacturing units and offices	Address
Spinning, Knitting and Dyeing units	32 Kilometers, Sheikhpura Road, Faisalabad
Spinning and Knitting units	30 Kilometers, Sheikhpura Road, Faisalabad
Spinning Unit	3 Kilometers, Shorkot Road, Taba Tek Singh
Stitching Unit	Sargodha Road, Faisalabad
Stitching Units	Nishatabad, Faisalabad
Stitching Unit	Chak Jhumra Road, Nishatabad, Faisalabad
Stitching Units	Hajiabad, Sheikhpura Road, Faisalabad
Liaison office	13 Kilometers, Bhubatian Chowk, Defence Road, Lahore
Liaison office	Office No. 306 - 307, Gul Tower, II, Chundrigar Road, Karachi

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated:

2.1 Basis of preparation

a) Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFASs) issued by the Institute of Chartered Accountants of Pakistan (ICAP), as notified under the Companies Act, 2017; and

- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs and IFASs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

b) Accounting convention

These financial statements have been prepared under the historical cost convention, except as otherwise stated in respective accounting policies.

c) Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting and reporting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the financial statements or where judgments were exercised in application of accounting policies are as follows:

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

Staff retirement gratuity

Certain actuarial assumptions have been adopted as disclosed in Note 8.4 to the financial statements for determination of present value of staff retirement gratuity. Any change in these assumptions in future years might affect the current and remeasurement gains and losses in those years.

Provisions

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognized provision is recognized in the statement of profit or loss unless the provision was originally recognized as part of cost of an asset.

Contingencies

The Company reviews the status of all pending litigations and claims against the Company. Based on the judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the statement of financial position date.

Income tax

In making the estimates for income tax currently payable by the Company, the management takes into account the current income tax law and the decisions of appellate authorities on certain issues in the past.

Useful lives, patterns of economic benefits and impairments

The estimate for revalued amount of freehold land is based on valuation performed by external professional valuer and recommendation of technical teams of the Company. The said recommendations also include estimates with respect to residual values and depreciable lives. Further, the Company reviews the value of the assets for possible impairment on an annual basis. Estimates with respect to residual values and useful lives and pattern of flow of economic benefits are based on the analysis of the management of the Company. Any change in the estimates in future might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation charge and impairment.

Inventories

Inventory write-down is made based on the current month conditions, historical experience and selling goods of similar nature. It could change significantly as a result of changes in market conditions. A review is made on each reporting date on inventories for excess inventories, obsolescence and declines in net realizable value and an allowance is recorded against the inventory balances for any such declines.

Allowance for expected credit losses

The allowance for expected credit losses assessment requires a degree of estimation and judgment. It is based on the lifetime expected credit loss, based on the Company's experience of actual credit loss in past years.

Revenue from contracts with customers involving sale of goods

When recognizing revenue in relation to the sale of goods to customers, the key performance obligation of the Company is considered to be the point of delivery of the goods to the customer, as this is deemed to be the time that the customer obtains control of the promised goods and therefore the benefits of unimpeded access.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

d) Amendments to published approved accounting standards that are effective in current year and are relevant to the Company

Following amendments to published approved accounting standards are mandatory for the Company's accounting periods beginning on or after 01 July 2022:

- Amendments to IAS 16 'Property, Plant and Equipment - Proceeds before Intended Use'
- Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' - Onerous Contracts - Cost of Fulfilling a Contract amends IAS 1 'Presentation of Financial Statements'
- Annual improvements to IFRS standards 2018-2020 which amended IFRS 9 'Financial Instruments' and IFRS 16 'Leases'

The above-mentioned amendments to approved accounting standards did not have any impact on the amounts recognized in prior period and are not expected to significantly affect the current or future periods.

e) Amendments to published approved accounting standards that are effective in current year but not relevant to the Company

There are amendments to published standards that are mandatory for accounting periods beginning on or after 01 July 2022 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

f) Amendments to published approved accounting standards that are not yet effective but relevant to the Company

Following amendments to existing standards have been published and are mandatory for the Company's accounting periods beginning on or after 01 July 2023 or later periods:

Classification of liabilities as current or non-current (Amendments to IAS 1 'Presentation of Financial Statements') effective for the annual period beginning on or after 01 January 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as noncurrent by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply these amendments retrospectively in accordance with IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'.

Disclosure of Accounting Policies (Amendments to IAS 1 'Presentation of Financial Statements' and IFRS Practice Statement 2 'Making Materiality Judgement') effective for annual periods beginning on or after 01 January 2023. These amendments are intended to help preparers in deciding which accounting policies to disclose in their financial statements. Earlier, IAS 1 stated that an entity shall disclose its 'significant accounting policies' in their financial statements. These amendments shall assist the entities to disclose their 'material accounting policies' in their financial statements.

Change in definition of Accounting Estimate (Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors') effective for annual periods beginning on or after 01 January 2023. This change replaced the definition of Accounting Estimate with a new definition, intended to help entities to distinguish between accounting policies and accounting estimates.

On 22 September 2022, the IASB issued 'Lease Liability in a Sale and Leaseback (Amendments to IFRS 16)' with amendments that clarify how a seller-lessee subsequently measures sale and leaseback transactions that satisfy the requirements in IFRS 15 to be accounted for as a sale. The amendments are effective for annual periods beginning on or after 01 January 2024.

On 31 October 2022, the IASB issued 'Non-current Liabilities with Covenants (Amendments to IAS 1)' to clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments are effective for reporting periods beginning on or after 01 January 2024.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

On 25 May 2023, the IASB issued 'Suppliers Finance Arrangements (Amendments to IAS 7 and IFRS 7)' to add disclosure requirements, and 'signposts' within existing disclosure requirements, that ask entities to provide qualitative and quantitative information about supplier finance arrangement. The amendments are effective for reporting period beginning on or after 01 January 2024.

The above amendments and improvements are likely to have no significant impact on the financial statements.

g) Standards and amendments to approved published standards that are not yet effective and not considered relevant to the Company

There are other standards and amendments to published approved standards that are mandatory for accounting periods beginning on or after 01 July 2023 but are considered not to be relevant or do not have any significant impact on the company's financial statements and are therefore not detailed in these financial statements.

2.2 Staff retirement benefit

The Company operates an unfunded gratuity scheme for its permanent employees who have completed the minimum qualifying period of service as defined under the scheme. The Company's obligation under this scheme is determined through actuarial valuation carried under Projected Unit Credit Method. Latest actuarial valuation has been carried on 30 June 2023. The method involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long term nature of the benefit, such estimates are subject to certain uncertainties. Significant assumptions used to carry out the actuarial valuation have been disclosed in Note 8.4 to these financial statements.

Remeasurements changes which comprise actuarial gains and losses are recognized immediately in other comprehensive income.

2.3 Functional and presentation currency along with foreign currency transactions and translation

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the functional currency). The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency. All monetary assets and liabilities in foreign currencies are translated into Pak Rupees at exchange rates prevailing at the reporting date. Transactions in foreign currencies are translated into Pak Rupees at exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are charged or credited to statement of profit or loss. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated into Pak Rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are translated into Pak Rupees at exchange rates prevailing at the date when fair values are determined.

2.4 Taxation

Current

The Company falls in the ambit of presumptive tax regime under section 169 of the Income Tax Ordinance, 2001. Provision for income tax is made in the financial statements accordingly. However, provision for tax on other income is based on taxable income at the current rates after considering the rebates and tax credits available, if any. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

Deferred

Deferred tax is accounted for using the liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the statement of profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

2.5 Property, plant, equipment and depreciation

a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any identified impairment loss except freehold land which is stated at cost / revalued amount less any identified impairment loss. Capital work-in-progress is stated at cost less any identified impairment loss. All expenditure connected with specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to operating fixed assets as and when these are available for use. Cost of property, plant and equipment signifies historical cost, revalued amount, borrowing cost pertaining to erection / construction period and directly attributable cost of bringing the assets to working condition.

Increases in the carrying amounts arising on revaluation of freehold land are recognized in other comprehensive income and accumulated in revaluation surplus in shareholders' equity. To the extent that increase reverses a decrease previously recognized in the statement of profit or loss, the increase is first recognized in the statement of profit or loss. Decreases that reverse previous increases of the same asset are first recognized in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to the statement of profit or loss.

Valuations are performed frequently enough to ensure that the fair value of a revalued asset does not differ materially from its carrying amount.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Maintenance and normal repairs are charged to the statement of profit or loss during the period these are incurred.

b) Depreciation

Depreciation on property, plant and equipment is charged to the statement of profit or loss applying the reducing balance method at the rates given in Note 141 to write off the cost over their expected useful life. The Company charges depreciation on additions from the date when the asset is available for use and on deletions up to the date when asset is de-recognized. The residual values and useful lives are reviewed by the management, at each financial year end and adjusted if impact on depreciation is significant.

c) De-recognition

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit or loss.

2.6 Leases

Right-of-use assets

A right-of-use asset is recognized at the commencement date of a lease. The right-of-use asset is measured at cost less accumulated depreciation and accumulated impairment losses (if any). Cost comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is shorter. Where the Company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is charged over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any re-measurement of lease liabilities.

The Company has elected not to recognize a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are charged to statement of profit or loss as incurred.

Lease liabilities

A lease liability is recognized at the commencement date of a lease. The lease liability is initially recognized at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which these are incurred.

Lease liabilities are measured at amortized cost using the effective interest method. The carrying amounts are re-measured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is re-measured, an adjustment is made to the corresponding right-of-use asset, or to statement of profit or loss if the carrying amount of the right-of-use asset is fully written down.

2.7 Ijarah contracts

Under the Ijarah contracts, the Company obtains usufruct of an asset for an agreed period and for an agreed consideration. The Company accounts for its Ijarah contracts in accordance with the requirements of IFAS 2 'Ijarah'. Accordingly, the Company as a Mustajir (lessee) in the Ijarah contract recognizes the Ujrah (lease) payments as an expense in the statement of profit or loss on straight line lease over the Ijarah term.

2.8 Inventories

Inventories, except for stock in transit and waste stock / rags, are stated at lower of cost and net realizable value. Cost is determined as follows:

Stores, spare parts and loose tools

Usable stores, spare parts and loose tools are valued principally at moving average cost, while items considered obsolete are carried at nil value. In transit stores, spare parts and loose tools are valued at cost comprising invoice value plus other charges paid thereon.

Stock in trade

Cost of raw materials, work-in-process and finished goods is determined as follows:

- | | | |
|---|---|---|
| (i) For raw materials | - | Annual average basis. |
| (ii) For work-in-process and finished goods | - | Average manufacturing cost including a portion of production overheads. |

Materials in transit are valued at cost comprising invoice value plus other charges paid thereon. Waste stock / rags are valued at net realizable value.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make a sale.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

2.9 Borrowing cost

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other interests, mark-up and other charges are recognized in statement of profit or loss.

2.10 Provisions

Provisions are recognized when the Company has a legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made.

2.11 Impairment of non-financial assets

Assets that have an indefinite useful life are not subject to depreciation and are tested annually for impairment. Assets that are subject to depreciation are reviewed for impairment at each statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount for which asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date. Reversals of the impairment losses are restricted to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if impairment losses had not been recognized. An impairment loss or reversal of impairment loss is recognized in the statement of profit or loss.

2.12 Revenue from contracts with customers

i) Revenue recognition

Sale of goods

Revenue from the sale of goods is recognized at the point in time when the customer obtains control of the goods, which is generally at the time of delivery. Related Government grant is recognized when there is reasonable assurance that Company will comply with the conditions attached to it and grant will be received.

Rendering of services

The Company provides dyeing and knitting services to local customers. These services are rendered separately and the Company's contract with the customers for services constitutes a single performance obligation. Revenue from a contract to provide services is recognized at point in time, generally at the time of dispatch. There are no terms giving rise to variable consideration under the Company's contracts with its customers.

Interest

Interest income is recognized as interest accrues using the effective interest method. This is a method of calculating the amortized cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividend

Dividend on investments is recognized when right to receive the dividend is established.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

Other revenue

Other revenue is recognized when it is received or when the right to receive payment is established.

ii) Contract assets

Contract assets arise when the Company performs its performance obligations by transferring goods to a customer before the customer pays its consideration or before payment is due. Contract assets are treated as financial assets for impairment purposes.

iii) Right of return assets

Right of return assets represents the right to recover inventory sold to customers and is based on an estimate of customers who may exercise their right to return the goods and claim a refund. Such rights are measured at the value at which the inventory was previously carried prior to sale, less expected recovery costs and any impairment.

iv) Contract liabilities

Contract liability is the obligation of the Company to transfer goods to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods, a contract liability is recognized when the payment is received. Contract liabilities are recognized as revenue when the Company accomplishes its performance obligations under the contract.

2.13 Share capital

Ordinary and preference shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax.

2.14 Financial instruments

i) Recognition of financial instruments

The Company initially recognizes financial assets on the date when these are originated. Financial liabilities are initially recognized on the trade date when the entity becomes a party to the contractual provisions of the instrument.

ii) Classification and measurement of financial instruments

Investments and other financial assets

a) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at the fair value through profit or loss; and
- those to be measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gain and losses are recognized in statement of profit or loss. For investments in debt instruments, this will depend on the business model in which the investment is held. The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

b) Measurement

At initial recognition, the Company measures a financial asset at its fair value, in the case of a financial asset at its fair value plus transaction plus, in the case of a financial asset not at fair value through profit or loss, transaction cost that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following measurement category:

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on de-recognition is recognized directly in profit or loss and presented in other income / (other expenses) together with foreign exchange gains and losses.

Equity Instruments

The Company subsequently measures all equity instruments at fair value for financial instruments quoted in an active market, the fair value corresponds to a market price (level 1). For financial instruments that are not quoted in an active market, the fair value is determined using valuation techniques including reference to recent arm's length market transactions or transactions involving financial instruments which are substantially the same (level 2), or discounted cash flow analysis including, to the greatest possible extent, assumptions consistent with observable market data (level 3).

At fair value through profit or loss

Changes in the fair value of equity instruments at fair value through profit or loss are recognized in other income / (other expenses) in the statement of profit or loss as applicable. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established.

Financial liabilities

Classification and measurement

Financial liabilities are classified at amortized cost. These are also subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on de-recognition is also included in profit or loss.

iii) Impairment of financial assets

The Company recognizes loss allowances for Expected Credit Losses (ECLs) on financial assets measured at amortized cost. The Company measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

- bank balances and debt securities for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than past due for a reasonable period of time. Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument. 12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering of a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

At each reporting date, the Company assesses whether financial assets are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the debtor;
- a breach of contract such as a default;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the debtor will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

iv) De-recognition of financial assets and financial liabilities

a) Financial assets

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such de-recognized financial assets that is created or retained by the Company is recognized as a separate asset or liability.

b) Financial liabilities

The Company de-recognizes a financial liability (or a part of financial liability) from its statement of financial position when the obligation specified in the contract is discharged or cancelled or expired.

v) Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legal enforceable right to set off and the Company intends either to settle on a net basis or to realize the assets and to settle the liabilities simultaneously.

2.15 Trade debts and other receivables

Trade debts are initially recognized at fair value and subsequently measured at amortized cost using the effective interest method, less any allowance for expected credit losses.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

Other receivables are recognized at amortized cost, less any allowance for expected credit losses.

2.16 Borrowings

Financing and borrowings are recognized initially at fair value and are subsequently stated at amortized cost. Any difference between the proceeds and the redemption value is recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.17 Trade and other payables

Liabilities for trade and other amounts payable are initially recognized at fair value, which is normally the transaction cost and subsequently measured at amortized cost using the effective interest method.

2.18 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cash at banks on current, saving and deposit accounts and other short term highly liquid instruments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in values.

2.19 Dividend and other appropriations

Dividend distribution to the Company's shareholders is recognized in the period in which it is declared and other appropriations are recognized in the period in which these are approved by the Board of Directors.

2.20 Segment reporting

Segment reporting is based on the operating (business) segments of the Company. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to the transactions with any of the Company's other components. Operating segments are reported in a manner consistent with the internal reporting structure. Management monitors the operating results of its segments separately for the purpose of making decisions regarding resource allocation and performance assessment.

Segment results that are reported to management include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Those income, expenses, assets, liabilities and other balances which cannot be allocated to a particular segment on a reasonable basis are reported as unallocated.

The Company has three reportable operating segments: i) Spinning (Producing different qualities of yarn), ii) Knitting (Producing knitted fabric from yarn), iii) Processing and Garments (Processing of greige fabric for production of dyed and white fabric and manufacturing of variety of garments from processed fabric).

Transactions among the operating segments are recorded at cost. Inter segment sales and purchases are eliminated from the total.

2.21 Earnings per share

The Company presents basic and diluted Earnings per Share (EPS). Basic EPS is calculated by dividing profit attributable to shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting profit attributable to shareholders and the weighted average number of ordinary shares outstanding with the effects of all dilutive potential ordinary shares.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

2.22 Contingent assets

Contingent assets are disclosed when the Company has a possible asset that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized until their realization becomes certain.

2.23 Contingent liabilities

Contingent liability is disclosed when the Company has a possible obligation as a result of past events whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent liabilities are not recognized, only disclosed, unless the possibility of a future outflow of resources is considered remote. In the event that the outflow of resources associated with a contingent liability is assessed as probable, and if the size of the outflow can be reliably estimated, a provision is recognized in the financial statements.

2.24 Government grants

The benefit of lower interest rate than market rate on borrowings obtained under State Bank of Pakistan (SBP) refinance scheme for payment of salaries and wages to the employees and workers of the Company, is accounted for as government grant which is the difference between loan received and the fair value of the loan. The differential amount is recognized and presented as deferred government grant.

In subsequent periods, the grant shall be amortized over the period of loan and amortization shall be recognized in the profit or loss.

3. ISSUED, SUBSCRIBED AND PAID UP SHARE CAPITAL

2023 (NUMBER OF SHARES)	2022 (NUMBER OF SHARES)		2023 (RUPEES IN THOUSAND)	2022 (RUPEES IN THOUSAND)
67 500 000	67 500 000	Ordinary shares of Rupees 10 each fully paid in cash	675,000	675,000
27 500 000	27 500 000	Cumulative preference shares (non-voting) of Rupees 10 each fully paid in cash (Note 3.1)	275,000	275,000
<u>95 000 000</u>	<u>95 000 000</u>		<u>950,000</u>	<u>950,000</u>

3.1 The Company issued cumulative preference shares as at 30 June 2005, which are listed on Pakistan Stock Exchange Limited, to finance the working capital requirements and fixed capital expenditure.

Terms of redemption

a) Conversion option

Preference shareholders have the option to serve a notice to the Company to convert one third of the preference shares along with accumulated dividend into ordinary shares of the Company after the expiry of four years from the date of issuance in any conversion year at a discount of 15 percent to immediately preceding 30 calendar days' average market value. Upon receiving the conversion notice, the Company will have the option to repay the preference shares along with the accumulated dividend for which conversion notice has been issued within one month of receiving thereof or issue ordinary shares to preference shareholders.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

b) Call option

The Company has the option to redeem the preference shares after four years of the issuance in part in multiples of 10 percent upto 100 percent from the preference shareholders. The call price would be Rupees 10 per share plus the entire accumulated preference share dividend, if any.

c) Rate of dividend

The preference dividend is payable at the average rate of six months KIBOR plus 2 percent per annum on cumulative basis. According to the terms of issuance, dividend to ordinary shareholders could only be paid after the payment of preference dividend to preference shareholders.

d) Sinking fund reserve

The Company has created a sinking fund reserve (capital redemption reserve fund) from the profits of the Company to make payments against any call option. The Company has built-up this sinking fund reserve to ensure that at the end of the fourth year from the issuance date, the reserve is equal to one third of the total amount of preference shares. This reserve account will subsequently be replenished to ensure that one third of the outstanding preference shares amount is available in the reserve account.

- 3.2 17 396 833 ordinary shares (2022: 17 396 833) of the Company are held by Shanghai Challenge Textile Company Limited, an associate.

4. CAPITAL RESERVES

Share premium (Note 4.1)
Capital redemption reserve fund (Note 4.2)
Capital contribution (Note 4.3)
Surplus on revaluation of freehold land (Note 4.4)

2023 2022
(RUPEES IN THOUSAND)

		133,115	167,970
	Closing balance	66,497	146,153
7.11	The value of minimum lease payments of lease amounting to Rupees 10.180 million (2022: Rupees 16.642 million) has been discounted using implicit interest rate of 12.96% to 18.54% (2022: 8.85% to 12.96%) per annum. Balance rentals are payable in monthly installments. Taxes, repairs and insurance costs are to be borne by the Company. In case of termination of the agreement, the Company shall pay entire amount of rentals for unexpired period of lease agreement. Lease agreement is renewable at the option of the lessor on such terms as may be agreed upon. Liabilities are secured against deposits of Rupees 5.450 million (2022: Rupees 6.778 million) included in long term security deposits.		
7.12	The value of minimum lease payments of lease amounting to Rupees 56.316 million (2022: Rupees 129.511 million) has been discounted using incremental borrowing rate of 8.30% to 9.78% (2022: 8.30% and 9.78%) per annum. Balance rentals are payable in monthly installments. Repairs and insurance costs are to be borne by the Company. In case of termination of the agreement, three months notice is to be given. Lease agreement is renewable at the mutual consent of both parties on such terms as may be agreed upon. Liabilities are secured against deposits of Rupees 23.064 million (2022: Rupees 21.769 million) included in long term security deposits.		
7.2	Maturity analysis of lease liabilities is as follows:		
	Upto 12 months	58,865	109,002
	01 to 02 years	11,559	38,913
	02 to 03 years	-	6,809
		70,424	154,724
	Less: Un-amortized finance cost	3,927	8,571
	Present value of future minimum lease payments	66,497	146,153

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

	2023	2022
	(RUPEES IN THOUSAND)	

8.4 Principal actuarial assumptions used

Discount rate for interest cost in profit or loss charge (per annum)
 Discount rate for year end obligation (per annum)
 Expected rate of increase in salary (per annum)
 Average duration of the benefit (years)
 Mortality rates

	13.25%	10.00%
	16.25%	13.25%
	15.25%	12.25%
	7	8
	SLIC 2001-05 set back 1 year	SLIC 2001-05 set back 1 year
	Age based Age 60	Age based Age 60

Withdrawal rate
 Retirement assumption

8.5 Sensitivity analysis for actuarial assumptions:

The sensitivity of the defined benefit obligation as at reporting date to changes in the weighted principal assumption is:

Discount rate
 Increase in assumption (Rupees in thousand)
 Decrease in assumption (Rupees in thousand)
 Future salary increase
 Increase in assumption (Rupees in thousand)
 Decrease in assumption (Rupees in thousand)

	100%	100%
	(115,996)	(97,497)
	132,801	112,188
	100%	100%
	128,446	108,491
	(113,813)	(95,678)

8.6 Expected maturity profile

Followings are the expected distribution and timing of benefit payments at year end:

Description

2023	-	236,979
2024	292,252	257,422
2025	317,891	264,112
2026 to 2030	1,713,997	1,379,934
2031 and onwards	59,080,476	28,900,685

The sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. When calculating the sensitivity of the defined benefit plan to significant actuarial assumptions, the same method (present value of the defined benefit plan calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognized within the statement of financial position.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the previous year except for certain changes as given in Note 8.4.

8.7 The estimated expenses to be charged to profit and loss account for the year ending on 30 June 2024 is Rupees 684,362 million.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

8.8 Risks associated with the scheme

Final salary risk (linked to inflation risk)

The risk that the final salary at the time of cessation of service is greater than what we assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

Demographic risks

- **Mortality risk** - The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- **Withdrawal risk** - The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

	Amortized during the year (Note 30)	(6,401)	(37,288)
		<u>-</u>	<u>6,401</u>
12.1.1	This represented deferred government grant in respect of long term loans obtained by the Company under SBP Refinance Scheme for payment of wages and salaries which were completely repaid on 03 October 2022 as disclosed in Note 6.1 to these financial statements. These loans were recognized and measured in accordance with the IFRS 9 'Financial Instruments'. Fair value adjustment was recognized at discount rate of 9.23% per annum.		
12.2	Gas Infrastructure Development Cess (GIDC) payable		
	Balance as on 01 July	11,096	21,321
	Add: Unwinding of discount on GIDC payable (Note 31)	29	954
		<u>11,125</u>	<u>22,275</u>
	Less: Payments made during the year	1,863	11,179
		<u>9,262</u>	<u>11,096</u>
12.2.1	This represents Gas Infrastructure Development Cess (GIDC) which was levied through GIDC Act, 2015. Supreme Court of Pakistan vide judgement dated 13 August 2020 has upheld the GIDC Act, 2015 to be constitutional and intra vires. This liability was recognized at amortized cost in accordance with IFRS 9 'Financial Instruments' by using discount rate of 9.23% per annum.		

NOTES TO THE FINANCIAL STATEMENTS

13. CONTINGENCIES AND COMMITMENTS

a) Contingencies

- i) Guarantees of Rupees 403,495 million (2022: Rupees 278,495 million) are given by the banks of the Company to Sui Northern Gas Pipelines Limited (SNGPL) against gas connections, to Faisalabad Electric Supply Company (FESCO) against electricity connections and to Total Parco Pakistan Limited and Gas and Oil Pakistan Limited against fuel cards.
- ii) On 13 August 2020, the Supreme Court of Pakistan upheld the Gas Infrastructure Development Cess (GIDC) Act, 2015 to be constitutional and intra vires. In connection with this decision, the Company filed a writ petition in Lahore High Court, Lahore on 14 September 2020 against the charge of GIDC at the rate of captive power consumer instead of industrial consumer. Lahore High Court, Lahore suspended the payment of Rupees 23,625 million (2022: Rupees 23,625 million) related to this difference, subject to furnishing of post dated cheques which are being submitted by the Company. This writ petition was decided in favour of the Company. Against this decision, SNGPL filed an Intra Court Appeal No. 73521/2021 in Lahore High Court, Lahore on 27 September 2021 which is pending for adjudication. Keeping in view the opinion of the legal counsel of the Company, the related provision is not made in these financial statements as there are strong grounds of favorable outcome of the petition.
- iii) The Company has filed a writ petition in the Lahore High Court, Lahore on 29 June 2022 against the demand of fifty percent increase on social security contribution as penalty having an amount of Rupees 137.713 million (2022: Rupees 137.713 million) by Punjab Employees Social Security Institution. Keeping in view of the opinion of the legal counsel of the Company, the related provision is not made in these financial statements as there are strong grounds of favorable outcome of the petition.

b) Commitments

- i) Contracts / letters of credit for capital expenditure are amounting to Rupees 241,975 million (2022: Rupees 45,578 million) and for other than capital expenditure are of Rupees 1,740.946 million (2022: Rupees 2,666.001 million).
- ii) Ijarah commitments - Company as lessee

The Company obtained vehicles under Ijarah lease agreements. The lease terms are three to five years. The Company has given undertaking to purchase the leased vehicles on agreed purchase price at maturity.

The total of future Ijarah payments under arrangements are as follows:

Not later than one year	156,574	61,677
Later than one year and not later than five years	332,023	88,606
	<u>488,597</u>	<u>150,283</u>

1411

Value of freehold land of the Company has been determined by an independent valuer, Messrs Oceanic Surveyors (Private) Limited, on 18 June 2023 using market value method. Previously it was revalued by an independent valuer as at 30 June 2020, 30 June 2013, 30 June 2007 and 30 September 1995. Had there been no revaluation, the value of freehold land would have been lower by Rupees 3,574,319 million (2022: Rupees 2,447,552 million). The book value of freehold land on cost basis is Rupees 965,257 million (2022: Rupees 1,91,079 million).

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

2023 2022
(RUPEES IN THOUSAND)

14.12 Depreciation charged during the year has been allocated as follows:

Cost of sales (Note 26)

Distribution cost (Note 27)

Administrative expenses (Note 28)

	2023	2022
Cost of sales (Note 26)	892,565	872,197
Distribution cost (Note 27)	1,050	965
Administrative expenses (Note 28)	121,793	82,531
	1,015,408	955,693

14.13 Particulars of immovable properties (i.e. land and buildings) in the name of the Company are as follows:

Particulars	Location	Area Acres	Covered Area Sq. ft.
Apparel Unit	Sargodha Road, Faisalabad	2.56	175,936 *
Spinning, Knitting and Dyeing Units	32-KM, Sheikhpura Road, Faisalabad	128.39	1,762,039

32.1 The Company falls in the ambit of final tax regime under section 169 of the Income Tax Ordinance, 2001 (the Ordinance). Provision for income tax is made accordingly. Provision for super tax on income is calculated as per section 4C of the Ordinance. Further, provision for tax on other income is made under relevant provisions of the Ordinance. No provision for deferred taxation is required as the Company is chargeable to tax under section 169 of the Ordinance and no temporary differences are expected to arise in the foreseeable future. Reconciliation of tax expense and product of accounting profit multiplied by the applicable tax rate is not given in view of presumptive tax regime.

35. EVENTS AFTER THE REPORTING PERIOD

35.1 Board of Directors of the Company has proposed a preference dividend for the preference shareholders of the Company to Rupees 182 (2022: Rupees 1166) per share at their meeting held on 04 October, 2023. However, these events have been considered as non-adjusting events under IAS-10 'Events after the Reporting Period' and have not been recognized in these financial statements.

36. REMUNERATION OF CHIEF EXECUTIVE OFFICER, DIRECTORS AND EXECUTIVES

Aggregate amount charged in these financial statements in respect of remuneration including all benefits to the Chief Executive Officer, Directors and Executives of the Company are given below:

DESCRIPTION	2023		2022	
	Chief Executive Officer	Executives	Chief Executive Officer	Executives
Managerial remuneration	12,000	310,584	9,000	239,619
Allowances				
House rent	4,800	124,232	3,600	95,848
Other allowances	1,200	31,056	900	23,962
Payment of staff retirement gratuity	-	11,258	-	5,626
	19,000	477,133	13,500	365,055
Number of persons	1	155	1	111

36.1 The Chief Executive Officer and some of the executives are provided free use of Company maintained vehicles.

36.2 Meeting fee amounting to Rupees 0.150 million (2022: Rupees 0.150 million) has been paid to three non-executive directors (2022: three non-executive directors).

36.3 Apart from meeting fee as stated in Note 36.2, no remuneration was paid to any director of the Company.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

37. TRANSACTIONS WITH RELATED PARTIES

The related parties comprise of associate, associated company, other related parties and key management personnel. Detail of transactions with related parties, other than those which have been disclosed elsewhere in these financial statements are as follows:

	2023 (RUPEES IN THOUSAND)	2022
Associated company		
Challenge Apparels Limited		
Purchase of goods	-	12,904
Other related parties		
Sale of vehicles to executives	10,757	-

37.1 Detail of compensation to key management personnel comprising of Chief Executive Officer, directors and executives is disclosed in Note 36.

37.2 Shanghai Challenge Textile Company Limited (SCTCL) is the associate due to 25.77% shareholding in the Company. SCTCL is incorporated in China.

37.3 Challenge Apparels Limited is the associated company by way of common directorship.

	2023	2022
38. NUMBER OF EMPLOYEES		
Number of employees as on 30 June	17 580	19 946
Average number of employees during the year	21 220	20 397

		2023 (FIGURES IN THOUSAND)	2022
39. PLANT CAPACITY AND ACTUAL PRODUCTION			
SPINNING			
Production at normal capacity converted to 20s count based on three shifts per day	(Kgs.)	5 787	5 742
Actual production converted to 20s count based on three shifts per day	(Kgs.)	5 204	5 163
KNITTING			
Production at normal capacity based on three shifts per day	(Kgs.)	50 927	48 545
Actual production based on three shifts per day	(Kgs.)	25 903	28 928

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

		2023	2022
		(FIGURES IN THOUSAND)	
DYEING / FINISHING			
Production at normal capacity on reactive dyeing basis at three shifts per day	(Kgs.)	45 166	46 834
Actual production converted on reactive dyeing basis at three shifts per day	(Kgs.)	24 548	30 429
GARMENTS			
Production at normal capacity of normal / average garments capacity based on single shift per day	(Dzn.)	3 960	4 689
Actual production of normal / average garments capacity basis on single shift per day	(Dzn.)	1 904	2 662

39.1 REASONS FOR LOW PRODUCTION

Under utilization of available capacity is due to normal maintenance. Machines are available for different types of fabric for which orders are based on seasonal basis. Moreover, the garments capacities are varied due to multi products having different and complex stitching process.

40.5 Revenue is recognized at the point of time as per terms and conditions of underlying contract with customers.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

40.6 Revenue from major customers

Revenue from major customers of the Company's Processing and Garments segment includes three customers (2022: two) representing Rupees 22,449 million (2022: Rupees 17,293 million). Revenue from other segments of the Company does not include any major customer.

41. FINANCIAL RISK MANAGEMENT

41.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the Company's finance department under policies approved by the Board of Directors. The Board provides principles for overall risk management, as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk, liquidity risk, investment of excess liquidity and use of non-derivative financial instruments.

(a) Market risk

(i) Currency risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from receivables and payables that exist due to transactions in foreign currencies.

The Company is exposed to currency risk arising from various currency exposures, primarily with respect to the United States Dollar (USD), Euro and Great Britain Pound (GBP). Currently, the Company's foreign exchange risk exposure is restricted to bank balances and the amounts receivable / payable from / to the foreign entities. The Company's exposure to currency risk was as follows:

	2023	2022
	(RUPEES IN THOUSAND)	
Cash at banks - USD	119,585	16,105
Trade debts - USD	53,559,132	56,864,305
Trade debts - Euro	325,172	472,326
Trade debts - GBP	-	3,752
Trade and other payables - USD	(429,698)	(2,003,586)
Net exposure - USD	53,249,019	54,876,824
Net exposure - Euro	325,172	472,326
Net exposure - GBP	-	3,752
Following significant exchange rates were applied during the year:		
Rupees per US Dollar		
Average rate	247.98	177.59
Reporting date rate	286.60	205.50
Rupees per Euro		
Average rate	261.21	200.05
Reporting date rate	313.72	215.23
Rupees per GBP		
Average rate	-	235.80
Reporting date rate	-	249.31

Sensitivity analysis

If the functional currency, at reporting date, had weakened / strengthened by 5% against the USD, Euro and GBP with all other variables held constant, the impact on profit after taxation for the year would have been Rupees 650.170 million (2022: Rupees 472.396 million) higher / lower, mainly as a result of exchange gains / losses on translation of foreign exchange denominated financial instruments. Currency risk sensitivity to foreign exchange movements has been calculated on a symmetric basis. In management's opinion, the sensitivity analysis is unrepresentative of inherent currency risk as the year end exposure does not reflect the exposure during the year.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

(ii) Other price risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market. At the year end, the Company is not exposed to other price risk.

(iii) Interest rate risk

This represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market

The Company's interest rate risk arises from long term financing, lease liabilities, short term borrowings and bank balances in saving accounts. Financial instruments at variable rates expose the Company to cash flow interest rate risk. Financial instruments fixed rate expose the Company to fair value interest rate risk.

At the reporting date, the interest rate profile of the Company's interest bearing financial instruments was:

	2023 (RUPEES IN THOUSAND)	2022
Fixed rate instruments		
Financial liabilities		
Long term financing	1,202,594	2,171,183
Lease liabilities	56,316	129,511
Short term borrowings	15,382,914	15,817,731
Floating rate instruments		
Financial assets		
Bank balances - saving accounts	349,722	211,404
Financial liabilities		
Long term financing	3,004,025	3,777,714
Lease liabilities	10,180	16,642
Short term borrowings	5,224,322	2,003,544

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss of the Company.

Cash flow sensitivity analysis for variable rate instruments

If interest rates, at the year end date, fluctuates by 1% higher / lower with all other variables held constant, profit after taxation for the year would have been Rupees 67.449 million (2022: Rupees 47.287 million) lower / higher, mainly as a result of higher / lower interest expense / income on floating rate financial instruments. This analysis is prepared assuming that amounts of liabilities outstanding at reporting date were outstanding for the whole year.

(b) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows:

Investments	8,630	7,572
Trade debts	16,726,515	12,424,837
Loans and advances	135,347	91,368
Deposits	322,282	273,352
Other receivables	20,876	20,684
Bank balances	1,003,512	707,381
	<u>18,217,162</u>	<u>13,525,194</u>

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings (if available) or to historical information about counterparty default rate. The external credit rating of Company's bankers is given below.

	Rating			2023	2022

To manage exposure to credit risk in respect of trade debts, management performs credit reviews taking into account the customer's financial position, past experience and other factors. Sales contracts and credit terms are approved by the senior management and where considered necessary, advance payments are obtained from certain parties. Export sales to major customers are secured through letters of credit. The management has set a maximum credit period limit for each type of customers in order to reduce the credit risk.

The Company applies the IFRS 9 simplified approach to measure expected credit loss allowance for its trade debts. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The Company has concluded that the expected loss rates for trade debts against local sales are different from the expected loss rates for trade.

Based on the past experience and deliberations management has recognized expected credit losses in respect of trade debts as given in Note 19.4 to the financial statements.

As at 30 June 2023, trade debts of Rupees 2,002.819 million (2022: Rupees 1,188.722 million) were past due but not impaired. These relate to a number of independent customers from whom there is no recent history of default. The ageing analysis of these trade debts is

NOTES TO THE FINANCIAL STATEMENTS

Due to the Company's long standing business relationships with these counterparties and after giving due consideration to their strong financial standing, management does not expect non-performance by these counterparties on their obligations to the Company. Accordingly the credit risk is minimal.

(c) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

The Company manages liquidity risk by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. At 30 June 2023, the Company had Rupees 1,755 million (2022: Rupees 1,594 million) available borrowing limits from financial institutions and Rupees 1,013,991 million (2022: Rupees 708,885 million) cash and bank balances. Management believes the liquidity risk to be low. Following are the contractual maturities of financial liabilities, including interest payments. The amounts disclosed in the table are undiscounted cash flows.

Following are the contractual maturities of financial liabilities as at 30 June 2023:

	Carrying amount	Contractual cash flows	6 months or less	6-12 months	1-2 years	More than 2 years
(RUPEES IN THOUSAND)						
Non-derivative financial liabilities:

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark-up / profit rates effective as at 30 June. The rates of mark-up / profit, have been disclosed in Note 6, Note 7 and Note 11 to these financial statements.

(d) Capital risk management

The objective of the Company when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders; and to maintain a strong capital base to support the sustained development of its business.

The Company manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to the shareholders or issue new shares.

The Company finances its expansion projects through equity, borrowings and management of its working capital with a view to maintain an appropriate mix between various sources of finance to minimize risk.

41.4 Offsetting financial assets and financial liabilities

As on reporting date, recognized financial instruments are not subject to offsetting as there are no enforceable master netting arrangements and similar agreements.

42. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL INSTRUMENTS

(i) Fair value hierarchy

Judgements and estimates are made in determining the fair values of the financial instruments that are recognized and measured at fair value in these financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into following three levels. An explanation of each level follows underneath the table:

	Level 1	Level 2	Level 3	Total
	(RUPEES IN THOUSAND)			
Financial assets - recurring fair value measurement				
At 30 June 2023				
At fair value through profit or loss	8,630	-	-	8,630
	<u>8,630</u>	<u>-</u>	<u>-</u>	<u>8,630</u>

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2023

At 30 June 2022

At fair value through profit or loss

7,572	-	-	7,572
<u>7,572</u>	<u>-</u>	<u>-</u>	<u>7,572</u>

The above table does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to the short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts.

There were no transfers between levels 1 and 2 for recurring fair value measurements during the year. Further there was no transfer out of level 3 measurements.

The company's policy is to recognize transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

(ii) Valuation technique used to determine fair value

Specific valuation technique used to value financial instruments includes the use of market prices.

43. RECOGNIZED FAIR VALUE MEASUREMENTS - NON-FINANCIAL ASSETS

(i) Fair value hierarchy

The judgements and estimates made in determining the fair values of the non-financial assets that are recognized and measured at fair value in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its non-financial assets into the following three levels.

	Level 1	Level 2	Level 3	Total
	(RUPEES IN THOUSAND)			
At 30 June 2023				
Freehold land	-	4,539,575	-	4,539,575
At 30 June 2022				
Freehold land	-	3,628,631	-	3,628,631

The company's policy is to recognize transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

There were no transfer between level 1 and 2 for recurring fair value measurement during the year. Further, there was no transfer in and out of level 3.

(ii) Valuation techniques used to determine level 2 fair values

The Company obtains independent the valuation for its freehold land (classified as property, plant and equipment) at least in every three years. The management updates the assessment of the fair value of freehold land, taking into account the most recent independent valuation. The management determines freehold land's value within a range of reasonable fair value estimates. The best evidence of fair value is current prices in an active market for similar lands.

Valuation processes

The Company engages external, independent and qualified valuer to determine the fair value of the Company's freehold land. The fair value of the freehold land has been determined by Messrs Oceanic Surveyors (Private) Limited on 19 June 2023.

Changes in fair values are analyzed during the valuation discussion between the Chief Financial Officer and the valuer. As part of this discussion the team presents a report that explains the reason for the fair value movements.

44. DATE OF AUTHORIZATION FOR ISSUE

These financial statements were approved and authorized for issue on 04 October 2023 by the Board of Directors of the Company.

45. CORRESPONDING FIGURES

Corresponding figures have been re-arranged, wherever necessary, for the purpose of comparison. However, no significant re-arrangements have been made.

46. GENERAL

Figures have been rounded off to the nearest thousand of Rupees unless otherwise stated.
