# VISION

To be the performer of first choice at Burshane LPG (Pakistan) Limited, we strive to provide quality customer service through continuous improvements in our effort to make uninterrupted supply of LPG to the users, development of our people and maintaining high standards of technical resources and safety standards. Further we aim at sustained profitability and value growth for our shareholders through strong financial foundation and loyal customers. We shall strive to provide better choices to our communities for improving quality of their life.

# INCREDIBLE ENERGY

LPG Autogas is by far the most widely available environmentally friendly alternative fuel. Recent independent tests have also shown that LPG has the best environmental record compared with petrol and diesel. Driving an LPG vehicle is safe, easy and best of all, much cheaper than driving a petrol or diesel model. Engines running on LPG produce less harmful emissions compared to petrol or diesel, whilst making significant savings at the pumps.

# COMPANY INFORMATION

# CONVENIENT & SAFE DOMESTIC USE

In both urban and rural areas, LPG is being widely used as an alternative source of Natural Gas or where there is no access to central gas pipeline. In domestic segment LPG is used mainly for cooking and heating purposes, for economic reasons, convenience over traditional fuels as well as to ensure Environment (HSSE). Burshane LPG (Pakistan) Limited is among the pioneers in LPG marketing and distribution in Pakistan. Company incorporated in 1966 and consistently developed and established its countrywide distribution network which is primarily focused to cater the needs of domestic users and deliver our best services to them. Burshane LPG has a very clear strategy to offer and deliver differentiated Customer Value Propositions to various segments of market, to increase customer satisfaction and retain its position as the premium LPG brand available in market. Company is committed on attracting more customers and enhancing the brand by providing products and services to create customer loyalty and market share on a sustainable basis. Consistent focus on our CVP across the entire value chain has distinguished our brand among competitors in industry. Our core values of honesty, integrity and respect for people are at the heart of the way we manage our business.

# ENVIRONMENT FRIENDLY LPG

LPG is truly a modern environment friendly product. LPG is the normal abbreviation used to describe 'Liquefied Petroleum Gas', which is itself used to describe those hydrocarbons existing as vapors under ambient conditions of temperature and pressure.

## EFFICIENT ECO-FRIENDLY

LPG is a clean - burning fuel which cleans the environment by reducing air pollution. It has absolutely no lead content (safe vehicle fuel) the perfect environment alternative - and is cheaper than gasoline. It contributes to a healthier working environment and has virtually no harmful exhaust emission. LPG is the fuel of the future. Apart from being environmentally friendly, in Pakistan it can significantly contribute to the economy by replacing Kerosene. It can also assist in reducing de-forestation in cases where wood is used as a source of energy, thus making the environment pollution free and healthier. De-forestation leads to serious environmental damage and disturbs the ecological balance causing erosion and landslides in these areas. Thus there is a need to increase the availability, as well as usage of LPG, as it can to some extent overcome the de-forestation problem of the country. Burshane LPG (Pakistan) Limited is actively playing its role by promoting the superior environment and convenient aspects of LPG.

# CHAIRMAN'S REVIEW

On behalf of the Board, I am pleased to present the Chairman's review report to the shareholders of Burshane LPG (Pakistan) Limited (the Company) for the year ended June 30, 2023.

The current economic and environmental uncertainties, including political instability and inflationary pressures have posed unprecedented difficulties for the LPG industry at large and the Company in particular. Additionally, substantial slowdown in production of Pakistan Refinery Limited (PRL), Oil and Gas Development Company Limited (OGDCL) and other refineries including the reduction of allocation by Pak Arab Refinery Company (PARCO) from 650 MT to 120 MT per year, has adversely affected the supply of LPG to the Company. Moreover, Pakistan Petroleum Limited (PPL) supply on the basis of tender in which the Company participates along with other LPG marketing companies. PPL allocates equal quantity to the all the marketing companies, therefore large reduction in LPG from this source has been witnessed as well.

Numerous challenges and adverse economic conditions experienced during the year, have resulted in reduction in availability of local LPG and profit margin. The margin on imported product also remained low due to severe competition. As a result, your company incurred a loss after tax of Rs. 66.15 million during the year as compared to a profit of 26.84 million during last year. Net turnover was recorded at Rs. 3,533.61 million, 21.38% lower over the previous year ended June 30, 2022. Gross margin also decreased to Rs. 151.50 million from Rs. 166.15 million during the current year due to a combination of difficulty in availability of LPG and lower margins.

## Performance evaluation:

As required, under the Code of Corporate Governance (the Code) and in pursuance of SECP's guidelines, an evaluation process is carried out online internally to assess annual performance of the Board, members of the Board as well as performance of the Chief Executive Officer (CEO). A self-evaluation form is circulated to each of the members of the Board, requiring them to complete the questionnaires with their comments. Results are compiled by the Company Secretary and share subsequently in the next meeting of the Board with the intent to address areas of further improvement. I am pleased to report that overall performance of the Board and CEO of the Company for the year ended June 30, 2023 remained satisfactory.

## Operational excellence:

The Company continues to perform satisfactorily in Health, Safety, Security and Environment (HSSE) standards, with no Lost Time Injury and Fatality reported during the year. The management is continually looking for ways to reduce the environmental impact of its operations, products and services.

We believe that sustainable development is only possible if business principles and best practices are complied, adhered to and abided within the overall conduct of the business spectrum. Burshane has firmly embedded these attributes in its rules of engagement and standard operating procedures (SOPs) in all aspects of its operations and shall continuously strive to inculcate these principles amongst all stakeholders.

In the context of business growth, the management is fully aware of challenges faced and its obligations towards its stakeholders. It stands committed to develop long-term corporate plans to increase the shareholder value in the business. All possible options are being pursued to increase the market share of the Company and to enhance return on capital employed. Therefore, the management remains confident that, going forward, it will be able show stronger performance and turnaround the Company into a profitable venture.

It is pertinent to note, that the Company embarked upon an aggressive strategy to ensure that all

governance and issues related to reputational risk are addressed appropriately. In this regard, outstanding banking matter, relating to long term loan stands settled and restructuring has been fully implemented by NBP. Similarly, matter related to FBR, was taken head on with FBR authorities and the Company is confident that it shall be able to address the matter satisfactorily, in near future.

### **Role of the Chairman:**

In my capacity as Chairman, I ensure that:

- Board receives adequate, accurate, clear, complete and reliable information in a timely manner for a through discussion and a meaningful oversight on all aspects of the business.
- Board is properly briefed on all significant matters.
- All key issues are discussed by the Board in a timely manner.
- Environment in board room remains conducive, allows constructive and open debates.
- Board plays a constructive role in devising strategies, policies and its implementation.
- Strategies and policies agreed by the Board are effectively implemented by the Chief Executive Officer and the management.
- Decisions taken by the Board are in the best interest of the Company and fairly reflect consensus of the Board members.
- Good corporate governance and procedures are in place.

Finally, I would like to thank the staff, all stakeholders, distributors and customers for their continuous support in ensuring sustainable growth of the company and for making Burshane their brand of first choice.

## چیرمین کا جائزہ

کینیڈا ایکٹ 2017 کی دفعہ 192 کے تحت میں برشین LPG پاکستان لمیٹڈ (کمپنی) کے حصص یافتگان کے لئے جائزہ رپورٹ پیش کر رہا ہوں۔

سیاسی عدم استحکام اور مہنگائی کے دباؤ سمیت موجودہ معاشی اور ماحولیاتی غیر یقینی صورتحال نے ایل پی جی انڈسٹری اور خاص طور پر کمپنی کے لیے غیر معمولی مشکلات پیدا کی ہیں، اور دیگر OGDCL اس کے علاوہ پاکستان ریفاٹری لمیٹڈ (پی آر ایل)، آئل اینڈ گیس ڈویلپمنٹ کمپنی لمیٹڈ (پی آر ایل) کی پیداوار میں خاطر خواہ ست روی کا سامنا ہے۔ سالانہ کرنے سے کمپنی کو ایل پی جی کی سپلائی بری طرح MT 120 سے MT 120 کی جانب سے مختص رقم کو 650 (PARCO) ریفاٹریز بشمول پاک عرب ریفاٹری کمپنی متاثر ہوئی ہے۔ مینڈر جس میں کمپنی دیگر ایل پی جی مارکیٹنگ کمپنیوں کے ساتھ حصہ لیتی ہے۔

سال کے دوران متعدد چیلنجوں اور منفی معاشی حالات کا سامنا کرنا پڑا، جس کے نتیجے میں مقامی ایل پی جی کی دستیابی اور منافع کے مارجن میں کمی واقع ہوئی ہے۔ شدید مسابقت کی وجہ سے درآمدی مصنوعات پر مارجن بھی کم رہا۔ نتیجتاً آپ کی کمپنی کو ٹیکس کے بعد روپے کا نقصان اٹھانا پڑا۔ پچھلے سال کے دوران 26.84 ملین کے منافع کے مقابلے میں سال کے دوران 66.15 ملین روپے۔ خالص کاروبار 3,533.61 ملین روپے ریکارڈ کیا گیا، جو کہ 30 جون 2022 کو ختم ہونے والے پچھلے سال کے مقابلے میں 21.38 فیصد کم ہے۔ مجموعی مارجن بھی کم ہو کر 151.50 ملین روپے رہ گیا۔ ایل پی جی کی دستیابی میں مشکلات اور کم مارجن کی وجہ سے رواں سال کے دوران ملین روپے سے۔ 166.15

### کارکردگی کی تشریح

کوڈ آف کارپوریٹ گورننس (کوڈ) اور SECP کے رہنما اصولوں کے تحت ایک تشیخصی عمل کے تحت اندرونی طور پر بورڈ، بورڈ کے ممبران کے ساتھ ساتھ چیف ایگزیکٹو آفیسر (CEO) کی کارکردگی کی آن لائن سالانہ تشیخصی کی گئی۔ ایک انخود تشیخصی فارم بورڈ کے ہر ممبر کو ترسیل کیا گیا جس کے تحت سوالنامہ کو اپنی آراء سے پر کارنامہ ضروری تھا۔ نتائج کا تجزیہ کمپنی سیکریٹری نے کیا اور بورڈ کے اگلے اجلاس میں، جن شعبوں میں مزید بہتری کی ضرورت تھی ان کے ازالہ کی نیت سے پیش کیا گیا۔ میں مسرت کے ساتھ مطلع کرتا ہوں کہ سال بختمہ 30 جون 2023 میں کمپنی کے بورڈ اور CEO کی کارکردگی تسلی بخش رہی۔

### کاروباری شانداریت

کمپنی تسلسل کے ساتھ صحت، تحفظ، حفاظت اور ماحولیات (HSSE) معیارات سے متعلق اپنی شاندار کارکردگی جاری رکھے ہوئے ہے جس میں کوئی بھی وقت کسی کے زخمی ہونے یا جان لیوا نہیں رہا۔ انتظامیہ تسلسل کے ساتھ کاروباری افعال، مصنوعات اور خدمات میں ماحولیات پر پڑنے والے اثرات کو کم کرنے کے طریقوں کے لئے کوشاں ہے۔

ہمیں یقین ہے کہ کاروباری افق پر پائیدار ترقی صرف مجموعی طرز عمل میں کاروباری اصولوں اور بہترین طور طریقوں کی پاسداری، عملدرآمد اور بیرونی سے ممکن ہے۔ برشین نے مضبوطی کے ساتھ ان اصولوں کو اپنے تمام کاروباری پہلوؤں میں ضابطہ مصروفیت اور معیاری ضابطہ کار (SOPs) کے ذریعے ڈھالا ہے اور تسلسل کے ساتھ تمام متعلقین کو ان اصولوں پر عمل کی تلقین کے لئے کوشاں رہے گی۔

کاروباری نمو کے تناظر میں انتظامیہ مکمل طور پر حائل چیلنجز اور مستقبلدان کے لئے اپنی ذمہ داریوں سے آگاہ ہے۔ یہ حصص یافتگان کی کاروبار میں قدر میں اضافہ کے لئے طویل مدتی ادارتی منصوبوں کی ترویج کے لئے کوشاں ہے۔ کمپنی مارکیٹ میں اپنا حصہ بڑھانے اور لگائے گئے سرمائے سے منفعت میں اضافے کے لئے تمام ممکنہ آہستہ اختیار کر رہی ہے۔ لہذا انتظامیہ پر اعتماد ہے کہ مستقبل میں مستحکم کارکردگی دکھانے کے قابل ہوگی اور کمپنی کو ایک منافع بخش کاروبار میں تبدیل کر دے گی۔ اس بات کو نوٹ کرنا بھی ضروری ہے کہ کمپنی نے ہر قسم کے نظم و ضبط اور ساکھ سے ملحقہ خطرات کے مناسب ازالہ کے لئے ایک متحرک حکمت عملی اختیار کی ہے۔ اس سلسلے میں بینک کے واجبات کے معاملات جن کا تعلق طویل مدتی قرضوں سے تھا انہیں باہمی طور پر NBP کے ساتھ حل کر لیا ہے۔ اسی طرح FBR کے ساتھ ملحقہ معاملات جنہیں گزشتہ سال پریس میں اجاگر کیا گیا تھا، ان پر FBR کے ساتھ براہ راست رابطہ ہے اور تسلی بخش انداز میں انہیں حل کیا جا رہا ہے۔ کمپنی کو توقع ہے کہ مستقبل قریب میں سازگار نتائج آئیں گے۔

### چیرمین کا کردار

چیرمین کی حیثیت سے میں درج یقینی بنانے کا ذمہ دار ہوں کہ:

- ☆ بورڈ کو تمام کاروباری پہلوؤں پر مکمل بحث اور ایک معنی خیز نگرانی کے لئے مناسب، بالکل درست، جامع اور با اعتماد معلومات بروقت انداز میں موصول ہوں۔
- ☆ بورڈ کو تمام اہم معاملات میں درست آگاہی ملے
- ☆ بورڈ کو تمام بنیادی اہم معاملات پر بروقت انداز میں بحث کرے
- ☆ بورڈ کے کمروں میں ماحول سازگار ہے تاکہ تعمیری اور کھلا مباحثہ ہو سکے۔
- ☆ بورڈ حکمت عملیوں کی تشکیل اور پالیسیوں اور ان کے نفاذ میں تعمیری کردار ادا کرے۔

آخر میں کمپنی کی پائیدار نمو کو یقینی بنانے اور برشین کو سرفہرست پسندیدہ برائڈ بنانے پر میں تمام ملازمین، متعلقین، ڈسٹری بیوٹرز اور گاہکوں کے مسلسل تعاون پر ان کا مشکور ہوں۔

# DIRECTOR'S REPORT

The Directors of your Company are hereby presenting the financial information of the Company for the year ended June 30, 2023.

## Financial Performance

During the year under review, the sales volume of the Company at 30,960 MTs, decreased by 1,376 MTs (4.25%) compared to the corresponding period of the previous year and net sales of the Company at Rs. 4,494.63 million increased by Rs. 1,903.33 million (73%) due to due to rising international crude oil prices and excess of LPG in the market compared to demand. The gross margins of the Company at Rs. 166.15 million (3.70% of sales value) was also increased by 156.67 million from last year comparative period due to increase in price and margins.

During the year, the Company has paid rent to Pakistan Refinery Limited (PRL) for the period from 2017 to 2020 amounting to Rs. 24 million. The amount has been expensed out during the current year. Other income for the year at Rs. 67.12 million was 78.19% higher than the last year because the Company has accepted a revised proposal of restructuring of loan form National Bank of Pakistan which resulted a gain on loan restructuring amounting to Rs. 37.76 million.

Administrative expenses decreased by Rs. 8.82 million (7.07%) compared to comparative period of previous year, mainly due to decrease in Litigation expenses pertaining to complaint lodged by Investigation and Intelligence (Inland Revenue) (I&I IR); however, distribution & marketing expenses have increased by Rs. 2.93 million mainly due to increase in freight charges.

Profit before tax of the Company at Rs. 26.65 million, is increased by Rs. 190.77 million from last year comparative period, mainly due to increase in gross margins compared to last year.

The Company's profit per share for the year under review is at Rs. 1.19 compared to loss per share of Rs. 5.33 per share in the preceding year.

## Material Changes and Commitments

On January 06, 2022, the Company received a revised proposal for the restructuring of loan from NBP which has since been accepted and duly executed via offer letter No. NBP/ARG/ARW(S)/BLPL/2022/08. As per the aforementioned letter, the long-term loan and accrued mark-up on long-term loan are termed as Demand Finance-I and Demand Finance-II. The remaining outstanding loan of Rs 154 million has been restructured to running finance facility. In respect of Demand Finance - I, the Company has made a principal down payment of Rs. 25.44 million and the balance of Rs. 75 million to be re-paid in 20 quarterly installments starting from September 30, 2022 with a grace period of 1 year from the date of the drawdown. The facility carries mark-up at the rate of 3 months KIBOR + 2%, which will also be payable during the grace period. In respect of Demand

Finance - II, the Company has made a principal down payment of Rs. 10.59 million and the balance of Rs. 95.29 million to be re-paid in 20 quarterly installments starting from September 30, 2022.

A complaint was filed by the Directorate of Investigation and Intelligence (Inland Revenue) (I & I - IR) on August 31, 2020, against the Company for alleged Tax evasion of approximately PKR 1.7 billion, with Special Court for Customs, Taxation and (Anti-Smuggling). Based on this complaint the court passed 2 orders against the Company and some of its directors. The orders were pertaining to freezing of Company's 9 bank accounts for 90 days and issuance of Non Bailable Arrest Warrants

of its certain Directors. The Company immediately obtained Protective Bail from the High Court and subsequently from the Special Court which was later confirmed.

The Company also filed a Constitutional Petition with High Court against the order of the Special Court for freezing of 9 bank accounts. All banks have removed the freeze on Company's accounts on expiry of 90 days.

Another Constitutional Petition challenging the Complaint filed by I & I - IR with the special Court under the Anti Money Laundering Act 2010, has also been filed with High Court. The Company has lost the case and directed to defend the case in the court of Special Judge (Custom, Taxation and Anti-Smuggling) Karachi.

The Company had received notices under section 177(1) of Income Tax Ordinance, 2001 regarding audit for tax years 2018 and 2019. The Company has replied and submitted relevant details and documents timely through various letters to FBR. The Company has received further notices for same tax years on August 16, 2022, in which the additions made by the Deputy Commissioner Inland Revenue in the assessments made under section 122 through order dated June 14, 2022 has not been accepted by the learned Commissioner Inland Revenue (Appeals-II), Karachi who has been pleased to remand the matter back for both the years, as such no demand subsists for tax year 2018 and 2019.

### کاروباری اخلاقیات

ہمیں یقین ہے کہ پائیدار ترقی صرف اس وقت ممکن ہے کہ جب ہم کاروباری اصولوں کی پاسداری کریں۔ برٹین نے مضبوطی سے انہیں کمپنی کے تمام افعال میں اختیار کیا ہے اور ہم تسلسل کے ساتھ اپنے مستفیدان کے مابین ان اصولوں کی تاکید کرتے ہیں۔

ہم نے ایک مرتبہ پھر صحت، تحفظ، حفاظت اور ماحولیات (HSSE) میں شاندار کارکردگی دکھائی ہے جس میں کوئی بھی وقت بھی زخمی یا جان لیوا واقعہ میں نہیں گزرا۔ انتظامیہ نہ صرف از خود HSSE معیارات میں بہتری کے لئے کوشاں ہیں بلکہ صنعت میں بہتر طریق رائج کرنے میں قائدانہ حیثیت رکھتی ہے۔

کاروباری نمو کے تناظر میں کمپنی نے دو بار PRL کے ساتھ LPG کی فراہمی کا معاہدہ کیا ہے۔ اس معاہدہ کے تحت 10 PRL میٹرک ٹن یومیہ تک LPG کا حجم فراہم کرے گی جس کا انحصار ان کی پیداوار پر ہوگا۔

ہم آپ کو یقین دلاتے ہیں کہ کمپنی کی انتظامیہ مستفیدان کے لئے اپنی ذمہ داریوں سے آگاہ ہے اور کاروباری قدر بڑھانے کے لئے طویل مدتی ادارتی منصوبوں کی ترویج کے لئے پرعزم ہے۔ ہم مارکیٹ میں اپنا حصہ بڑھانے اور کاروبار میں لگائے گئے سرمائے سے مناسب منافع کمانے کے تمام آپشنز پر غور کر رہے ہیں، لہذا ہم پر اعتماد ہیں کہ آنے والے سالوں میں ہماری کارکردگی مزید مستحکم ہوگی۔

### ادارتی نظم و ضبط کے بہترین طور طریقوں کی پاسداری

ادارتی نظم و ضبط کے بہترین طور طریقوں پر کمپنی کی پاسداری کی کارکردگی ”کارپوریٹ گورننس سیکشن“ کے صفحہ نمبر 33 پر دی گئی ہے۔ اس کے علاوہ ”سٹیڈ کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز 2019 کی پاسداری کے بیان“ کے ساتھ آڈیٹرز کی جائزہ رپورٹ برائے ممبران بالترتیب صفحہ نمبر 47 اور 50 موجود ہے۔

### ڈائریکٹران کے معاوضے کی پالیسی

ڈائریکٹران کی فیس کی ادائیگی بورڈ کی منظوری سے کی جاتی ہے اور کمپنی نے کمپنیز ایکٹ 2017 کے تحت اس سلسلے میں باضابطہ پالیسی منظور کی ہے۔ نان ایگزیکٹو اور آزاد ڈائریکٹران کی کمپنی کے بورڈ اور اس کے اجلاس میں حاضری کی فیس کا تعین بورڈ وقتاً فوقتاً کرتا ہے۔

### بورڈ کی تشکیل بندی

ڈائریکٹران کی کل تعداد نو (9) ہے اور ان کی تشکیل بندی درج ذیل ہے:

7	مرد
2	خواتین

# ڈائریکٹرز رپورٹ

آپ کی کمپنی کے ڈائریکٹران کمپنی کے آڈٹ شدہ مالیاتی گوشوارے برائے ختمہ مدت 30 جون 2023 کے ساتھ سالانہ رپورٹ پیش کر رہے ہیں۔

## مالیاتی کارکردگی

زیر جائزہ سال کے دوران، کمپنی کی فروخت کا حجم MTs 19,664 پر ہوا، جو گزشتہ سال کی اسی مدت کے مقابلے میں 11,296 (36.49%) MTs کی کمی واقع ہوئی جس کی وجہ مقامی لیبل پی جی کوٹ میں کمی اور لیبل پی جی کی درآمد کی زیادہ قیمتیں ہیں۔ سال کے دوران فروخت کے حجم میں کمی کی وجہ سے کمپنی 3,533.61 ملین روپے پر 961.02 ملین روپے (21.38%) کی کمی واقع ہوئی۔ کاروبار میں کمی کی وجہ سے گزشتہ سال کی تقابلی مدت سے۔

انتظامی اخراجات میں روپے کا تھوڑا سا اضافہ ہوا۔ پچھلے سال کی تقابلی مدت کے مقابلے میں 0.11 ملین، تاہم، تقسیم اور مارکیٹنگ کے اخراجات میں روپے کی کمی واقع ہوئی ہے۔ 3.10 ملین بنیادی طور پر کم مہمان نوازی کے چارجز کی وجہ سے KIBOR کی بلند شرحوں کی وجہ سے مالی اخراجات میں 43.15 ملین کا اضافہ ہوا ہے۔

کمپنی کا ٹیکس سے پہلے کا نقصان روپے 64.15 ملین روپے ٹیکس سے پہلے منافع کے مقابلے میں پچھلے سال کی اسی مدت کے مقابلے میں 26.65 ملین، بنیادی طور پر مجموعی مارجن میں کمی اور گزشتہ سال کے مقابلے مالیاتی اخراجات میں اضافہ۔

زیر جائزہ سال کے لیے کمپنی کا فی حصص خسارہ 2.94 روپے ہے۔ جو کہ روپے فی حصص منافع کے مقابلے میں پچھلے سال میں 1.19 فی شیئر۔

## اہم تبدیلیاں اور وعدے

سال کے اختتام کے بعد 22 ستمبر 2021 کو کمپنی کی طویل مدتی قرضہ کی ری پروفائلنگ کے لئے NBP سے خط نمبر BP/ARG/ARW(S)/BLPL/September 20, 2021/770 کے ذریعے ایک تجویز موصول ہوئی جسے باضابطہ طور پر بورڈ آف ڈائریکٹرز نے منظور کیا۔ مذکورہ بالا خط کے تحت کمپنی پیشگی 36 ملین روپے ادا کرے گی جس میں 10 فیصد بنیادی اور ادا طلب مارک اپ اور طویل مدتی قرضہ اور ادا طلب مارک اپ شامل ہوگا۔ طویل مدتی قرضہ کی بقایا رقم 154 ملین روپے کو قلیل مدتی رواں سرمایہ جاتی قرضہ میں تبدیل کر دیا جائے گا جس کا مارک اپ 3 ماہ، Kibor + 1.75 فیصد سالانہ ہے۔ طویل مدتی قرضے کی بقایا رقم 75 ملین روپے اگلے چھ سالوں میں ادا کی جائے گی جس میں 12 ماہ کی رعایتی مدت بھی شامل ہوگی جسے 20 قسطوں میں 3 ماہ، Kibor + 2 فیصد سالانہ مارک اپ پر ادا کرنا ہوگا اور 95 ملین روپے کی بقایا رقم کو طویل مدتی قرضہ میں تبدیل کر دیا جائے گا جو کہ چھ سال میں قابل واپسی ہوگا جس میں رعایتی مدت 12 ماہ ہوگی جو کہ سہ ماہی بنیاد پر ہوگا جس میں سود 0 فیصد ہوگا۔

ایک شکایت ڈائریکٹوریٹ آف انویسٹی گیشن اینڈ انٹیلی جنس (انڈین ریونیو) (IR - I&I) نے 31 اگست 2020 کو کمپنی کے خلاف تقریباً 1.7 بلین روپے کی مبینہ ٹیکس چوری کی شکایت اپیل کورٹ آف کسٹمز ٹیکسیشن اینڈ انٹیلی جنس اسٹیمپنگ میں دائر کی۔ شکایت کی بنیاد پر عدالت نے کمپنی اور اس کے کچھ ڈائریکٹران کے خلاف دو احکامات جاری کئے۔ احکامات کا تعلق کمپنی کے 9 بینک اکاؤنٹ کو 90 دن کے لئے انجماد اور مخصوص ڈائریکٹران کے خلاف ناقابل ضمانت گرفتاری کے پروانوں کا اجراء تھا۔ کمپنی نے فوری طور پر ہائی کورٹ سے حفاظتی ضمانتیں حاصل کیں اور بعد ازاں ان کی تصدیق خصوصی عدالت سے کروالی۔ کمپنی نے ہائی کورٹ میں 9 بینک اکاؤنٹ کے انجماد کے خلاف ایک آئینی پٹیشن بھی دائر کر دی۔ 90 دن ختم ہونے پر تمام بینکوں نے کمپنی کے اکاؤنٹ کے انجماد کو ختم کر دیا۔

ایک اور آئینی پٹیشن اینٹی منی لائڈرنگ ایکٹ 2010 کے تحت IR - I کی دائر کردہ شکایت کے خلاف ہائی کورٹ میں داخل کی گئی۔ ہائی کورٹ نے اپنے پہلے عبوری حکم میں تمام جواب دہندگان بشمول I&IDGFB، ڈائریکٹرز، شکایت کرنے والے ڈپٹی ڈائریکٹرز اور اپیل کورٹ کو کمپنی اور اس کے ڈائریکٹران کے خلاف کوئی مزید ناموافق کارروائی کرنے سے روک دیا۔

کمپنی کو یقین ہے کہ IR & I کی دائر کردہ درخواست کی بنیاد کچھ ذاتی رنجش ہے اور شکایت میں کوئی وزن نہیں ہے۔ تمام مقدمات متعلقہ عدالتوں میں چل رہے ہیں اور کمپنی پر اعتماد ہے کہ ان تمام مقدمات کے فیصلے کمپنی کے حق میں آئیں گے۔

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF BURSHANE LPG (PAKISTAN) LIMITED ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Burshane LPG (Pakistan) Limited** for the year ended June 30, 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2023.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BURSHANE LPG (PAKISTAN) LIMITED

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the annexed unconsolidated financial statements of **Burshane LPG (Pakistan) Limited** (the Company), which comprise the unconsolidated statement of financial position as at June 30, 2023, and the unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, the unconsolidated statement of cash flows, the unconsolidated statement of changes in equity for the year then ended, and notes to the unconsolidated financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, the unconsolidated statement of cash flows, the unconsolidated statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the loss and other comprehensive income, its cash flows and the changes in equity for the year then ended.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

Without modifying our opinion, we draw attention to the following:

1. Note 32.1.2 to the unconsolidated financial statements which provide details regarding transactions with the Roots International Brands Private Limited (RIBS) and investigation order passed by Securities and Exchange Commission of Pakistan.
2. Note 32.1.6 to the unconsolidated financial statements which provide details regarding complaint filed by Directorate of Intelligence and Investigation, Inland Revenue, Karachi with the Court of Special Judge (Customs, Taxation and Anti-Smuggling), Karachi, (Trial Court) against the Company and its Directors alleging tax evasion. During the year end, FBR has remanded back matters for tax years 2018 and 2019 as no such demand subsists for both years. Note 32.1.6 provides details regarding the matter which is sub-judice.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the unconsolidated financial statements of the current period. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No	Key audit matters	How the matter was addressed in our audit
1.	<p><b>Contingencies</b></p> <p>As disclosed in note 32 of the unconsolidated financial statements, the Company has contingencies and litigations in respect of legal, sales tax and income tax matters, which are pending adjudication with respective authorities at various legal forums available.</p> <p>Contingencies require management to make judgments and estimates in relation to the interpretation of relevant laws, rules and regulations, probability of outcome and financial impact, if any, for recognition, measurement and disclosure of any related provision or any other element of unconsolidated financial statements.</p> <p>Due to significance of amounts involved, inherent uncertainties with respect to the outcome of such matters and use of significant management judgments and estimates to assess the same including any related financial impacts, we considered contingencies and litigations in respect of legal, sales tax and income tax matters, a key audit matter.</p>	<p>We have undertaken a number of procedures to verify the contingencies and their consequential impact on the unconsolidated financial statements. This included, among others:</p> <ul style="list-style-type: none"> <li>• We obtained and reviewed the details of pending legal, sales tax and income tax matters and discussed the same with the management;</li> <li>• We checked orders by relevant authority on previous lawsuits / cases appearing in the unconsolidated financial statements;</li> <li>• We followed the progress of each case and the Company's estimate of the cost to be incurred;</li> <li>• We obtained confirmations from legal advisors for current status on pending previous cases and any new case filed during the year;</li> <li>• Obtained legal advice on the above cases with the legal advisors to ensure that the outflow is possible and not probable;</li> <li>• We reviewed the key elements of the methodology employed by management in challenging reasonableness of the cost estimates; and</li> <li>• We also assessed the adequacy of the disclosures made in respect of contingencies in accordance with the financial reporting standards.</li> </ul>

S. No	Key audit matters	How the matter was addressed in our audit
2.	<p><b>Revenue</b></p> <p>The Company's total revenue is amounting to Rs. 3,533.606 million, which is predominantly generated from sales of liquefied petroleum gas (LPG) and low-pressure regulators (LPR) revenue which reflect an decrease of 21.38% from the previous year, representing a significant element of the financial statements as disclosed in note 33.</p> <p>Revenue is generated from trading and storing of Liquefied Petroleum Gas (LPG) throughout Pakistan and trading of Low Pressure Regulators (LPR). Revenue from contracts with customers is recognized when control of goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.</p> <p>As such, revenue recognition is not an area of significant risk for our audit but does require significant time and resource to audit due to its magnitude.</p> <p>The risk of material misstatement was considered significant due to high control risk on completeness and accuracy of revenue and high inherent risk of fraud on recognition of revenue.</p> <p>In view of the significance of revenue and high assessed risk of material misstatement revenue is considered as key audit matter.</p>	<p>We performed a range of audit procedures in relation to revenue including the following:</p> <ul style="list-style-type: none"> <li>• We considered the appropriateness of the Company's revenue recognition accounting policies;</li> <li>• We obtained understanding of the revenue related processes;</li> <li>• We perform test of details on revenue recognized during the year, on a sample basis, including review of order receipt, invoicing and delivery;</li> <li>• We performed cut-off procedures on transactions occurring either immediately before or after the year end to assess the recording of revenue in correct accounting period; and</li> <li>• We also assessed the adequacy of the disclosures made in respect of revenue in accordance with the financial reporting standards.</li> </ul>
3.	<p><b>Impairment of goodwill</b></p> <p>The goodwill arose upon the amalgamation with Holding company as disclosed in note 9.2.1.</p> <p>The Company's assessment of impairment of goodwill is a judgmental process which requires estimates concerning the forecast future cash flows associated with the goodwill held, the discount rates and the growth rate of revenue and costs to be applied in determining the value in use.</p>	<p>Our work involved the following:</p> <ul style="list-style-type: none"> <li>• We have assessed the design and implementation of the Company's controls relating to Management's impairment review of goodwill.</li> </ul>

S. No	Key audit matters	How the matter was addressed in our audit
	<p>At the year end, the Company, for the purpose of impairment testing on goodwill, has calculated recoverable amount (value-in-use) of Cash Generating Unit amounting to Rs. 786.68 million. The carrying amount of net assets (including goodwill) as of the valuation date is Rs. 543.722 million. As a result, value-in-use exceeds the carrying amount of net assets (including goodwill) hence, no impairment in goodwill has been identified as a result of this review.</p> <p>In view of the estimates and judgements used by the management for the calculation of impairment of goodwill, it is therefore considered as key audit matter.</p> <p>The Company's assessment of impairment of goodwill is a judgmental process which requires estimates concerning the forecast future cash flows associated with the goodwill held, the discount rates and the growth rate of revenue and costs to be applied in determining the value in use.</p> <p>There was no impairment in the current year.</p>	<ul style="list-style-type: none"> <li>• We have tested the accuracy of the underlying model to assess whether the processes are applied to the correct input data and the outputs are mapped accurately.</li> <li>• We challenged each of the key assumptions employed in the annual goodwill impairment test. This included reference to our internal valuation specialists' benchmarking of the weighted average cost of capital rate ('WACC') employed as the discount rate employed, including its methodology and constituent inputs and an assessment of the Company's historic forecasting accuracy.</li> <li>• We have tested management's sensitivity analysis in relation to the key inputs to the goodwill impairment test model, as well as performing our own sensitivity analysis which included changes to volume, margin, incentives and the discount rate applied.</li> <li>• We have reviewed the appropriateness of the disclosures provided in accordance with IAS 36 'Impairment of Assets'.</li> </ul>

#### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the unconsolidated financial statements and our auditor's report thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these **unconsolidated** financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the **unconsolidated** financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the unconsolidated statement of financial position, the unconsolidated statement of profit or loss, the unconsolidated statement of comprehensive income, the unconsolidated statement of cash flows and the unconsolidated statement of changes in equity together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Zulfikar Ali Causer.

## 5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these unconsolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless stated otherwise.

### 5.1 Property, plant and equipment

#### 5.1.1 Owned

These are stated at cost less accumulated depreciation and accumulated impairment losses if any, except for freehold land and leasehold land, which are stated at revalued amount.

Depreciation is charged to profit or loss using straight-line method whereby the cost of an asset is allocated over its estimated useful life at the rates given in note 8.1. Depreciation on additions is charged from the month in which the asset is available for use, while no depreciation is charged in the month in which the asset is disposed off. The residual values, useful lives and depreciation method are reviewed and adjusted, if appropriate, at each reporting date.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replace part is derecognised. Maintenance and normal repairs are charged to profit or loss as and when incurred.

The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognised as an income or expense in the profit or loss in the period of disposal.

A revaluation surplus is recorded in other comprehensive income (OCI) and credited to the asset revaluation surplus in equity. However, the increase is recorded in the profit or loss to the extent it reverses a revaluation deficit of the same asset previously. A decrease as a result of revaluation is recognised in the profit or loss however, a decrease is recorded in other comprehensive income to the extent of any credit balance entry in revaluation surplus in respect of same asset.

## 5.1.2 Right of use assets

The right-of-use asset is initially measured at the amount of lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is subsequently depreciated using straight line method from the date of commencement date to the earlier of the end of useful life of the right of use asset or the end of the lease term. The estimated useful lives of the right of use assets are determined on the same basis as those of property, plant and equipment. In addition, the right of use asset is periodically reduced by the impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

## 5.1.3 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It consists of expenditure incurred in respect of tangible assets in the course of their construction and installation, including financial charges on borrowings, if any, for financing the project until such projects are completed or become operational. Transfers are made to relevant asset category as and when assets are available for use.

## 5.2 Intangible assets

An intangible asset is recognised if it is probable that the future economic benefits attributable to the asset will flow to the Company and that the cost of such asset can also be measured reliably.

Intangible assets, where applicable, are amortised from the month when such assets are available for use on straight line method whereby the cost of an intangible asset is allocated over its estimated useful life, at the rates given in note 9.

The useful lives of intangible assets are reviewed at each reporting date to determine whether events and circumstances continue to support an indefinite useful life assessment for the asset.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## a) Software

Costs that are directly associated with identifiable computer software and have probable economic benefits exceeding one year, are recognised as an intangible asset. Costs include the purchase cost of software, implementation cost and related overhead cost. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and any accumulated impairment losses thereon.

Expenditure which enhances or extends the performance of computer software beyond its original specification and useful life is recognised as a capital improvement and added to the original cost of the software.

## b) Goodwill

This represents excess of cost of acquisition over fair value of the identifiable assets and liabilities of the Company at the time of amalgamation by HTPL.

Goodwill on acquisition is not amortised but tested annually for impairment and carried at cost less accumulated impairment losses, if any.

## c) Trademarks

This represents separately acquired trade marks with indefinite useful life. These are stated at cost less accumulated impairment losses, if any. Carrying amounts of trademarks are subject to impairment review at each reporting date.

## 5.3 Investment in a subsidiary company

Investment in subsidiary is initially recognised and subsequently stated at cost. At subsequent reporting dates, the recoverable amounts are estimated to determine the extent of impairment losses, if any, and carrying amounts of the investment is adjusted accordingly.

The gain or loss on disposal of an interest in subsidiary, represented by the difference between the sale proceeds and the carrying amount of investment, is recognised as an income or expense in profit or loss in the period of disposal.

## 5.4 Stores and spares

Stores and spares to be consumed in the ordinary course of business are valued at First in First Out (FIFO) basis and net realizable value (NRV) except for those in transit, if any, which are stated at cost. Cost comprises of invoice value plus other direct costs incurred thereon. Provision is made for slow moving and obsolete items wherever necessary and is recognised in profit or loss.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 5.5 Stock-in-trade

Stock-in-trade is valued at the lower of cost and net realisable value (NRV). Cost is determined using the weighted average method for both Liquefied Petroleum Gas (LPG) and Low Pressure Regulators (LPR). Items in transit are valued at cost comprising invoice value plus other charges incurred thereon.

Net realizable value represents the estimated selling price in the ordinary course of business less estimated cost necessary to be incurred to make the sale.

## 5.6 Trade debts and other receivables

Trade debts and other receivables are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method less provision for impairment, if any. A provision for impairment is established under expected credit loss approach. Trade debts and other receivables are written-off when considered irrecoverable.

## 5.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, cash with banks on current, collection, deposit and saving accounts and short-term running finance. Running finances under mark-up arrangements are shown with short term borrowings in current liabilities on the statement of financial position.

## 5.8 Retirement and other service benefits

### 5.8.1 Defined benefit plan

The Company operates:

- an approved defined benefit gratuity scheme for all permanent employees and non management employees. The scheme provides for a graduated scale of benefits dependent on the length of service of the employee on terminal date, subject to the completion of minimum qualifying period of service. Gratuity is based on employee's last drawn salary; and
- an approved defined benefit pension scheme for management staff. The scheme provides pension based on the employees' last drawn salary subject to the completion of minimum qualifying period of service. Pensions are payable for life and thereafter to surviving spouses and / or dependent children.

Both the above schemes are funded and contributions to them are made monthly on the basis of actuarial valuation and in line with the provisions of the Income Tax Ordinance, 2001. The gratuity and pension funds are governed under the Trust Act, 1882, Trust Deed and Rules of Fund, repealed Companies Ordinance, 1984, the Income Tax Ordinance, 2001 and the Income Tax Rules, 2002. Responsibility for governance of plan, including investment decisions and contribution schedule lies with the Board of Trustees of the Funds. Further, monthly contributions are made by employees in the defined benefit pension fund at the rate of 1.4% and 1.72% according to their job grades. Actuarial valuations of these schemes are carried out at an appropriate regular intervals.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The Company has terminated the gratuity fund on June 30, 2022 and pension fund on August 31, 2022. Gratuity and pension is paid to staff according to the actuarial recommendation.

## 5.8.2 Defined contribution plan

The Company operates a recognised contributory provident fund for all permanent employees. Equal monthly contributions are made, both by the Company and the employees at the rate of 4.25% and 10% per annum of the basic salary for management and non-management employees, respectively.

## 5.9 Lease liabilities

The lease liability is initially measured at the present value of the future lease payments over the lease term, discounted using the specific incremental borrowing rate. Subsequently lease liabilities are measured at amortized cost using the effective interest rate method.

It is remeasured when there is a change in future lease payments arising from a change in the rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

## 5.10 Loans and borrowings

Loans and borrowings are initially recognised at fair value, net of transaction costs incurred. Loan and borrowings are subsequently stated at amortised cost using the effective interest rate method.

Loans and borrowings are classified as current liabilities, unless the Company has an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

## 5.11 Trade and other payables

These are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method. Exchange gains and losses arising in respect of liabilities in foreign currency are added to the carrying amount of the respective liability.

## 5.12 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## 5.13 Taxation

### 5.13.1 Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits and rebates available, if any, or Minimum Tax on Turnover or Alternate Corporate Tax, whichever is higher in accordance with the provisions of Income Tax Ordinance, 2001.

### 5.13.2 Deferred

Deferred tax is recognized using the liability method, on all temporary differences arising at the reporting date between the tax base of asset and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax asset are recognized for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the asset may be utilised. Deferred tax asset are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

## 5.14 Foreign currencies

Transactions in foreign currencies are translated into functional currency (Pakistani Rupees) using exchange rates approximating those ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the rates of exchange prevailing at the reporting date. Exchange gains and losses resulting from the settlement of foreign currency transactions and translation of monetary assets and liabilities at the rates prevailing at the reporting date are included in profit or loss. Non-monetary items that are measured in terms of a historical cost in foreign currency are not re-translated.

## 5.15 Borrowing costs

Borrowing costs are recognised as an expense in the period in which these are incurred except where such costs are directly attributable to the acquisition, construction or production of a qualifying asset, in which case such costs are capitalised as part of the cost of that asset.

## 5.16 Dividend and appropriation to reserves

Dividend and appropriation to reserves are recognised in the financial statements in the period in which these are approved.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## 5.17 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

## 5.18 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### i) Financial assets

#### Initial recognition and measurement

On initial recognition, a financial asset is classified as measured at: amortised cost; fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL).

The classification of financial assets is based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVTOCI if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVTOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVTOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

A financial asset (unless it is a trade receivable without a significant financing component that is initially measured at the transaction price, determined under IFRS 15) is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

## Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at FVTPL - The Company has not designated any financial asset as fair value through profit or loss;
- Financial assets at amortised cost - The Company subsequently measures financial assets at amortised cost using effective interest rate (EIR) method and are subject to impairment. Gains and losses are recognised in the profit or loss when the asset is derecognised, modified or impaired;
- Debt instruments at FVTOCI - The Company has not designated any financial asset at fair value through OCI with or without recycling of cumulative gains and losses; and upon recognition.

## Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e., removed from the Company's unconsolidated statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of its continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## Impairment / expected credit losses on financial assets

The Company recognises an allowance for expected credit losses ("ECL") for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The Company considers a financial asset in default when contractual payments are 180 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Company uses the IFRS 9's simplified approach and calculates ECL based on life-time ECL on its trade debt and contract assets, where as for other financial assets loss allowance is measured at 12 months ECL under general approach of measuring ECL. For trade debts, the Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to such financial assets and the economic environment.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECL is a significant estimate. The amount of ECL is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in future. The expected credit losses are recognised in the profit or loss.

## ii) Financial liabilities

Financial liabilities are generally classified at initial recognition, as financial liabilities at amortized cost.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company financial liabilities include long-term loan, accrued mark-up on long-term loan, Lease Liability, cylinder and regulator deposits, trade and other payables and loan from subsidiary company.

## Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the profit or loss. This category generally applies to interest-bearing loans and borrowings and trade and other payables.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the profit or loss.

## iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## 5.19 Revenue from contracts with customers

The Company is in the business of storing, marketing and trading of Liquefied Petroleum Gas (LPG) throughout Pakistan and trading of Low Pressure Regulators (LPR). Revenue from contracts with customers is recognised when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

### Sale of LPG and LPR

The performance obligation is satisfied upon delivery of LPG and LPR at LPG pump stations. Payment is generally due at the time of delivery. The revenue from sale of these products is recognised at the point in time when control of the asset is transferred to the customer i.e. on delivery of products.

The Company recognises an account receivable when the performance obligations have been met, recognising the corresponding revenue. Moreover, the consideration received before satisfying the performance obligations are recognised as advances from customer.

### Others

- Return on saving account is recorded using effective interest rate method.
- Other revenues including recovery of storage and handling charges and rental income from storage tank are accounted for on accrual basis.
- Income from dividend, if any, is recognised when right to receive dividend is established.

## 6 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENT

The preparation of financial statements in conformity with approved accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. In the process of applying the Company's accounting policies, management has made the following estimates and judgments which are significant to these unconsolidated financial statements:

### 6.1 Property, plant and equipment

The Company reviews appropriateness of the rates of depreciation, useful lives and residual values used in the calculation of depreciation. Further, where applicable, an estimate of recoverable amount of assets is made for possible impairment on an annual basis.

### 6.2 Intangible assets

The Company reviews appropriateness of the rate of amortisation and useful life used in the calculation for amortisation. Further, where applicable, an estimate of recoverable amount of assets is made for possible impairment on an annual basis.

### 6.3 Taxation

In making the estimates for current income taxes payable by the Company, the management considers the applicable laws and the decisions / judgements of appellate authorities on certain issues in the past. Accordingly, the recognition of deferred tax is also made, taking into account these judgements and the best estimates of future results of operations of the Company.

### 6.4 Provision for retirement and other service benefits

The present value of these obligations depends on a number of factors that are determined on actuarial basis using a number of assumptions. Any changes in these assumptions will impact the carrying amount of these obligation. The present values of these obligations and the underlying assumptions are disclosed in note 44.

### 6.5 AMALGAMATION WITH HOLDING COMPANY

Effective February 20, 2015, the Company went through a scheme of amalgamation (the scheme) with its holding company consequent to the approval of the Scheme by the High Court of Sindh.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

According to the Scheme, 0.31 ordinary shares of the Company, with a face value of Rs. 10 each, were offered to the shareholders of HTPL for every one share held of HTPL, with a face value of Rs. 10 each. As per the Scheme, the Company is required to allot new shares to the shareholders of HTPL. Upon allotment of new shares, old shares of the Company, held by HTPL, shall stand cancelled and simultaneously HTPL shall stand dissolved without being wound up. Further, the cancellation of old shares and issuance of new shares, as per the swap ratio, will result in reduction of 151,154 shares of the Company. The Company is in the process of completing the legal formalities for issuance of new share certificates (refer note 20).

As a result of the Scheme, the assets and liabilities of HTPL were amalgamated with the assets and liabilities of the Company based on the fair values as of February 19, 2015. The summary of assets and liabilities of HTPL amalgamated as above, is as under:

	<b>Fair value as of February 19, 2015 (Rupees in '000)</b>

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

9.1 At June 30, 2023, intangible assets having cost of Rs. 3.84 million (2022: Rs. 3.84 million) are fully amortised.

9.2 This represents excess of cost of acquisition over fair value of the identifiable assets and liabilities of the Company at the time of acquisition by HTPL (refer note 7).

## 9.2.1 Impairment review of goodwill and trademarks:

The carrying amount of goodwill has been allocated to Burshane LPG (Pakistan) Limited, which is the cash generating unit (CGU) and also the only operating and reportable segment for impairment review.

	2023	2022
	--- (Rupees in '000) ---	
Carrying amount of goodwill	<u>253,091</u>	<u>253,091</u>
Carrying amount of trademarks	<u>8,600</u>	<u>8,600</u>

The Company performed its annual impairment review in June 2023 and June 2022. The Company considers the relationship between its recoverable amount and its book value, among other factors, when reviewing for indicators of impairment. At June 30, 2023, the recoverable amount of the CGU was above the book value of its net assets, indicating no potential impairment of goodwill and impairment of the assets of the operating segment. The result of this impairment test depends to a large extent on Management's assessment of future cash inflows and the discount rate used, and is therefore subject to considerable uncertainty. The recoverable amount is the higher of the 'fair value less cost to sell' and the 'value-in-use'. The assumptions are assessed at each reporting date and adjusted when appropriate.

The Company uses a Discounted Cash Flow model (DCF) to determine the value in use. Cash flow projections for the first five years are based on budgeting and forecasting models endorsed by the Company's Management. After five years a terminal value calculation is applied. Within the DCF techniques the terminal value is determined by applying a perpetual growth rate to the perpetual free cash flows. With respect to the appropriateness of the future cash inflows used in the calculation management used budgets of five-year plan adopted by Management and approved by the Board of Directors, as well as by comparison with general and sector-specific market expectations.

The Company applied a discount rate of 22.25% to the forecasted free cash flow based on a WACC of the Company. The WACC is an average cost of capital consisting of two parts - cost of debt and cost of equity.

As the Company's capital consists of 33.22% debt and 66.78% equity. Calculating the cost of equity was done by applying the capital asset pricing model ("CAPM"). The assumptions applied in the CAPM included the following: a risk-free rate of 16% a beta of 0.67 for the Company and an equity risk premium of 21.18%. The risk-free rate was based on the yield of ten-year Pakistan Investment Bonds on the Date of Valuation as per the State Bank of Pakistan. Combining these assumptions yielded a cost of equity of 24.52%. The cost of debt net of tax is an average of 24.91%.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

The recoverable amount of CGU amounting to Rs. 617.55 million as at June 30, 2023 has been determined based on a value-in-use. The Value in Use of the Company indicated by the Discounted Cash Flow (DCF) method approximates to Rs. 787.66 million. The carrying value of net assets (including goodwill) as of the valuation date is Rs. 543.60 million. As the Value-in-use exceeds the carrying value of net assets (including goodwill), no impairment in goodwill has been identified as a result of this review.

The Company tested its trademark "Burshane" as at June 30, 2023 and June 30, 2022 for impairment. Value-in-use of Rs. 434.27 million as at June 30, 2023 of the trademarks has been calculated using Relief from Royalty Method. This method considers the royalties saved by owning the intellectual property rather than licensing it. It is commonly used in the valuation of similar assets and, from a valuation perspective, appears reasonable in this case.

## Key assumptions used in value in use calculations:

The calculation of value-in-use for both CGU and trademarks, is most sensitive to the following assumptions:

- Sales volume growth
- Discount rates
- Market share during the forecast period
- Royalty rate used for the forecast period
- Growth rate used to extrapolate cash flows beyond the forecast period

## Sales volume growth

Value in use is sensitive to sales volume growth. Sales volume growth has been assumed to increase in line with management's expectations of market share.

## Discount rates

Discount rates represent the current market assessment of the risks specific to each CGU, taking into consideration the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates.

The discount rate calculation is based on the specific circumstances of the Company and its operating segments and is derived from its weighted average cost of capital (WACC). The WACC takes into account both debt and equity. The cost of equity is derived from the expected return on investment by the Company's investors. The cost of debt is based on the interest-bearing borrowings the Company is obliged to service.

## Market share during the forecast period

When using industry data for growth rates (as described below), these assumptions are important because management assesses how the unit's position, relative to its competitors, might change over the forecast period. Management expects the Company's market share in the LPG industry to be stable over the forecast period.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## Royalty rate used for the forecast period

The cash flows have been estimated using a royalty rate of 1.5% and have been discounted at the WACC. The royalty rate is based on that used by similar businesses. Cash flows beyond the five-year period are extrapolated using a 3% growth rate. It was concluded that the carrying amount did not exceed the value-in-use. As a result of this analysis, no impairment has been identified by the Company against the trademark with a carrying amount of Rs. 8.60 million as at June 30, 2023.

The implications of the key assumptions for the recoverable amount are discussed below:

## Sales volume growth

Value in use is sensitive to price and cost per ton of local and imported LPG and cost pass-through. The value in use was tested at various sales volume growth levels. A decline of 3.88% or more in sales volume growth would result in impairment of the CGU.

## Discount rate assumptions

A rise in pre-tax discount rate by 5.23% would result in the impairment of the CGU.

## Market share during the forecast period assumptions

Management expects the company to maintain its market share based on the expected demand of the product and the ready supply base it has to service the demand.

## Royalty rate assumptions

The cash flows have been estimated using a royalty rate of 1.5%, and have been discounted at the WACC. The royalty rate is based on that used by similar businesses. Cash flows beyond the five-year period are extrapolated using a 3% growth rate in line with that used by the management. It was concluded that the carrying value did not exceed the value in use. As a result of this analysis, no impairment has been identified by the Company against trademark with a carrying amount of Rs. 8.60 million as at June 30, 2023.

## Growth rate assumptions

Cashflow beyond the forecast period have been extrapolated using 3% growth based on that used by the management and long term real GDP growth forecast.

- 9.3** During the year, the Company participated in a tender offer by Oil & Gas Development Company Limited (OGDCL) in respect of purchase of LPG from Kunnar Pasaki Deep - Tando Allahyar Gas Field District Hyderabad. On successful submission of the highest signature bonus bid of Rs. 50.15 million, the Company has been allotted one lot of LPG of five metric tons per day for five years from the Kunnar Pasaki Deep - Tando Allahyar.
- 9.4** This represents consideration paid to OPI Gas (Private) Limited in 2011 for acquisition of rights and title to "Burshane" trademarks. These trademarks are considered to have an indefinite useful life, and therefore have not been amortised. Further, no impairment has been identified in this regard (note 9.2).

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

**22.1** During 2015, long-term finance obtained, under conventional banking terms, by HTPL had been transferred to the Company at the time of amalgamation (the scheme). This loan was obtained as a demand finance facility under the agreement dated April 08, 2013 from NBP and was repayable in 9 semi-annual installments of Rs. 44.44 million latest by April 01, 2018 with a grace period of six months. The loan carried mark-up at rate of 6 months KIBOR plus 2.5% to 6% per annum. This loan was secured by way of mortgage on leasehold land and charge on the Company's present and future current and fixed assets as well as personal guarantee of Chief Executive of the Company. In previous years, the Company negotiated several offer letters from NBP.

On September 20, 2021, the Company received a proposal via offer letter No. NBP/ARG/ARW(S)/BLPL/2021/770 supplemented by offer letter for the restructuring / rehabilitation scheme No. NBP/ARG/ARW(S)/BLPL/2022/08 dated January 06, 2022 and addendum to offer letter for the restructuring / rehabilitation scheme dated June 03, 2022 for the restructuring of loan from NBP which has since been accepted on June 08, 2022 by the Company's management.

However, the competent authority of NBP approved the acceptance of this offer by the Company and executed restructuring of long-term loan amounting to Rs. 254.44 million and its related accrued mark-up amounting to Rs. 119.39 million into three different facilities with effect from June 09, 2022, as mentioned below:

In respect Demand Finance-I (DF-I) facility:

- The part of long-term loan amounted to Rs. 100.44 million restructured as DF-I.
- Upfront payment of Rs. 25.44 million to be made immediately.
- Remaining balance of Rs. 75 million to be re-paid in 20 quarterly installments starting from September 30, 2022 with a grace period of 1 year.
- The facility carries mark-up at the rate of 3 month KIBOR + 2%, which will also be payable during the grace period.

In respect Demand Finance-II (DF-II) facility:

- Frozen accrued mark-up amounted to Rs. 119.39 million on long-term loan restructured as DF-II.
- The Company to pay an amount of Rs. 113.82 million towards frozen mark-up.
- Upfront payment of Rs. 18.52 million (including accrued mark-up amounting to Rs. 7.90 million for the period from January 01, 2022 to June 09, 2022) to be made immediately.
- Remaining amount of Rs. 95.29 million to be re-paid in 20 quarterly installments starting from September 30, 2022.
- The facility carries no mark-up.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

In respect Running Finance facility:

- Another part of long term loan amounted to Rs. 154 million restructured as running finance.
- The facility carries mark-up of 3 month KIBOR + 1.75%.

The restructuring / rehabilitation scheme of Burshane LPG (Pakistan) Limited has resulted in a loan restructuring gain, on original long term loan and accrued mark-up thereon, of Rs. 37.76 million on effective date of loan restructuring i.e. June 09, 2022 as described below:

### 32.1 Contingencie

**32.1.1** Claims not acknowledged as debt by the Company as at June 30, 2023 amounted to Rs. 25.66 million (2022: Rs. 31.90 million).

**32.1.2** An inspection order dated August 04, 2020 under Section 221 of Companies Act, 2017 was issued by SECP against complaint received by the Commission wherein it was alleged that the CEO and Director Finance of the Company are involved in financial irregularities of the Companies Act, 2017, which include advance made to Roots International Brands Private Limited (RIBS), an associate company, and that the bank account was being used for illegal activities by CEO and Company's Director Finance who appears to have concealed the existence of such financial transactions.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

On the conclusion of inspection, a report was issued on October 23, 2020 mentioning cognizance of offences under sections 204, 199(1), 199(2), 183(2), CEO and Director Finance of the Company, during the period July 1, 2018 to June 30, 2020 and suggested that they are liable with regard to all the above non-compliances as the Board of Directors did not discuss or approve transactions with RIBS until June 26, 2020 and the predecessor auditors are liable for proceedings to be initiated under section 249 read with section 253 of the Act as they failed to highlight lack of disclosure of transactions with RIBS in notes to the financial statements for year ended June 30, 2019 especially in related parties note as required under IAS 24. The Auditor also failed to highlight the unsecured interest free loans extended without any agreement to a related party i.e., RIBS before June 03, 2019.

The Company has provided the comments on findings to SECP, that the non-compliance was not intentional but was omission by mistake. The Company had advanced certain amount to RIBS, However, the Company has received all the monies back with mark up and therefore there is no financial loss to the Company. The Board has subsequently ratified all these transactions with RIBS, and therefore to an extent the non-compliance has been addressed. It was merely an oversight of SECP compliance regulations. It has further been resolved in the Board that extra care shall be taken in future to ensure that non-compliance should not takes place.

SECP has imposed a penalty on the Company. However, management has initiated an appeal in the Sindh High Court in respect of this matter. The case is still pending in the Sindh High Court.

**32.1.3** The Special Sales Tax Reference Application (STRA) has been filed by the Commissioner Inland Revenue, Zone-IV, Large Taxpayers Unit Karachi in the High Court of Sindh at Karachi on December 18, 2019. During the year ended June 30, 2018, tax authorities issued Order dated May 25, 2018 and charged sales tax under section 8B of Sales Tax Act, 1990, raising sales tax demand and imposing penalties aggregating to Rs. 133.11 million and also default surcharge for tax periods from July 2014 to March 2018. Against the said Order, the Company filed appeal before Commissioner (Appeals-I), Karachi who vide Order dated July 03, 2018 vacated the whole principal amount of sales tax of Rs. 65.57 million and reduced the imposition of penalties from Rs. 67.54 million to Rs. 0.50 million only. However, the liability on account of default surcharge was maintained.

The Order of the Commissioner (Appeal) was challenged before the Hon'ble Appellate Tribunal Inland Revenue, Karachi who vide Order dated August 28, 2019 reduced the substantial amount of default surcharge to Rs. 1.34 million and maintained the amount of penalty Rs. 0.50 million. The Company has paid the reduced amount of default surcharge and penalty without pursuing the matter before the High Court of Sindh.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30,2023

**32.1.4** The captioned Special Sales Tax Reference Application (STRA) is filed by the Commissioner Inland Revenue, Zone-IV, Large Taxpayers Unit Karachi in the High Court of Sindh at Karachi. On September 28, 2018, tax authorities levied sales tax under section 8B of Sales Tax Act, 1990, raising sales tax demand along with the levy of penalty aggregating to Rs. 7.90 million for tax periods from April 2018 to May 2018.

Against the Order, the Company filed appeal before Commissioner (Appeals-I), Karachi, who vide Order dated October 31, 2018 vacated the whole principal amount of sales tax of Rs. 7.67 million. However, the liability on account of default surcharge and penalty was maintained.

The Order of the Commissioner (Appeal) was challenged before the Hon'ble Appellate Tribunal Inland Revenue, Karachi who vide Order dated August 28, 2019 reduced the substantial amount of default surcharge to Rs. 0.16 million and maintained the amount of penalty Rs. 0.23 million. The Company has paid the reduced amount of default surcharge and penalty leaving the case pending in the Sindh High Court.

**32.1.5** The Company has filed Special Federal Excise Duty (FED) Ref. Application before the Hon'ble High Court of Sindh against the Appellate order dated April 02, 2012 of the Appellate Tribunal IR. The tax authorities at Large Taxpayers Office established a demand towards FED on the payment of license fee paid/payable by the Company in relation with the software / IT services acquired from the non-resident parent company under the tariff heading "franchise service" as per First Schedule to Federal Excise Act, 2005. At that time, Burshane LPG (Pakistan) Limited was a subsidiary of Shell Group, operating under the name of Shell LPG Pakistan Limited. The scope of services under the head 'franchise services' was not clear when the Federal Excise Act was promulgated in the year 2005 and then the jurisdictional issues also made the matter more complicated when the franchise services were subjected to Provincial sales tax by promulgation of Sindh Sales Tax on Services Act, 2011 effective July 01, 2011.

Software licensing does not fall under the service classification "franchise services" and this aspect has been settled at the Appellate Tribunal level in reported judgments, also. Hence, the Company has a strong arguable case to defend its position that the impugned demand of FED may not be warranted. However, the Company has filed an appeal to the High Court of Sindh and the matter is still pending.

**32.1.6** A complaint was filed by the Directorate of Investigation and Intelligence (Inland Revenue) (I & I - IR) on August 31, 2020, against the Company for alleged Tax evasion of approximately Rs. 1.78 billion, with Special Court for Customs, Taxation and (Anti-Smuggling). Based on this complaint the court passed 2 orders against the Company and some of its directors. The orders were pertaining to freezing of the Company's 9 bank accounts for 90 days and issuance of non bailable arrest warrants of its certain Directors. The Company immediately obtained Protective Bail from the High Court and subsequently from the Special Court which was later confirmed.

The Company also filed a Constitutional Petition with High Court against the order of the Special Court for freezing of 9 bank accounts. All banks have removed the freeze on the Company's accounts on expiry of 90 days.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Another Constitutional Petition challenging the Complaint filed by I & I - IR with the special Court under the Anti Money Laundering Act 2010, has also been filed with High Court. The Company has lost the case upon the dismissal of Constitutional Petition No. D-5162 of 2020 by Hon'ble Court on June 20, 2022 and directed to defend the case in the court of Special Judge (Custom, Taxation and Anti-Smuggling) Karachi.

The Company had received notices under section 177(1) of Income Tax Ordinance, 2001 regarding audit for tax years 2018 and 2019. The Company has replied and submitted relevant details and documents timely through various letters to FBR. The Company has received further notices for same tax years on August 16, 2022, in which the additions made by the Deputy Commissioner Inland Revenue in the assessments made under section 122 through order dated June 14, 2022 has not been accepted by the learned Commissioner Inland Revenue (Appeals-II), Karachi who has been pleased to remand the matter back for both the years, as such no demand subsists for tax year 2018 and 2019.

The Director of Intelligence and Investigation, Inland Revenue had appeared on TV in Kamran Khan's News show on September 23, 2020, and there he discussed the case in a manner whereby Company's reputation was damaged. He tried to conduct a media trial of the Company and its Directors. Additionally, the Director of Intelligence and Investigation, Inland Revenue also disclosed our tax and assets details, hence breached privacy and confidentiality laws. The Company has filed a law suit for damages against the Director General, the Director of South Region and the Deputy Director, (the Complainant) of the Directorate of I&I, Inland Revenue for a sum of Rs. 1 billion. Nevertheless, the issue remains pending in the High Court of Sindh.

**32.1.7** On July 31, 2015, the Company received a show cause notice under Punjab Rented Premises Act, 2009, by the landlords of the property measuring 51-Kanals-03-Marlas, or thereabouts bearing Square No. 94, Killa no. 1, 2, 3, 4, 5, 6 & 7, tehsil Faisalabad, near Abbaspur railway station. The Company uses this land for LPG storage and filling plant of Faisalabad. The landlords filed an ejectment petition against the Company and the Company has filed defending argument in the rent tribunal Faisalabad and case is under hearing stage.

**32.1.8** For the tax year 2016, a notice dated June 25, 2018 was issued to the Company to provide certain information / details for audit proceedings. The notice was duly complied.

Show cause notice dated June 13, 2019 was issued to amend assessment u/s 122(9) read with section 214C of the Income Tax Ordinance, 2001 which was duly responded on all the points. Subsequently, order dated August 29, 2019 passed by the DCIR raising null tax demand due to applicability of minimum tax.

The Company filed appeal to the Commissioner (Appeals) against the aforesaid order dated August 29, 2019. The said appeal was heard and order passed wherein the Commissioner (Appeals) has confirmed the certain additions made by the DCIR, whereas, he has annulled / deleted certain additions i.e. (rent, advertising expenses and financial charges - profit on debt) as such. Further, the Commissioner (Appeals) has also directed the Officer to allow credit of actual taxes paid of Rs. 23.45 million subject to due verification. Appeal effect under section 124 to be filed.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Monitoring of WHT was conducted by the DCIR by issuing a notice under section 176 dated March 28, 2018 which was duly responded. Thereafter, a show-cause notice dated February 13, 2019 was issued under section 161(1A) confronting on non-withholding of taxes on certain payments. Response was duly filed and accordingly order dated March 15, 2019 was passed under section 161 / 205 by the ACIR wherein the total tax demand of Rs. 2.05 million was raised which comprised the defaulted amount of Rs. 1.552 million; default surcharge of Rs. 0.49 million.

Against the Order, the Company filed an appeal before the Commissioner (Appeals-I) which was heard and appellate order passed dated May 15, 2019 wherein Commissioner (Appeals-I) remanded back the Order of DCIR with the directions to verify supporting documentary evidences in respect of expenses claimed to be furnished by appellant company within seven days time. Following the underlying directions of Commissioner (Appeals-I) the Company has filed the details of expenses / payments in question vide our letter no. KT-AA-3707 dated May 22, 2019 to the DCIR for onward proceedings.

The Company filed application dated March 25, 2021 for approval for revision of return under clause (ba) of subsection 6 of section 114 of Income Tax Ordinance, 2001, for charging minimum tax u/s 113 at the rate 0.2% instead of 1%. The commissioner audit vide his letter dated May 07, 2021 rejected the request of the Company for granting permission for revision of return. The Company has filed a petition in the Hon'ble High Court of Sindh with prayer to direct the Commissioner Inland Revenue to allow revision of return of income for the tax year 2016 and no adverse order has been passed and the matter is still pending in the High Court of Sindh.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

**43.1.13** The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the liability recognised within the statement of financial position.

## 43.2 Provident Fund

## 48 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

### 48.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on having cost effective funding as well as to manage financial risk to minimize earnings volatility and provide maximum return to shareholders. Risk management is carried out by the Company's finance and treasury department under policies approved by the Board of Directors.

#### (a) Market risk

Market risk is the risk that changes in market price, such as foreign exchange rates, interest rates and other prices will effect the Company's income or the value of its holdings of financial instruments.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30,2023

## i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. It mainly arises when receivables and payables exist due to transactions in foreign currency.

As majority of the Company's financial assets and liabilities are denominated in Pakistani Rupees, therefore, the Company, at present, is not exposed to foreign currency risk.

## ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is primarily exposed to interest rate risk arising from long-term loan from bank and bank deposits. Borrowing at variable rate exposes the Company to cash flow interest rate risk. The Company manages its interest rate risk by availing at fixed rate and borrowings by placing its excess funds in saving accounts in banks.

	2023	2022	2023	2022
	Effective rate		Carrying amount	
	----- (In percent) -----		----- (Rupees in '000) -----	
<b>Financial liabilities</b>				
Variable rate instruments				
Long-term loan including current maturity	23.98%	16.83%	116,677	138,115
Short-term loan	23.98%	15.83%	-	45,000
Short-term borrowings	23.73%	16.58%	153,701	151,061
			<u>270,378</u>	<u>334,176</u>

The management of the Company estimates that 1% increase in the market interest rate, with all other factors remaining constant, would decrease the Company's profit before tax by Rs. 2.70 million (2022: 3.34 million) and a 1% decrease would result in increase in the Company's profit before tax by the same amount. However, in practice, the actual result may differ from the sensitivity analysis.

## iii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not materially exposed to other price risk at the reporting date.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30,2023

## (b) Credit risk

Credit risk represents the risk of financial loss being caused if counter party fails to discharge an obligation. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counter parties and continually assessing the creditworthiness of counter parties.

Credit risk of the Company arises from trade debts, loans, deposits and other receivables, deposits with banks and financial institutions. The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings. The carrying amount of financial assets expose to credit risk is as follows:

	2023	2022
	---(Rupees in '000)---	
Long-term loans including current portion	150	368
Long-term deposits	3,174	3,174
Trade debts	101,847	87,747
Deposits and other receivables	37,601	104,818
Bank balances	20,076	96,272
	<b>162,848</b>	<b>292,379</b>

For trade debts, the credit risk exposure is net of allowance for expected credit losses as disclosed in note 13.1.

Long-term loans represent loans given to employees which are secured against the letter of guarantee and promissory notes or their respective provident fund balances as disclosed in note 14 and therefore, management expects no credit losses. Due to the nature of bank balances and deposits and high credit ratings of banks and counter parties involved, the expected credit losses in relation to these assets are low and are therefore, not recognised.

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The credit quality of Company's bank balances can be assessed with reference to external credit ratings as follows:

Name	Rating agency	Rating			
		Short term		Long term	
		2023	2022	2023	2022
Habib Bank Limited	VIS	A1+	A1+	AAA	AAA

## c) Liquidity risk

Liquidity risk is that the risk the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Following are the contractual maturities of the Company's financial liabilities:

# NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 48.2 Fair value of hierarchy

Fair value is the amount for which an asset could be exchanged, or a liability can be settled, between knowledgeable willing parties in an arm's length transaction. As of the reporting date, Company's all assets and liabilities are carried at amortised cost except for those mentioned below:

The Company's freehold land and leasehold land are stated at revalued amounts, being the fair value at the date of revaluation, less any subsequent impairment losses, if any. The fair value measurement of the Company's freehold land at February 15, 2022 and leasehold land as at June 14, 2022 was carried out by M/s. K. G. Traders (Private) Limited and M/s. Luckyhiya Associate (Private) Limited (refer note 8.1.5).

The valuation techniques and inputs used to develop fair value measurement of aforementioned assets are as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities;

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those whose inputs for the asset or liability that are not based on observable market date (unobservable inputs).

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the year.

Details of fair value hierarchy and information relating to fair value of the Company's freehold land and leasehold land are as follows:

	Fair value measurement using			Total

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

Without modifying our opinion, we draw attention to the following;

1. Note 29.1.2 to the consolidated financial statements which provide details regarding transactions with the Roots International Brands Private Limited (RIBS) and investigation order passed by Securities and Exchange Commission of Pakistan.
2. Note 29.1.6 to the consolidated financial statements which provide details regarding complaint filed by Directorate of Intelligence and Investigation, Inland Revenue, Karachi with the Court of Special Judge (Customs, Taxation and Anti-Smuggling), Karachi, (Trial Court) against the Holding Company and its Directors alleging tax evasion. During the year end, FBR has remanded back matters for tax years 2018 and 2019 as no such demand subsists for both years. Note 29.1.6 provides details regarding the matter which is sub-judice.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key audit matters:

S. No	Key audit matters	How the matter was addressed in our audit
1.	<p><b>Contingencies</b></p> <p>As disclosed in note 29 of the consolidated financial statements, the Holding Company has contingencies and litigations in respect of legal, sales tax and income tax matters, which are pending adjudication with respective authorities at various legal forums available.</p> <p>Contingencies require management to make judgments and estimates in relation to the interpretation of relevant laws, rules and regulations, probability of outcome and financial impact, if any, for recognition, measurement and disclosure of any related provision or any other element of consolidated financial statements.</p> <p>Due to significance of amounts involved, inherent uncertainties with respect to the outcome of such matters and use of significant management judgments and estimates to assess the same including any related financial impacts, we considered contingencies and litigations in respect of legal, sales tax and income tax matters, a key audit matter.</p>	<p>We have undertaken a number of procedures to verify the contingencies and their consequential impact on the consolidated financial statements. This included, among others:</p> <ul style="list-style-type: none"> <li>• We obtained and reviewed the details of pending legal, sales tax and income tax matters and discussed the same with the management;</li> <li>• We checked orders by relevant authority on previous lawsuits / cases appearing in the consolidated financial statements;</li> <li>• We followed the progress of each case and the Holding Company's estimate of the cost to be incurred;</li> <li>• We obtained confirmations from legal advisors for current status on pending previous cases and any new case filed during the year;</li> <li>• Obtained legal advice on the above cases with the legal advisors to ensure that the outflow is possible and not probable;</li> <li>• We reviewed the key elements of the methodology employed by management in challenging reasonableness of the cost estimates;</li> <li>• We also assessed the adequacy of the disclosures made in respect of contingencies in accordance with the financial reporting standards.</li> </ul>

S. No	Key audit matters	How the matter was addressed in our audit
2.	<p data-bbox="386 470 483 497"><b>Revenue</b></p> <p data-bbox="386 497 865 730">The Holding Company's total revenue is amounting to Rs. 3,533.606 million, which is predominantly generated from sales of liquefied petroleum gas (LPG) and low-pressure regulators (LPR) revenue which reflect an decrease of 21.38% from the previous year, representing a significant element of the consolidated financial statements as disclosed in note 30.</p> <p data-bbox="386 758 865 1123">Revenue is generated from trading and storing of Liquefied Petroleum Gas (LPG) throughout Pakistan and trading of Low Pressure Regulators (LPR). Revenue from contracts with customers is recognized when control of goods is transferred to the customer at an amount that reflects the consideration to which the Holding Company expects to be entitled in exchange for those goods. The Holding Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.</p> <p data-bbox="386 1150 865 1255">As such, revenue recognition is not an area of significant risk for our audit but does require significant time and resource to audit due to its magnitude.</p> <p data-bbox="386 1283 865 1413">The risk of material misstatement was considered significant due to high control risk on completeness and accuracy of revenue and high inherent risk of fraud on recognition of revenue.</p> <p data-bbox="386 1440 865 1518">In view of the significance of revenue and high assessed risk of material misstatement revenue is considered as key audit matter.</p>	<p data-bbox="881 497 1360 548">We performed a range of audit procedures in relation to revenue including the following:</p> <ul data-bbox="881 575 1360 1157" style="list-style-type: none"> <li data-bbox="881 575 1360 653">• We considered the appropriateness of the Holding Company's revenue recognition accounting policies;</li> <li data-bbox="881 680 1360 737">• We obtained understanding of the revenue related processes;</li> <li data-bbox="881 764 1360 869">• We perform test of details on revenue recognized during the year, on a sample basis, including review of order receipt, invoicing and dispatched;</li> <li data-bbox="881 896 1360 1031">• We performed cut-off procedures on transactions occurring either immediately before or after the year end to assess the recording of revenue in correct accounting period; and</li> <li data-bbox="881 1058 1360 1157">• We also assessed the adequacy of the disclosures made in respect of revenue in accordance with the financial reporting standards.</li> </ul>

S. No	Key audit matters	How the matter was addressed in our audit
3.	<b>Impairment of goodwill</b>	
	<p>The goodwill arose upon the amalgamation with Holding Company as disclosed in note 8.2.1.</p> <p>The Holding Company's assessment of impairment of goodwill is a judgmental process which requires estimates concerning the forecast future cash flows associated with the goodwill held, the discount rates and the growth rate of revenue and costs to be applied in determining the value in use.</p> <p>At the year end, the Holding Company, for the purpose of impairment testing on goodwill, has calculated recoverable amount (value-in-use) of Cash Generating Unit amounting to Rs. 786.68 million. The carrying amount of net assets (including goodwill) as of the valuation date is Rs. 543.722 million. As a result, value-in-use exceeds the carrying amount of net assets (including goodwill) hence, no impairment in goodwill has been identified as a result of this review.</p> <p>In view of the estimates and judgements used by the management for the calculation of impairment of goodwill, it is therefore considered as key audit matter.</p> <p>The Holding Company's assessment of impairment of goodwill is a judgmental process which requires estimates concerning the forecast future cash flows associated with the goodwill held, the discount rates and the growth rate of revenue and costs to be applied in determining the value in use.</p> <p>There was no impairment in the current year.</p>	<p>Our work involved the following:</p> <ul style="list-style-type: none"> <li>• We have assessed the design and implementation of the Holding Company's controls relating to Management's impairment review of goodwill.</li> <li>• We have tested the accuracy of the underlying model to assess whether the processes are applied to the correct input data and the outputs are mapped accurately.</li> <li>• We challenged each of the key assumptions employed in the annual goodwill impairment test. This included reference to our internal valuation specialists' benchmarking of the weighted average cost of capital rate ('WACC') employed as the discount rate employed, including its methodology and constituent inputs and an assessment of the Holding Company's historic forecasting accuracy.</li> <li>• We have tested management's sensitivity analysis in relation to the key inputs to the goodwill impairment test model, as well as performing our own sensitivity analysis which included changes to volume, margin, incentives and the discount rate applied.</li> <li>• We have reviewed the appropriateness of the disclosures provided in accordance with IAS 36 'Impairment of Assets'.</li> </ul>

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Board of Directors for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Group's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Pakistan

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Zulfikar Ali Casuer.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 1 LEGAL STATUS AND OPERATIONS OF THE GROUP

The Group consists of Burshane LPG (Pakistan) Limited (note 1.1) and its subsidiary companies i.e. Burhsane Auto Gas (Private) Limited (note 1.2.1) and Burshane Trading (Private) Limited (note 1.2.2).

### 1.1 The Holding Company

Burshane LPG (Pakistan) Limited (the Holding Company) is a limited liability Company incorporated in Pakistan and is listed on the Pakistan Stock Exchange. The registered office of the Company is situated at Suite 101, 1st Floor, Horizon Vista, Commercial Plot No. 10, Block - 4, Scheme No. 5, Clifton, Karachi.

The principal activity of the Holding Company is storing, trading and marketing of Liquefied Petroleum Gas (LPG) throughout Pakistan and trading of Low Pressure Regulators (LPR).

The Holding Company was a subsidiary of H.A.K.S. Trading (Private) Limited (HTPL). The major shareholder of HTPL was Mr. Asad Alam Niazi, Chief executive of the Holding Company, with 74.19% shareholding of the ordinary shares while various other shareholders held 25.81% shares. However, consequent to the approval of the scheme of arrangement for amalgamation of HTPL and the Holding Company by the High Court of Sindh (the Court), HTPL was amalgamated with the Holding Company on February 20, 2015, as more fully explained in note 6.

### 1.2 Subsidiary Companies

**1.2.1** Burshane Auto Gas (Private) Limited (the Subsidiary Company) was incorporated on September 26, 2014 under the repealed Companies Ordinance, 1984, now Companies Act, 2017. The Subsidiary Company will mainly be engaged in opening and managing petrol pumps and Liquefied Petroleum Gas (LPG) outlets. The registered office of the Subsidiary Company is situated at Suit No.101, 1st Floor, Horizon Vista, Commercial - 10, Block 04, Clifton, Karachi. The Subsidiary Company has not commenced its operations and is in the start-up phase. The Holding Company holds 99.99% voting rights and is committed to provide financial support to the Subsidiary Company as and when required.

**1.2.2** Burshane Trading (Private) Limited (BTPL) was incorporated on October 13, 2014 under the repealed Companies Ordinance, 1984, now Companies Act, 2017, for setting up trading operations particularly in coal and other energy related products. The registered office of BTPL is situated at Suite 101, 1st Floor, Horizon Vista, Plot No. Commercial Block-4, Scheme No. 5, Clifton, Karachi. No share capital has been issued and no transactions were undertaken by BTPL during the year.

## **2 BASIS OF PREPARATION**

### **2.1 Statement of compliance**

These consolidated financial statements have been prepared in accordance with the approved accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Act.

Where provisions of and directives issued under the Act differ from the IFRS Standards, the provisions of and directives issued under the Act have been followed.

### **2.2 Basis of measurement**

These consolidated financial statements have been prepared under the historical cost convention, unless otherwise specifically stated.

### **2.3 Basis of consolidation**

These consolidated financial statements comprise the financial statements of the Holding Company and the Subsidiary Company as at the reporting date, here-in-after referred to as 'the Group'.

#### **2.3.1 Subsidiaries**

Subsidiaries are those entities over which the Group has control. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

- power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee).
- exposure, or rights, to variable returns from its involvement with the investee.
- the ability to use its power over the investee to affect its returns.

The Holding Company meets all the above conditions and hence has power over the subsidiary.

Subsidiaries are consolidated from the date on which the Group obtains control, and continue to be consolidated until the date when such control ceases. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated profit and loss account from the date the Group gains control until the date the Group ceases to control the subsidiary.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date, irrespective of the extent of any non-controlling interest. The excess of the cost of acquisition is recorded as goodwill. If the cost of acquisition is less than fair value of the net assets of the subsidiary acquired, the difference is recognised directly in profit or loss.

After initial recognition, goodwill is measured at cost less accumulated impairment losses, if any. For the purposes of impairment testing, goodwill acquired in a business combination is, on the acquisition date, allocated to each of the Group's cash generating units that are expected to benefit from the combination. Goodwill is tested annually or whenever there is an indication of impairment exists. Impairment loss in respect of goodwill is recognised in profit or loss and is not reversed in future periods.

The assets, liabilities, income and expenses of subsidiary companies are consolidated on a line by line basis and the carrying value of investments held by the Holding Company is eliminated against the subsidiaries' shareholders' equity in the consolidated financial statements.

All intra-group transactions, balances, income, expenses and unrealised gains and losses on transactions between Group companies are eliminated in full.

Burshane Auto Gas (Private) Limited (the Subsidiary Company) has same reporting period as that of the Holding Company. The accounting policies of the subsidiary are consistent with the accounting policies of the Group.

## 2.4 Functional and presentation currency

These consolidated financial statements have been presented in Pakistani ('Rupees) or 'Rs', which is the Group's functional and presentation currency.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 3 APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO PUBLISHED ACCOUNTING AND REPORTING STANDARDS

### 3.1 Amendments and IFRS interpretations that are effective for the year ended June 30, 2023

There were certain amendments to accounting and reporting standards which became effective for the Holding Company for the current year. However, these are considered not to be relevant or to have any significant impact on the Holding Company's financial reporting and, therefore, have not been disclosed in these consolidated financial statements.

### 3.2 Standard, amendments to published accounting and reporting standards and interpretations

There is a standard and certain other amendments to accounting and reporting standards that are not yet effective and are considered either not to be relevant or to have any significant impact on the Holding Company's financial statements and operations and, therefore, have not been disclosed in these consolidated financial statements.

## 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

### 4.1 Property, plant and equipment

#### 4.1.1 Owned

These are stated at cost less accumulated depreciation and accumulated impairment losses if any, except for freehold land and leasehold land, which are stated at revalued amount.

Depreciation is charged to profit or loss using straight-line method whereby the cost of an asset is allocated over its estimated useful life at the rates given in note 7.1. Depreciation on additions is charged from the month in which the asset is available for use, while no depreciation is charged in the month in which the asset is disposed off. The residual values, useful lives and depreciation method are reviewed and adjusted, if appropriate, at each reporting date.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. Maintenance and normal repairs are charged to profit or loss as and when incurred. The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognised as an income or expense in the profit or loss in the period of disposal.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

A revaluation surplus is recorded in consolidated statement of other comprehensive income (OCI) and credited to the asset revaluation surplus in equity. However, the increase is recorded in profit or loss to the extent it reverses a revaluation deficit of the same asset previously. A decrease as a result of revaluation is recognised in profit or loss however, a decrease is recorded in consolidated statement of other comprehensive income to the extent of any credit balance entry in revaluation surplus in respect of same asset.

## 4.1.2 Right of use assets

The right-of-use asset is initially measured at the amount of lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is subsequently depreciated using straight line method from the date of commencement date to the earlier of the end of useful life of the right of use asset or the end of the lease term. The estimated useful lives of the right of use assets are determined on the same basis as those of property and equipment. In addition, the right of use asset is periodically reduced by the impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

## 4.1.3 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It consists of expenditure incurred in respect of tangible assets in the course of their construction and installation, including financial charges on borrowings, if any, for financing the project until such projects are completed or become operational. Transfers are made to relevant asset category as and when assets are available for use.

## 4.2 Intangible assets

An intangible asset is recognised if it is probable that the future economic benefits attributable to the asset will flow to the Group and that the cost of such asset can also be measured reliably.

Intangible assets, where applicable, are amortised from the month when such assets are available for use on straight line method whereby the cost of an intangible asset is allocated over its estimated useful life, at the rates given in note 8.

The useful lives of intangible assets are reviewed at each reporting date to determine whether events and circumstances continue to support an indefinite useful life assessment for the asset.

### a) Software

Costs that are directly associated with identifiable computer software and have probable economic benefits exceeding one year, are recognised as an intangible asset. Costs include the purchase cost of software, implementation cost and related overhead cost. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and any accumulated impairment losses thereon.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Expenditure which enhances or extends the performance of computer software beyond its original specification and useful life is recognised as a capital improvement and added to the original cost of the software.

## b) Goodwill

This represents excess of cost of acquisition over fair value of the identifiable assets and liabilities of the Group at the time of acquisition by HTPL.

Goodwill on acquisition is not amortised but tested annually for impairment and carried at cost less accumulated impairment losses, if any.

## c) Trademarks

This represents separately acquired trade marks with indefinite useful life. These are stated at cost less accumulated impairment losses, if any. Carrying amounts of trademarks are subject to impairment review at each reporting date.

## 4.3 Stores and spares

Stores and spares to be consumed in the ordinary course of business are valued at First in First Out (FIFO) basis and net realizable value (NRV) except for those in transit, if any, which are stated at cost. Cost comprises of invoice value plus other direct costs incurred thereon. Provision is made for slow moving and obsolete items wherever necessary and is recognised in profit or loss.

## 4.4 Stock-in-trade

Stock-in-trade is valued at the lower of cost and net realisable value (NRV). Cost is determined using the weighted average method for both Liquefied Petroleum Gas (LPG) and Low Pressure Regulators (LPR). Items in transit are valued at cost comprising invoice value plus other charges incurred thereon.

Net realizable value represents the estimated selling price in the ordinary course of business less estimated cost necessary to be incurred to make the sale.

## 4.5 Trade debts and other receivables

Trade debts and other receivables are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method less provision for expected credit losses, if any. Allowance for expected credit losses is based on lifetime ECLs that result from all possible default events over the expected life of the trade debts and other receivables. Trade debts and other receivables are written-off when considered irrecoverable.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 4.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, cash with banks on current, collection, deposit and saving accounts and short-term running finance. Running finances under mark-up arrangements are shown with short term borrowings in current liabilities on the statement of financial position.

## 4.7 Retirement and other service benefits

### 4.7.1 Defined benefit plan

The Group Company operates:

an approved defined benefit gratuity scheme for all permanent employees and non management employees. The scheme provides for a graduated scale of benefits dependent on the length of service of the employee on terminal date, subject to the completion of minimum qualifying period of service. Gratuity is based on employee's last drawn salary; and an approved defined benefit pension scheme for management staff. The scheme provides pension based on the employees' last drawn salary subject to the completion of minimum qualifying period of service. Pensions are payable for life and thereafter to surviving spouses and / or dependent children.

Both the above schemes are funded and contributions to them are made monthly on the basis of actuarial valuation and in line with the provisions of the Income Tax Ordinance, 2001.

The gratuity and pension funds are governed under the Trust Act, 1882, Trust Deed and Rules of Fund, repealed Companies Ordinance, 1984, the Income Tax Ordinance, 2001 and the Income Tax Rules, 2002. Responsibility for governance of plan, including investment decisions and contribution schedule lies with the Board of Trustees of the Funds. Further, monthly contributions are made by employees in the defined benefit pension fund at the rate of 1.4% and 1.72% according to their job grades. Actuarial valuations of these schemes are carried out at appropriate regular intervals.

### 4.7.2 Defined contribution plan

The Group operates a recognised contributory provident fund for all permanent employees. Equal monthly contributions are made, both by the Group and the employees at the rate of 4.25% per annum of the basic salary and 10% per annum of the basic salary for management and non-management employees, respectively.

## 4.8 Lease liabilities

The lease liability is initially measured at the present value of the future lease payments over the lease term, discounted using the specific incremental borrowing rate. Subsequently lease liabilities are measured at amortized cost using the effective interest rate method.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

It is remeasured when there is a change in future lease payments arising from a change in the rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

## 4.9 Loans and borrowings

Loans and borrowings are initially recognised at fair value, net of transaction costs incurred. Loan and borrowings are subsequently stated at amortised cost using the effective interest rate method.

Loans and borrowings are classified as current liabilities, unless the Group has an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

## 4.10 Trade and other payables

These are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method. Exchange gains and losses arising in respect of liabilities in foreign currency are added to the carrying amount of the respective liability.

## 4.11 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

## 4.12 Taxation

### 4.12.1 Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits and rebates available, if any, or Minimum Tax on Turnover or Alternate Corporate Tax, whichever is higher in accordance with the provisions of Income Tax Ordinance, 2001.

### 4.12.2 Deferred

Deferred tax is recognized using the liability approach, on all temporary differences arising at the reporting date between the tax base of asset and liabilities and their carrying amounts for financial reporting purposes.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax asset are recognized for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the asset may be utilised. Deferred tax asset are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

## 4.13 Foreign currencies

Transactions in foreign currencies are translated into functional currency (Pakistani Rupees) using exchange rates approximating those ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the rates of exchange prevailing at the reporting date. Exchange gains and losses resulting from the settlement of foreign currency transactions and translation of monetary assets and liabilities at the rates prevailing at the reporting date are included in profit or loss. Non-monetary items that are measured in terms of a historical cost in foreign currency are not re-translated.

## 4.14 Borrowing costs

Borrowing costs are recognised as an expense in the period in which these are incurred except where such costs are directly attributable to the acquisition, construction or production of a qualifying asset, in which case such costs are capitalised as part of the cost of that asset.

## 4.15 Dividend and appropriation to reserves

Dividend and appropriation to reserves are recognised in the financial statements in the period in which these are approved.

## 4.16 Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

## 4.17 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### i) Financial assets

#### Initial recognition and measurement

Under IFRS 9, on initial recognition, a financial asset is classified as measured at: amortised cost; Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit or Loss (FVTPL).

The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of a equity instrument that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset (unless it is a trade receivable without a significant financing component that is initially measured at the transaction price, determined under IFRS 15) is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

## Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at FVTPL - The Group has not designated any financial asset as fair value through profit or loss;
- Financial assets at amortised cost - The Group subsequently measures financial assets at amortised cost using Effective Interest Rate (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired;
- Debt instruments at FVOCI - The Group has not designated any financial asset at fair value through OCI with / without recycling of cumulative gains and losses; and upon derecognition.

## Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e., removed from the Group's consolidated statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

## **Impairment / expected credit losses on financial assets**

The Group recognises an allowance for expected credit losses ("ECL") for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The Group considers a financial asset in default when contractual payments are 180 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Group uses the IFRS 9's simplified approach and calculates ECL based on life-time ECL on its trade debts and contractual assets, where as for other financial assets loss allowance is measured at 12 months ECL under general approach of measuring ECL. The Group has established a provision matrix that is based on the Group's historical credit loss experience, adjusted for forward-looking factors specific to the financial assets and the economic environment. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECL is a significant estimate. The amount of ECL is sensitive to changes in circumstances and of forecast economic conditions. For trade debts, the Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The expected credit losses are recognised in profit or loss.

## **ii) Financial liabilities**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The Group financial liabilities include long-term loan, accrued mark-up on long-term loan, liabilities under finance lease, cylinder and regulator deposits, trade and other payables and loan from subsidiary Holding Company.

## Loans and borrowings

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss. This category generally applies to interest-bearing loans and borrowings and trade and other payables.

## Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

### iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## 4.18 Revenue from contracts with customers

The Holding Company is in the business of storing, marketing and trading of Liquefied Petroleum Gas (LPG) throughout Pakistan and trading of Low Pressure Regulators (LPR). Revenue from contracts with customers is recognised when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The Holding Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of goods, the Holding Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

## Performance obligations

Information about the Holding Company performance obligations are summarised below:

### Sale of LPG and LPR

The performance obligation is satisfied upon delivery of LPG and LPR at LPG pump stations. Payment is generally due at the time of delivery. The revenue from sale of these products is recognised at the point in time when control of the asset is transferred to the customer i.e. on delivery of products.

### Others

- Return on saving account is recorded using effective interest rate method.
- Other revenues including recovery of storage and handling charges and rental income from storage tank are accounted for on accrual basis.
- Income from dividend, if any, is recognised when right to receive dividend is established.

The Group recognises an account receivable when the performance obligations have been met, recognising the corresponding revenue. Moreover, the consideration received before satisfying the performance obligations are recognised as advances from customer.

## 5 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with approved accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Group's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. In the process of applying the Group's accounting policies, management has made the following estimates and judgments which are significant to the consolidated financial statements:

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

## 5.1 Property, plant and equipment

The Group reviews appropriateness of the rates of depreciation, useful lives and residual values used in the calculation of depreciation. Further, where applicable, an estimate of recoverable amount of assets is made for possible impairment on an annual basis.

## 5.2 Intangible assets

The Group reviews appropriateness of the rate of amortisation and useful life used in the calculation for amortisation. Further, where applicable, an estimate of recoverable amount of assets is made for possible impairment on an annual basis.

## 5.3 Taxation

In making the estimates for current income taxes payable by the Group, the management considers the applicable laws and the decisions / judgements of appellate authorities on certain issues in the past. Accordingly, the recognition of deferred tax is also made, taking into account these judgements and the best estimates of future results of operations of the Group.

## 5.4 Provision for retirement and other service benefits

The present value of these obligations depends on a number of factors that are determined on actuarial basis using a number of assumptions. Any changes in these assumptions will impact the carrying amount of these obligations. The present values of these obligations and the underlying assumptions are disclosed in note 41.

## 6 AMALGAMATION WITH HOLDING COMPANY

Effective February 20, 2015, the Holding Company went through the scheme of amalgamation (the Scheme) with HTPL consequent to the approval of the Scheme by the High Court of Sindh.

According to the Scheme, 0.31 ordinary shares of the Holding Company, with a face value of Rs. 10 each, were offered to the shareholders of HTPL for every one share held of HTPL, with a face value of Rs. 10 each. As per the Scheme, the Holding Company is required to allot new shares to the shareholders of HTPL. Upon allotment of new shares, old shares of the Holding Company, held by HTPL, shall stand cancelled and simultaneously HTPL shall stand dissolved without being wound up. Further, the cancellation of old shares and issuance of new shares, as per the swap ratio, will result in reduction of 151,154 shares of the Holding Company. The Holding Company is in the process of completing the legal formalities for issuance of new share certificates (refer note 18).

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

As a result of the Scheme, the assets and liabilities of HTPL were amalgamated with the assets and liabilities of the Holding Company based on the fair values as of February 19, 2015. The summary of assets and liabilities of HTPL amalgamated as above, is as under:

## 8.2.1 Impairment review of goodwill and trademarks:

The carrying amount of goodwill has been allocated to Burshane LPG (Pakistan) Limited, which is the cash generating unit (CGU) and also the only operating and reportable segment for impairment review.

	2023	2022
	--- (Rupees in '000) ---	
Carrying amount of goodwill	<u>253,091</u>	<u>253,091</u>
Carrying amount of trademarks	<u>8,600</u>	<u>8,600</u>

The Holding Company performed its annual impairment review in June 2023 and June 2022. The Holding Company considers the relationship between its recoverable amount and its book value, among other factors, when reviewing for indicators of impairment. At June 30, 2023, the recoverable amount of the CGU was above the book value of its net assets, indicating no potential impairment of goodwill and impairment of the assets of the operating segment. The result of this impairment test depends to a large extent on Management's assessment of future cash inflows and the discount rate used, and is therefore subject to considerable uncertainty. The recoverable amount is the higher of the 'fair value less cost to sell' and the 'value-in-use'. The assumptions are assessed at each reporting date and adjusted when appropriate.

The Holding Company uses a Discounted Cash Flow model (DCF) to determine the value in use. Cash flow projections for the first five years are based on budgeting and forecasting models endorsed by the Holding Company's Management. After five years a terminal value calculation is applied. Within the DCF techniques the terminal value is determined by applying a perpetual growth rate to the perpetual free cash flows. With respect to the appropriateness of the future cash inflows used in the calculation management used budgets of five-year plan adopted by Management and approved by the Board of Directors, as well as by comparison with general and sector-specific market expectations.

The Holding Company applied a discount rate of 22.25% to the forecasted free cash flow based on a WACC of the Holding Company. The WACC is an average cost of capital consisting of two parts - cost of debt and cost of equity.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

As the Holding Company's capital consists of 33.22% debt and 66.78% equity. Calculating the cost of equity was done by applying the capital asset pricing model ("CAPM"). The assumptions applied in the CAPM included the following: a risk-free rate of 16% a beta of 0.67 for the Holding Company and an equity risk premium of 20.18%. The risk-free rate was based on the yield of ten-year Pakistan Investment Bonds on the Date of Valuation as per the State Bank of Pakistan. Combining these assumptions yielded a cost of equity of 24.52%. The cost of debt net of tax is an average of 24.91%.

The recoverable amount of CGU amounting to Rs. 617.55 million as at June 30, 2023 has been determined based on a value-in-use. The Value in Use of the Holding Company indicated by the Discounted Cash Flow (DCF) method approximates to Rs. 787.66 million. The carrying value of net assets (including goodwill) as of the valuation date is Rs. 543.601 million. As the Value-in-use exceeds the carrying value of net assets (including goodwill), no impairment in goodwill has been identified as a result of this review.

The Holding Company tested its trademark "Burshane" as at June 30, 2023 and June 30, 2022 for impairment. Value-in-use of Rs. 434.26 million as at June 30, 2023 of the trademarks has been calculated using Relief from Royalty Method. This method considers the royalties saved by owning the intellectual property rather than licensing it. It is commonly used in the valuation of similar assets and, from a valuation perspective, appears reasonable in this case.

## Key assumptions used in value in use calculations:

The calculation of value-in-use for both CGU and trademarks, is most sensitive to the following assumptions:

- Sales volume growth
- Discount rates
- Market share during the forecast period
- Royalty rate used for the forecast period
- Growth rate used to extrapolate cash flows beyond the forecast period

## Sales volume growth

Value in use is sensitive to sales volume growth. Sales volume growth has been assumed to increase in line with management's expectations of market share.

## Discount rates

Discount rates represent the current market assessment of the risks specific to each CGU, taking into consideration the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

The discount rate calculation is based on the specific circumstances of the Holding Company and its operating segments and is derived from its weighted average cost of capital (WACC). The WACC takes into account both debt and equity. The cost of equity is derived from the expected return on investment by the Holding Company's investors. The cost of debt is based on the interest-bearing borrowings the Holding Company is obliged to service.

## Market share during the forecast period

When using industry data for growth rates (as described below), these assumptions are important because management assesses how the unit's position, relative to its competitors, might change over the forecast period. Management expects the Holding Company's market share in the LPG industry to be stable over the forecast period.

## Royalty rate used for the forecast period

The cash flows have been estimated using a royalty rate of 1.5% and have been discounted at the WACC. The royalty rate is based on that used by similar businesses. Cash flows beyond the five-year period are extrapolated using a 3% growth rate. It was concluded that the carrying amount did not exceed the value-in-use. As a result of this analysis, no impairment has been identified by the Holding Company against the trademark with a carrying amount of Rs. 8.60 million as at June 30, 2023.

The implications of the key assumptions for the recoverable amount are discussed below:

## Sales volume growth

Value in use is sensitive to price and cost per ton of local and imported LPG and cost pass-through. The value in use was tested at various sales volume growth levels. A decline of 27.50% or more in sales volume growth would result in impairment of the CGU.

## Discount rate assumptions

A rise in pre-tax discount rate by 5.23% would result in the impairment of the CGU.

## Market share during the forecast period assumptions

Management expects the company to maintain its market share based on the expected demand of the product and the ready supply base it has to service the demand.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## Royalty rate assumptions

The cash flows have been estimated using a royalty rate of 1.5%, and have been discounted at the WACC. The royalty rate is based on that used by similar businesses. Cash flows beyond the five-year period are extrapolated using a 3% growth rate in line with that used by the management. It was concluded that the carrying value did not exceed the value in use. As a result of this analysis, no impairment has been identified by the Holding Company against trademark with a carrying amount of Rs. 8.60 million as at June 30, 2023.

## Growth rate assumptions

Cashflow beyond the forecast period have been extrapolated using 3% growth based on that used by the management and long term real GDP growth forecast.

- 8.3** During the year, the Holding Company participated in a tender offer by Oil & Gas Development Company Limited (OGDCL) in respect of purchase of LPG from Kunnar Pasaki Deep - Tando Allahyar Gas Field District Hyderabad. On successful submission of the highest signature bonus bid of Rs. 50.15 million, the Holding Company has been allotted one lot of LPG of five metric tons per day for five years from the Kunnar Pasaki Deep - Tando Allahyar.
- 8.4** This represents consideration paid to OPI Gas (Private) Limited in 2011 for acquisition of rights and title to "Burshane" trademarks. These trademarks are considered to have an indefinite useful life, and therefore have not been amortised. Further, no impairment has been identified in this regard (note 8.2).

**20.1** During 2015, long-term finance obtained, under conventional banking terms, by HTPL had been transferred to the Holding Company at the time of amalgamation (the scheme). This loan was obtained as a demand finance facility under the agreement dated April 08, 2013 from NBP and was repayable in 9 semi-annual installments of Rs. 44.44 million latest by April 01, 2018 with a grace period of six months. The loan carried mark-up at rate of 6 months KIBOR plus 2.5% to 6% per annum. This loan was secured by way of mortgage on leasehold land and charge on the Holding Company's present and future current and fixed assets as well as personal guarantee of Chief Executive of the Holding Company. In previous years, the Holding Company negotiated several offer letters from NBP.

On September 20, 2021, the Holding Company received a proposal via offer letter No. NBP/ARG/ARW(S)/BLPL/2021/770 supplemented by offer letter for the restructuring / rehabilitation scheme No. NBP/ARG/ARW(S)/BLPL/2022/08 dated January 06, 2022 and addendum to offer letter for the restructuring / rehabilitation scheme dated June 03, 2022 for the restructuring of loan from NBP which has since been accepted on June 08, 2022 by the Holding Company's management.

However, the competent authority of NBP approved the acceptance of this offer by the Holding Company and executed restructuring of long-term loan amounting to Rs. 254.44 million and its related accrued mark-up amounting to Rs. 119.39 million into three different facilities with effect from June 09, 2022, as mentioned below:

In respect Demand Finance-I (DF-I) facility:

- The part of long-term loan amounted to Rs. 100.44 million restructured as DF-I.
- Upfront payment of Rs. 25.44 million to be made immediately.
- Remaining balance of Rs. 75 million to be re-paid in 20 quarterly installments starting from September 30, 2022 with a grace period of 1 year.
- The facility carries mark-up at the rate of 3 month KIBOR + 2%, which will also be payable during the grace period.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

In respect Demand Finance-II (DF-II) facility:

- Frozen accrued mark-up amounted to Rs. 119.39 million on long-term loan restructured as DF-II.
- The Holding Company to pay an amount of Rs. 113.82 million towards frozen mark-up.
- Upfront payment of Rs. 18.52 million (including accrued mark-up amounting to Rs. 7.90 million for the period from January 01, 2022 to June 09, 2022) to be made immediately.
- Remaining amount of Rs. 95.29 million to be re-paid in 20 quarterly installments starting from September 30, 2022.
- The facility carries no mark-up.

In respect Running Finance facility:

- Another part of long term loan amounted to Rs. 154 million restructured as running finance.
- The facility carries mark-up of 3 month KIBOR + 1.75%.

The restructuring / rehabilitation scheme of Burshane LPG (Pakistan) Limited has resulted in a loan restructuring gain, on original long term loan and accrued mark-up thereon, of Rs. 37.76 million on effective date of loan restructuring i.e. June 09, 2022 as described below:

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

**29.1.2** An inspection order dated August 04, 2020 under Section 221 of Companies Act, 2017 was issued by SECP against complaint received by the Commission wherein it was alleged that the CEO and Director Finance of the Holding Company are involved in financial irregularities of the Companies Act, 2017, which include advance made to Roots International Brands Private Limited (RIBS), an associate company, and that the bank account was being used for illegal activities by CEO and Director Finance who appears to have concealed the existence of such financial transactions.

On the conclusion of inspection, a report was issued on October 23, 2020 mentioning cognizance of offences under sections 204, 199(1), 199(2), 183(2), CEO and Director Finance of the Holding Company, during the period July 1, 2018 to June 30, 2020 and suggested that they are liable with regard to all the above non-compliances as the Board of Directors did not discuss or approve transactions with RIBS until June 26, 2020 and the predecessor auditors are liable for proceedings to be initiated under section 249 read with section 253 of the Act as they failed to highlight lack of disclosure of transactions with RIBS in notes to the financial statements for year ended June 30, 2019 especially in related parties note as required under IAS 24. The Auditor also failed to highlight the unsecured interest free loans extended without any agreement to a related party i.e., RIBS before June 03, 2019.

The Holding Company has provided the comments on findings to SECP, that the non-compliance was not intentional but was omission by mistake. the Holding Company had advanced certain amount to RIBS, However, the Holding Company has received all the monies back with mark up and therefore there is no financial loss to the Holding Company. The Board has subsequently ratified all these transactions with RIBS, and therefore to an extent the non-compliance has been addressed. It was merely an oversight of SECP compliance regulations. It has further been resolved in the Board that extra care shall be taken in future to ensure that non-compliance should not takes place.

SECP has imposed a penalty on the Company. However, management has initiated an appeal in the Sindh High Court in respect of this matter. The case is still pending in the Sindh High Court.

**29.1.3** The Special Sales Tax Reference Application (STRA) has been filed by the Commissioner Inland Revenue, Zone-IV, Large Taxpayers Unit Karachi in the High Court of Sindh at Karachi on December 18, 2019. During the year ended June 30, 2018, tax authorities issued Order dated May 25, 2018 and charged sales tax under section 8B of Sales Tax Act, 1990, raising sales tax demand and imposing penalties aggregating to Rs. 133.11 million and also default surcharge for tax periods from July 2014 to March 2018. Against the said Order, the Holding Company filed appeal before Commissioner (Appeals-I), Karachi who vide Order dated July 03, 2018 vacated the whole principal amount of sales tax of Rs. 65.57 million and reduced the imposition of penalties from Rs. 67.54 million to Rs. 0.50 million only. However, the liability on account of default surcharge was maintained.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The Order of the Commissioner (Appeal) was challenged before the Hon'ble Appellate Tribunal Inland Revenue, Karachi who vide Order dated August 28, 2019 reduced the substantial amount of default surcharge to Rs. 1.34 million and maintained the amount of penalty Rs. 0.50 million. The Holding Company has paid the reduced amount of default surcharge and penalty without pursuing the matter before the High Court of Sindh.

**29.1.4** The Holding Company has filed Special Federal Excise Duty (FED) Ref. Application before the Hon'ble High Court of Sindh against the Appellate order dated April 02, 2012 of the Appellate Tribunal IR. The tax authorities at Large Taxpayers Office established a demand towards FED on the payment of license fee paid/payable by the Holding Company in relation with the software / IT services acquired from the non-resident parent company under the tariff heading "franchise service" as per First Schedule to Federal Excise Act, 2005. At that time, Burshane LPG (Pakistan) Limited was a subsidiary of Shell Group, operating under the name of Shell LPG Pakistan Limited. The scope of services under the head 'franchise services' was not clear when the Federal Excise Act was promulgated in the year 2005 and then the jurisdictional issues also made the matter more complicated when the franchise services were subjected to Provincial sales tax by promulgation of Sindh Sales Tax on Services Act, 2011 effective July 01, 2011.

Software licensing does not fall under the service classification "franchise services" and this aspect has been settled at the Appellate Tribunal level in reported judgments, also. Hence, the Holding Company has a strong arguable case to defend its position that the impugned demand of FED may not be warranted. However, the Company has filed an appeal to the High Court of Sindh and the matter is still pending.

**29.1.5** The captioned Special Sales Tax Reference Application (STRA) is filed by the Commissioner Inland Revenue, Zone-IV, Large Taxpayers Unit Karachi in the High Court of Sindh at Karachi. On September 28, 2018, tax authorities levied sales tax under section 8B of Sales Tax Act, 1990, raising sales tax demand along with the levy of penalty aggregating to Rs. 7.90 million for tax periods from April 2018 to May 2018.

Against the Order, the Holding Company filed appeal before Commissioner (Appeals-I), Karachi, who vide Order dated October 31, 2018 vacated the whole principal amount of sales tax of Rs. 7.67 million. However, the liability on account of default surcharge and penalty was maintained.

The Order of the Commissioner (Appeal) was challenged before the Hon'ble Appellate Tribunal Inland Revenue, Karachi who vide Order dated August 28, 2019 reduced the substantial amount of default surcharge to Rs. 0.16 million and maintained the amount of penalty Rs. 0.23 million. The Holding Company has paid the reduced amount of default surcharge and penalty leaving the case pending in the Sindh High Court.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

**29.1.6** A complaint was filed by the Directorate of Investigation and Intelligence (Inland Revenue) (I & I - IR) on August 31, 2020, against the Company for alleged Tax evasion of approximately Rs. 1.78 billion, with Special Court for Customs, Taxation and (Anti-Smuggling). Based on this complaint the court passed 2 orders against the Company and some of its directors. The orders were pertaining to freezing of the Holding Company's 9 bank accounts for 90 days and issuance of non bailable arrest warrants of its certain Directors. The Holding Company immediately obtained Protective Bail from the High Court and subsequently from the Special Court which was later confirmed.

The Holding Company also filed a Constitutional Petition with High Court against the order of the Special Court for freezing of 9 bank accounts. All banks have removed the freeze on the Holding Company's accounts on expiry of 90 days and the case is disposed in the Sindh High Court.

Another Constitutional Petition challenging the Complaint filed by I & I - IR with the special Court under the Anti Money Laundering Act 2010, has also been filed with High Court. The Holding Company has lost the case upon the dismissal of Constitutional Petition No. D-5162 of 2020 by Hon'ble Court on June 20, 2022 and directed to defend the case in the court of Special Judge (Custom, Taxation and Anti-Smuggling) Karachi.

The Holding Company had received notices under section 177(1) of Income Tax Ordinance, 2001 regarding audit for tax years 2018 and 2019. The Holding Company has replied and submitted relevant details and documents timely through various letters to FBR. The Holding Company has received further notices for same tax years on August 16, 2022, in which the additions made by the Deputy Commissioner Inland Revenue in the assessments made under section 122 through order dated June 14, 2022 has not been accepted by the learned Commissioner Inland Revenue (Appeals-II), Karachi who has been pleased to remand the matter back for both the years, as such no demand subsists for tax year 2018 and 2019.

The Director of Intelligence and Investigation, Inland Revenue had appeared on TV in Kamran Khan's News show on September 23, 2020, and there he discussed the case in a manner whereby the Holding Company's reputation was damaged. He tried to conduct a media trial of the Holding Company and its Directors. Additionally, the Director of Intelligence and Investigation, Inland Revenue also disclosed our tax and assets details, hence breached privacy and confidentiality laws. The Holding Company has filed a law suit for damages against the Director General, the Director of South Region and the Deputy Director, (the Complainant) of the Directorate of I&I, Inland Revenue for a sum of Rs. 1 billion. Nevertheless, the issue remains pending in the High Court of Sindh.

**29.1.7** On July 31, 2015, the Holding Company received a show cause notice under Punjab Rented Premises Act, 2009, by the landlords of the property measuring 51-Kanals-03-Marlas, or thereabouts bearing Square No. 94, Killa no. 1, 2, 3, 4, 5, 6 & 7, tehsil Faisalabad, near Abbaspur railway station. The Company uses this land for LPG storage and filling plant of Faisalabad. The landlords filed an ejectment petition against the Holding Company and the Holding Company has filed defending argument in the rent tribunal Faisalabad and case is under hearing stage.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

**29.1.8** For the tax year 2016, a notice dated June 25, 2018 was issued to the Holding Company to provide certain information / details for audit proceedings. The notice was duly complied.

Show cause notice dated June 13, 2019 was issued to amend assessment u/s 122(9) read with section 214C of the Income Tax Ordinance, 2001 which was duly responded on all the points. Subsequently, order dated August 29, 2019 passed by the DCIR raising null tax demand due to applicability of minimum tax.

The Holding Company filed appeal to the Commissioner (Appeals) against the aforesaid order dated August 29, 2019. The said appeal was heard and order passed wherein the Commissioner (Appeals) has confirmed the certain additions made by the DCIR, whereas, he has annulled / deleted certain additions i.e. (rent, advertising expenses and financial charges - profit on debt) as such. Further, the Commissioner (Appeals) has also directed the Officer to allow credit of actual taxes paid of Rs. 23.45 million subject to due verification. Appeal effect under section 124 to be filed.

Monitoring of WHT was conducted by the DCIR by issuing a notice under section 176 dated March 28, 2018 which was duly responded. Thereafter, a show-cause notice dated February 13, 2019 was issued under section 161(1A) confronting on non-withholding of taxes on certain payments. Response was duly filed and accordingly order dated March 15, 2019 was passed under section 161 / 205 by the ACIR wherein the total tax demand of Rs. 2.05 million was raised which comprised the defaulted amount of Rs. 1.552 million; default surcharge of Rs. 0.49 million.

Against the Order, the Holding Company filed an appeal before the Commissioner (Appeals-I) which was heard and appellate order passed dated May 15, 2019 wherein Commissioner (Appeals-I) remanded back the Order of DCIR with the directions to verify supporting documentary evidences in respect of expenses claimed to be furnished by appellant company within seven days time. Following the underlying directions of Commissioner (Appeals-I) the Holding Company has filed the details of expenses / payments in question vide our letter no. KT-AA-3707 dated May 22, 2019 to the DCIR for onward proceedings.

The Holding Company filed application dated March 25, 2021 for approval for revision of return under clause (ba) of subsection 6 of section 114 of Income Tax Ordinance, 2001, for charging minimum tax u/s 113 at the rate 0.2% instead of 1%. The commissioner audit vide his letter dated May 07, 2021 rejected the request of the Holding Company for granting permission for revision of return. The Holding Company has filed a petition in the Hon'ble High Court of Sindh with prayer to direct the Commissioner Inland Revenue to allow revision of return of income for the tax year 2016 and no adverse order has been passed and the matter is still pending in the High Court of Sindh..

On May 13, 2019, the Holding Company entered in to agreement with Byco Petroleum Pakistan Limited (BPPL) for purchase of LPG through an arrangement. On June 6, 2019, the Holding Company entered into a joint venture agreement (the Agreement) with APL being engaged in oil and gas related business with a quota of 35 MT per day by BPPL. As per the agreement, APL consented and assigned LPG quota to the Holding Company for marketing and distribution of LPG including management of operations, maintaining of books of accounts and records under the agreement. The Board discussed these arrangements and the agreement and on September 19, 2019, the Board approved the agreement.

As per the revised agreement effective from August 16, 2020, APL is entitled to a fixed profit amounting to Rs. 4,500 (2022: Rs. 4,500) for each MT net of all taxes of LPG procured through BPPL while any other profit or loss from marketing and distribution of that LPG is accrued to the Holding Company.

**40.1.13** The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the liability recognised within the statement of financial position.

## 40.2 Provident Fund

## 45 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

### 45.1 Financial risk factors

The Holding Company's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Holding Company's overall risk management programme focuses on having cost effective funding as well as to manage financial risk to minimize earnings volatility and provide maximum return to shareholders. Risk management is carried out by the Holding Company's finance and treasury department under policies approved by the Board of Directors.

#### (a) Market risk

Market risk is the risk that changes in market price, such as foreign exchange rates, interest rates and other prices will effect the Holding Company's income or the value of its holdings of financial instruments.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities. It mainly arises when receivables and payables exist due to transactions in foreign currency.

As majority of the Group's financial assets and liabilities are denominated in Pakistani Rupees, therefore, the Group, at present, is not exposed to foreign currency risk.

## ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is primarily exposed to interest rate risk arising from long-term loan from bank and bank deposits. Borrowing at variable rate exposes the Group to cash flow interest rate risk. The Group manages its interest rate risk by availing at fixed rate and borrowings by placing its excess funds in saving accounts in banks.

	2023	2022	2023	2022
	Effective rate		Carrying amount	
	----- (In percent) -----		----- (Rupees in '000) -----	
<b>Financial liabilities</b>				
Variable rate instruments				
Long-term loan including current maturity	23.98%	16.83%	116,677	138,115
Short-term loan	23.98%	15.83%	-	45,000
Short-term borrowings	23.73%	16.58%	153,701	151,061
			270,378	334,176

The management of the Group estimates that 1% increase in the market interest rate, with all other factors remaining constant, would decrease the Group's profit before tax by Rs. 2.70 million (2022: 3.34 million) and a 1% decrease would result in increase in the Group's profit before tax by the same amount. However, in practice, the actual result may differ from the sensitivity analysis.

## iii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Group is not materially exposed to other price risk at the reporting date.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT JUNE 30, 2023

## (b) Credit risk

Credit risk represents the risk of financial loss being caused if counter party fails to discharge an obligation. The Group attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counter parties and continually assessing the creditworthiness of counter parties.

Credit risk of the Group arises from trade debts, loans, deposits and other receivables, deposits with banks and financial institutions. The Group monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings. The carrying amount of financial assets expose to credit risk is as follows:

	2023	2022
	---(Rupees in '000)---	
Long-term loans including current portion	150	840
Long-term deposits	3,174	3,174
Trade debts	101,847	87,665
Deposits and other receivables	37,005	122,808
Bank balances	20,775	93,423
	<b>162,951</b>	<b>307,910</b>

For trade debts, the credit risk exposure is net of allowance for expected credit losses as disclosed in note 11.1.

Long-term loans represent loans given to employees which are secured against the letter of guarantee and promissory notes or their respective provident fund balances as disclosed in note 12 and therefore, management expects no credit losses. Due to the nature of bank balances and deposits and high credit ratings of banks and counter parties involved, the expected credit losses in relation to these assets are low and are therefore, not recognised.

The credit quality of Group's bank balances can be assessed with reference to external credit ratings as follows:

## c) Liquidity risk

Liquidity risk is that the risk the Group will not be able to meet its financial obligations as they fall due. The Group's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. Following are the contractual maturities of the Group's financial liabilities:

## 45.2 Fair value of hierarchy

Fair value is the amount for which an asset could be exchanged, or a liability can be settled, between knowledgeable willing parties in an arm's length transaction. As of the reporting date, Group's all assets and liabilities are carried at amortised cost except for those mentioned below:

The Group's freehold land and leasehold land are stated at revalued amounts, being the fair value at the date of revaluation, less any subsequent impairment losses, if any. The fair value measurement of the Group's freehold land at February 15, 2022 and leasehold land as at June 14, 2022 was carried out by M/s. K. G. Traders (Private) Limited and M/s. Luckyhiya Associate (Private) Limited (refer note 8.1.6).

The valuation techniques and inputs used to develop fair value measurement of aforementioned assets are as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities;

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those whose inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the year.

Details of fair value hierarchy and information relating to fair value of the Company's freehold land and leasehold land are as follows:
