ECONOMY OVERVIEW

The geopolitical situation, difficult financial environment and high inflationary pressures have impacted the Pakistan's economy substantially. Devastating floods and political unrest further aggravated the situation. Thus, FY2023 has been a challenging year for Pakistan's economy.

Pakistan's economy grew by just 0.29% in the FY 2023, the slowest pace in over a decade as compared to 6.1% of the last year. Economy faced all times high inflation of 29.2%, raised policy rates to record 22%, exorbitant exchange rate of USD, inflated fuel & power cost, delay in the resumption of IMF program has also added pressure to an overall slowdown of the economy.

Automotive sector shows significant decline in the productivity in FY2023 as compared to the FY2022. The decline was mainly attributable to the import restrictive policy of the financial authorities as automobiles are perceived as luxury items, with the objective of reducing the current account deficit. The industry's volumes, as a result, witnessed a dip as the cumulative sales of passenger cars and light commercial vehicles for the year declined significantly.

The IMF program and financial support from Saudi Arabia, UAE and China have provided a life line for Pakistan's economy. However, the situation remains fragile. Numerous challenges persist, and if not managed effectively, can push Pakistan toward deeper economic turmoil.

Independent Auditor's Modified Review Report to the Members of Dewan Automotive Engineering Limited

Review Report to the Members on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors ('the Board') of **Dewan Automotive Engineering Limited** (the Company) for the year ended 30 June 2023 in accordance with the requirements of regulation 36 of the Regulations.

A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of non-compliance with the requirements of the Code were observed which are not stated in the Statement of Compliance:

- The independent directors shall not be less than two or one third of total members of the board, whichever is higher, whereas board includes one independent director, who in our view does not meet the criteria of independence on account of his cross directorship in associated companies; accordingly, due to the foregoing reasons, requirements of chairman of audit and HR Remuneration Committee to be an independent director has also not been complied with.

Based on our review, except for the above instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2023.

Further, we highlight below instances of non-compliance with the requirements of the Codes as reflected in the paragraph reference where these are stated in the Statement of Compliance:

Basis for Adverse Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan ('the Code') and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

- a) The financial statements of the Company for the year ended 30 June 2023 reflect loss after taxation of Rs.85.086 million and as of that date it has accumulated losses of Rs.1,908.401 million which resulted in net capital deficiency of Rs.1,456.698 million and its current liabilities exceeded its current assets by Rs.1,386.902 million and total assets by Rs.1,179.503 million. The operations of the Company are closed. The Company is placed on defaulters' counter of Pakistan Stock Exchange Limited and trading of its shares was suspended. These conditions lead us to believe that the going concern assumption used in preparation of these financial statements is inappropriate; consequently, the assets and liabilities should have been stated at their realizable and settlement amounts respectively.

Continuation Sheet

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report other than the matters described in the basis for adverse opinion section.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the basis for adverse opinion section of our report, we have concluded that the other information is materially misstated for the same reason.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Continuation Sheet

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) Proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) Because of the matter described in Basis for Adverse Opinion section, the statement of financial position, the statement of profit or loss, statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) however, the same are in agreement with the books of account and returns;
- c) Investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) No Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Fasih uz Zaman.

Notes To The Financial Statements

For The Year Ended June 30, 2023

1 STATUS AND NATURE OF BUSINESS

Dewan Automotive Engineering Limited is a public Limited Company quoted on Pakistan Stock Exchange Limited (trading in defaulter counter). The Company's business is the assembly-cum progressive manufacture and sale of tractors, light commercial vehicles and motorcycles and trading / manufacturing of parts and implements related thereto. The Company was incorporated on May 6, 1982 and commenced commercial operations in August, 1983. The Company was taken over by Yousuf Dewan Company in April 2004.

During the year 2017, the Company received notices from Pakistan Stock Exchange Limited (PSX) in respect of non-compliance of clause 5.11.1. (c) and 5.11.1.(e) of the PSX Regulations therefore it was placed on defaulter's counter of PSX and trading of its shares was suspended. The Company has rectified the default and has requested for removal of Company from defaulter's counter. Hence no action by the Exchange under clause 5.11.1. (c) and 5.11.1.(e) is warranted under the said circumstances.

The geographical location and address of Company's business units including plant is as under:

- Company's registered office is located at Dewan Centre, 3-A Lalazar, Beach Hotel Road, Karachi.
- Company's production plant is situated at Sajawal and Shershah Karachi, Sindh, Pakistan.

2 GOING CONCERN ASSUMPTION

The Company incurred a net loss of Rs.85.086 million during the year ended 30 June 2023 (2022: Rs.50.805 million) and as of that date it has accumulated losses of Rs.1,908.401 million (2022: Rs.1,827.684 million) which have resulted in net capital deficiency of Rs.1,456.698 million (2022: Rs.1,371.612 million) and its current liabilities exceeded its current assets by Rs.1,386.902 million (2022: Rs.1,366.790 million) and total assets by Rs.1,179.503 million (2022: Rs.1,135.291 million). The Company has been unable to ensure payments to the creditors due to the liquidity problems. These conditions indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. therefore the Company may not be able to realize its assets and discharge its liabilities in normal course of business.

These financial statements have prepared on going concern assumption because the conditions being faced by the company are temporary and would reverse due to resumption of operations of the Company's sister concern to whom the supplies of its products are to be made. The Company have already settled its liabilities in respect of all of its Banks / Financial Institutions and expects to avail working capital lines for its operations. The management is confident that the company will be in operations next year, and accordingly, the accounts have been prepared on going concern basis.

- IFRS 1 – First Time Adoption of International Financial Reporting Standards

3.4 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

3.5 Use of estimates and judgements

The preparation of the financial statements in conformity with approved accounting standards as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets and liabilities and income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant affect on the amounts recognised in the financial statements are as follows:

3.5.1 Operating fixed assets, revaluation and depreciation

The Company reviews appropriateness of the rate of depreciation, useful lives and residual values used in the calculation of depreciation. The estimates of revalued amounts of revalued assets are based on valuations carried out by a professional valuer. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. In making these estimates, the Company uses the technical resources available with the Company. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

3.5.2 Income tax

In making the estimates for income tax currently payable by the Company, the management considers the current income tax laws and the decisions of appellate authorities on certain issues in the past.

Notes To The Financial Statements

For The Year Ended June 30, 2023

3.5.3 Stock in trade

The Company reviews the net realizable value (NRV) of stock in trade to assess any diminution in the respective carrying values. Any change in the estimates in future years might affect the carrying amounts of stock in trade and corresponding effect in profit and loss account of those future years. Net realisable value is determined with respect to estimated selling price less estimated expenditures to make the sales.

4 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are consistently applied in the preparation of these financial statements are the same as those applied in earlier period presented.

4.1 Property, plant and equipment

Owned

Item of property, plant and equipment is recognized as asset when it is probable that future economic benefits associated with the asset will flow to the company and its cost to the company can be measured reliably.

An item of property, plant and equipment, which qualifies for recognition as an asset, is initially measured at its cost. Cost includes expenditure that is directly attributable to the acquisition of the item. Subsequent to initial recognition items of property, plant and equipment are carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations are made with sufficient regularity such that the carrying amount does not differ materially from that which would be determined using the fair value at the balance sheet date.

Any revaluation increase arising on the revaluation of assets is recognised in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of assets is charged to profit or loss to the extent that it exceeds the balance, if any, held in the revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The revaluation reserve is not available for distribution to the Company's shareholders. The surplus on revalued assets to the extent of incremental depreciation charged (net of deferred tax) is transferred to unappropriated profit.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial year in which they are incurred.

Notes To The Financial Statements

For The Year Ended June 30, 2023

Property, plant and equipment are stated at cost / revalued amounts less accumulated depreciation except for the leasehold land which is stated at revalued amount. Depreciation is charged to income applying the reducing balance method over estimated useful life of the assets. Depreciation on additions is charged from the month the asset is put into use while on disposals upto the month the asset was in use. Depreciation is being charged at the rates given in note 5.1. Incremental depreciation on account of revaluation charged for the year on revalued assets is transferred from surplus on revaluation of property, plant and equipment to accumulated loss.

The assets residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Maintenance and normal repairs are charged to income as and when incurred. Major renewal and improvements are capitalized. Gain or loss, if any, on disposal of property, plant and equipment is included in income currently.

Leased

The company accounts for assets acquired under finance lease by recording the assets and related liability. Assets are recorded at lower of present value of minimum lease payments under the lease agreements and fair value of the assets. The aggregate amounts of obligation relating to these assets are accounted for at net present value of liabilities. Assets acquired under the finance leases are depreciated over the useful life of the respective asset in the manner and at the rates applicable to the company's owned assets. Financial charges are allocated to accounting periods in a manner so as to provide a constant periodic rate of change on outstanding liabilities.

4.2 Intangible

An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and that the cost of such asset can also be measured reliably.

Software under development are carried at cost. Direct cost include the purchase cost and directly attributable cost of preparing the asset for its intended use.

Intangible asset is amortized from the date such asset is put into use on straight line basis over its useful life.

4.3 Impairment of property, plant and equipment

The company assesses at each balance sheet date whether there is any indication that a tangible fixed asset may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying value exceeds recoverable amount, assets are written down to the recoverable amount.

Notes To The Financial Statements

For The Year Ended June 30, 2023

4.4 Deferred costs

These are amortized on a straight line basis over a period of ten years, starting from the year in which company has commenced the commercial operations.

4.5 Stores, spares and stock in trade

These are valued at lower of cost and net realizable value. The cost is determined as follows:

Stores and spares	Average cost
Stock in trade:	
Raw material	Average cost
Goods in transit	Cost comprising invoice values plus other charges incurred thereon.
Work in process	Prime cost plus appropriate portion of manufacturing overheads.
Finished goods	Average cost

Net realizable value signifies the estimated selling price in ordinary course of business less cost necessary to be incurred to make the sale.

4.6 Trade and other receivables

Trade debts originated by the company are recognized and carried at original invoice amount less an allowance for any uncollectible amounts, if any. An estimate for doubtful debts is made when collection of amount is no longer probable. Bad debts are written off when they are no longer recoverable.

Other receivables are recognized and carried at cost.

4.7 Investments

Investments classified as available for sale are initially measured at cost, being the fair value of consideration given. At subsequent reporting dates, these investments are re-measured at fair values (quoted market price), unless fair value cannot be reliably measured, in such case the investments are measured at cost. Gains and losses on re-measurement to fair value are recognized directly in equity through the statement of changes in equity.

4.8 Cash and cash equivalents

Cash in hand and at banks are carried at cost. For the purpose of the cash flow statement, cash and cash equivalents consist of cash in hand and at banks.

Notes To The Financial Statements

For The Year Ended June 30, 2023

4.9 Financial Instruments

4.9.1 Initial measurement of financial asset

The Company classifies its financial assets into following three categories:

- Fair value through other comprehensive income (FVOCI);
- Fair value through profit or loss (FVTPL); and
- Measured at amortised cost.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

Subsequent measurement

Debt Investments at FVOCI	These assets are subsequently measured at fair value. Interest / mark-up income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss account. Other net gains and losses are recognised in other comprehensive income. On de-recognition, gains and losses accumulated in other comprehensive income are reclassified to the statement of profit or loss account.
Equity Investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit or loss account unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in other comprehensive income and are never reclassified to the statement of profit or loss account.
Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest / mark-up or dividend income, are recognised in the statement of profit or loss account.
Financial assets measured at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest / mark-up income, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss account.

4.9.2 Non-derivative financial assets

All non-derivative financial assets are initially recognised on trade date i.e. date on which the Company becomes party to the respective contractual provisions. Non-derivative financial assets comprise loans and receivables that are financial assets with fixed or determinable payments that are not quoted in active markets and includes trade debts, advances, other receivables and cash and cash equivalent. The Company derecognises the financial assets when the contractual rights to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risk and rewards of ownership of the financial assets are transferred or it neither transfers nor retain substantially all of the risks and rewards of ownership and does not retain control over the transferred asset.

4.9.2.1 Trade debts, advances and other receivables

These are classified at amortised cost and are initially recognised when they are originated and measured at fair value of consideration receivable. These assets are written off when there is no reasonable expectation of recovery. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

4.9.2.2 Cash and cash equivalents

For the purpose of presentation in statement of cash flow, cash and cash equivalents includes cash in hand, balances with banks and investments with maturities of less than three months or less from acquisition date that are subject to insignificant risk of changes in fair value and short term borrowings availed by the Company, which are repayable on demand and form an integral part of the Company's cash management.

4.9.3 Financial liabilities

Financial liabilities are initially recognised on trade date i.e. date on which the Company becomes party to the respective contractual provisions. Financial liabilities include mark-up bearing borrowings and trade and other payables. The Company derecognises the financial liabilities when contractual obligations are discharged or cancelled or expire. Financial liability other than at fair value through profit or loss are initially measured at fair value less any directly attributable transaction cost. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest rate method.

4.9.3.1 Mark-up bearing borrowings and borrowing costs

Mark-up bearing borrowings are recognised initially at fair value, less attributable transaction costs. Subsequent to initial recognition, mark-up bearing borrowings are stated at amortised cost, while the difference between the cost (reduced for periodic payments) and redemption value is recognised in the statement of profit or loss account over the period of the borrowings using the effective interest method.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of the relevant asset.

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in fair value of the derivative is recognised in other comprehensive income and accumulated in hedging reserve. Any ineffective portion of changes in fair value of derivative is recognised immediately in the statement of profit or loss account. The amount accumulated in equity is removed therefrom and included in the initial carrying amount of non-financial asset upon recognition of non-financial asset.

The fair value of forward exchange contracts is estimated using appropriate valuation techniques. These are carried as assets when the fair value is positive and liabilities when the fair value is negative.

مالی سال کے دوران دو عارضی آسامیاں پیدا ہوئیں جنہیں کمپنی کے بورڈ آف ڈائریکٹرز نے پُر کیا۔

کمپنی کی بنیادی سرگرمیاں

دیوان آٹوموٹیو انجینئرنگ لمیٹڈ پاکستان میں ایک پبلک لمیٹڈ کمپنی کے طور پر شامل ہے اور پاکستان اسٹاک ایکسچینج میں درج ہے۔ کمپنی کی بنیادی سرگرمی پاکستان میں ٹریکٹرز، ہلکی کمرشل گاڑیوں اور موٹر سائیکلوں کی تیاری، اسمبل، تجارت اور فروخت ہے۔ یہ متعلقہ حصوں اور آلات کی تجارت اور تیاری بھی کرتی ہے۔

بنیادی خطرات اور غیر یقینی صورتحال

کمپنی درج ذیل نکات کو کلیدی خطرات کے طور پر سمجھتی ہے۔
امریکی ڈالر کے مقابلے میں پاکستانی روپے کی قدر میں کمی؛

ورکنگ کیپٹل کی عدم دستیابی

کمپنی مذکورہ خطرات اور غیر یقینی صورتحال کے اثرات کو پورا کرنے اور ان کو کم کرنے کے لیے اندرونی اور بیرونی طور پر کوشش کر رہی ہے۔

کارپوریٹ سماجی ذمہ داری

کمپنی اپنے اسٹیک ہولڈرز اور ماحول کی دیکھ بھال کرتے ہوئے ذمہ دارانہ انداز میں اپنا کاروبار کرتی ہے۔ کمپنی بنیادی طور پر نئے کرائے پر لی گئی ورک فورس کو ملازمت کی تربیت فراہم کرنے پر توجہ مرکوز کرتی ہے تاکہ وہ مناسب مہارتیں پیدا کر سکیں۔ افرادی قوت کو ملازمت دیتے ہوئے، کمپنی پلانٹ کے قریب رہنے والے کم مراعات یافتہ لوگوں کی حوصلہ افزائی کرتی ہے، اس طرح ان کے معیار زندگی میں اضافہ ہوتا ہے۔ مزید یہ کہ ملازمین کی صحت اور حفاظت توجہ کا ایک اور شعبہ ہے۔ کمپنی ماحولیاتی تحفظ کو یقینی بنانے کے لیے میٹو فیکچرنگ کے عمل میں تمام قابل اطلاق قواعد و ضوابط کی تعمیل کرتی ہے۔ ملازمین کی صحت اور حفاظت کو یقینی بنانے کے لیے معیاری آپریٹنگ طریقہ کار وضع کیے گئے ہیں۔ کمپنی ارد گرد کے علاقے میں رہنے والے لوگوں کو طبی سہولیات فراہم کرنے میں بھی شامل ہے۔

زیر نظر سال کے دوران کمپنی کی پیداواری سرگرمیاں معطل رہیں، جس کی اہم وجہ کمپنی کی مصنوعات کی خرید کنندہ گروپ کمپنی کے کاروبار کی معطلی رہی، اور ہیڈ اخراجات اور دیگر اخراجات کی وجہ سے کمپنی کو مالی نقصان کا سامنا کرنا پڑا۔

کمپنی 7 نومبر 2022 کو دستخط شدہ ٹیکنیکل لائسنس ایگریمنٹ کے تحت کیا کارپوریشن کی کمرشل گاڑیوں کی اسمبلنگ کے اپنے کاروبار کو دوبارہ شروع کرنے والی خرید کنندہ گروپ کمپنی کو پارٹس کی فراہمی کے لیے اپنا آپریشن دوبارہ شروع کرنے جارہی ہے۔ انتظامیہ کو یقین ہے کہ اگلے سال کے شروع میں بہت جلد مصنوعات کی پیداوار شروع ہو جائے گی۔ اپنی پوری صلاحیت سے فائدہ اٹھانے کے لیے، کمپنی اپنے کاموں کے لیے ضروری ورکنگ کپیٹل لائسنز حاصل کرنے کی توقع رکھتی ہے۔

آڈیٹرز کی رپورٹ میں مشاہدات

آڈیٹرز نے اپنی رپورٹ میں معالے کی اہمیت کے پیش نظر منفی رائے جاری کی ہے۔

مستقل قائمیت

یہ مالیاتی بیانات مستقل قائمیت کے مفروضے پر تیار کیے گئے ہیں کمپنی کی مصنوعات کی خرید کنندہ گروپ کمپنی جیسے ہی اپنے کاروبار کو دوبارہ شروع کرے گی ہماری طرف سے مصنوعات کی فراہمی شروع ہو جائے گی اس لئے کمپنی کو درپیش حالات عارضی ہیں۔ کمپنی نے پہلے ہی اپنے تمام بینکوں / مالیاتی اداروں کے حوالے سے اپنی ذمہ داریاں طے کر لی ہیں اور اپنے کاموں کے لیے ورکنگ کپیٹل لائسنز حاصل کرنے کی توقع رکھتی ہے۔ انتظامیہ کو یقین ہے کہ کمپنی اگلے سال کام شروع کر دے گی، اور اس کے مطابق، مستقل قائمیت کی بنیاد پر اکاؤنٹس تیار کیے گئے ہیں۔ کمپنی نے نوٹ 2 سے منسلک سالانہ آڈٹ شدہ مالیاتی بیانات میں معالے کی صورتحال کی مکمل وضاحت کی ہے۔

بین الاقوامی مالیاتی رپورٹنگ کے معیارات کے مطابق مالی بیانات کی تیاری میں بیرونی کی گئی ہے۔ (IFRS) جیسا کہ پاکستان میں رائج ہے اسی کو مد نظر رکھتے ہوئے اندرونی کنٹرول کا نظام ڈیزائن میں درست ہے اور اسے مؤثر طریقے سے لاگو کیا گیا ہے اور اس کی نگرانی کی گئی ہے۔

انتظامیہ نے منسلک مالیاتی بیانات کے نوٹ 2 میں کمپنی کی مستقل قائمیت کی قابلیت کے بارے میں اپنے خیالات کو تفصیل سے بیان کیا ہے۔

کارپوریٹ گورننس کے بہترین عمل سے کوئی تضادم نہیں ہوا ہے، جیسا کہ پاکستان کے اسٹاک ایکسچینج کے فہرست سازی کے ضوابط میں تفصیل سے درج ہے۔

ڈائریکٹرز رپورٹ

دیوان آٹوموٹیو انجینئرنگ لمیٹڈ کے بورڈ کیڈائریکٹران کی جانب سے 30 جون 2023 کو اختتام پزیر ہونے والے مالی سال کے سالانہ آڈٹ شدہ مالیاتی گوشواروں کے ساتھ اپنی سالانہ رپورٹ پیش کرنے پر خوشی ہے اور آپ کو کمپنی کی اکتالیسویں سالانہ جنرل میٹنگ میں خوش آمدید کہتے ہیں۔

معیشیت کا جائزہ

جغرافیائی سیاسی صورتحال، مشکل مالیاتی ماحول اور افراط زر کے شدید دباؤ نے پاکستان کی معیشت کو کافی حد تک متاثر کیا ہے۔ تباہ کن سیلاب اور سیاسی بے چینی نے صورتحال کو مزید گھمبیر کر دیا ہے۔ اس طرح سے مالی سال 2023 پاکستان کی معیشت کے لیے ایک چیلنجنگ سال رہا ہے۔

مالی سال 2023 میں پاکستان کی معیشت میں صرف 0.29 فیصد اضافہ ہوا، جو گزشتہ سال کے 6.1 فیصد کے مقابلے میں ایک دہائی میں سب سے کم رفتار ہے۔ معیشت کو تاریخ کی بلند ترین مہنگائی 29.2 فیصد کا سامنا کرنا پڑا، پالیسی کی شرح میں 22 فیصد اضافہ ہوا، ڈالر کی حد سے زیادہ شرح مبادلہ، مہنگے ایندھن اور بجلی کی قیمت، اور آئی ایم ایف پروگرام کے دوبارہ شروع ہونے میں تاخیر نے بھی معیشت کی مجموعی سست روی کا دباؤ بڑھائے رکھا۔

مالی سال 2022 کے مقابلے میں مالی سال 2023 میں آٹوموٹیو کا شعبہ پیداواری صلاحیت میں نمایاں کمی کو ظاہر کرتا ہے۔ اس کمی کی وجہ حکام کی جانب سے درآمد پر پابندی والی پالیسی تھی کیونکہ آٹوموبائل کا شمار پریش آئٹمز میں کیا جانے لگا، جس کا مقصد کرنٹ اکاؤنٹ خسارے کو کم کرنا ہے۔ اس کے نتیجے میں صنعت کے حجم میں کمی دیکھی گئی کیونکہ سال بھر کے لیے مسافر کاروں اور کمرشل گاڑیوں کی مجموعی فروخت میں نمایاں کمی واقع ہوئی۔

آئی ایم ایف پروگرام اور سعودی عرب، متحدہ عرب امارات اور چین کی مالی امداد نے پاکستان کی معیشت کو ایک لائف لائن فراہم کی ہے۔ تاہم صورت حال بدستور نازک ہے۔ متعدد چیلنجز بدستور برقرار ہیں، اور اگر مؤثر طریقے سے ان کا انتظام نہ کیا گیا تو یہ پاکستان کو گہری اقتصادی بد حالی کی طرف دھکیل سکتے ہیں۔
