1. LEGAL STATUS AND OPERATIONS

1.1 Saudi Pak Leasing Company Limited (the Company) was incorporated in Pakistan on January 08, 1991 under the Companies Ordinance, 1984 and is listed on Pakistan Stock Exchanges Limited. The registered office of the Company is situated at 6th Floor, Lakson Square Building No.1, Sarwar Shaheed Road, Saddar, Karachi and branch office is located at 337/338, 4th Floor, JEFF Heights, Main Boulevard, Gulberg-III, Lahore. The main business activity of the Company is leasing of assets. The Company's license to carry out the business of leasing had expired on May 18, 2010 and subsequently has been cancelled on June 30, 2021. The company has not been able to obtain renewal thereof from SECP as the legal requirements laid down in this respect could not be met by the company, despite all out efforts under force majeure circumstances.

Saudi Pak Industrial & Agricultural Investment Company Limited (SAPICO) is the major shareholder and as of 30 September 2022 holds 35.06% (30 June 2023: 35.06%) of issued ordinary share capital of the Company and 63% (30 June 2023: 63%) of issued preference share capital of the Company.

1.2 Since 2010, the Company has not extended any lease facility to its customers owing to expiry of its leasing license. However, it continued its activities with a barely sufficient number of employees required for managing its recoveries from customers and for handling its financial obligations to lenders.

- Despite the existence of the foregoing material uncertainties, these financial statements have been prepared using the going concern assumption primarily due to the reason that a number of recovery suits filed by the Company against its customers are expected to be disposed off in due course of time as the management is actively seeking out-of-court settlement of such suits and by way of auction of collateralized assets and to effect recoveries through negotiated settlements. A reasonable number of cases have been decreed in the favour of the Company. It is expected to materially improve the recoveries of overdue lease rentals which are limited in numbers and term loans from customers which, in turn, would enable the Company to settle its long outstanding financial liabilities to lenders in order to make the Company a feasible investment avenue for a resourceful investor.

- The management of the Company is confident that due to steps / measures as explained in the above paragraphs which are in line with the Board's directives for capital management and the approved financial projections, the going concern assumption is appropriate and has as such prepared these financial statements on a going concern basis.

- The Company has requested the Securities and Exchange Commission of Pakistan (SECP) for relaxation in the minimum capital requirement under NBFC Rules, 2008 and is hopeful that this request will be accepted inter-alia based on the condition of the overall business environment and the Company's position in the overall leasing sector.

19.2.1 This represents finance of Rs. 100 million obtained from National Bank of Pakistan on 17 March 2005 mainly for lease financing activities. As per the agreement, loan was payable in semi-annual installments of Rs. 12.5 million each from 17 September 2005 to 17 March 2009. The agreement was amended with the maturity date to March 2010. As of 30 September 2020, all installments were paid except for the last installment which was due on 17 March 2009 and is still outstanding. As per agreement the finance carries mark-up at 6 month KIBOR + 1.5%, payable semi-annually. As of 30 September 2023, the Company has accrued mark up of Rs. 18.218 million.

19.2.2 This represents a finance of Rs. 150 million obtained from First Women Bank Limited (FWBL) through a Letter of Placement dated October 06, 2008 having a tenor of 1 day. Subsequently, the finance was rolled over several times during the period from October 07, 2008 to December 18, 2008. During this period, the Company managed to partially repay the principal and markup amount. Afterwards, the finance was restructured by way of a settlement agreement dated December 31, 2008 whereby the entire principal was converted into 12-month Money Market Finance facility on markup basis. Since the Company failed to make repayment as per agreed terms, the finance was, once again, restructured by way of a settlement agreement dated March 01, 2010. As per the revised rescheduled terms, the entire principal was payable in unequal monthly installments up to December 31, 2012. The Company paid the installments up to December 31, 2010 since when no further repayments have been made. Further, as per the revised agreement, the finance carries mark-up at 12% per annum, payable monthly. As of September 30, 2023, the Company had accrued mark-up of Rs. 24.054 million.

19.2.3 This represents a finance of Rs. 15.7 million obtained from Silk Bank Limited (SBL) on April 27, 2009 against issuance of irrevocable letter of comfort for opening a letter of credit in favour of Uni-Link International. Up to March 31, 2011, the Company could repay Rs. 4 million and defaulted thereafter. Hence, on September 12, 2012, a settlement agreement was entered into with SBL whereby the finance was restructured and the outstanding loan was agreed to be settled as follows:

- Down payment of Rs. 0.707 million; and
- 54 monthly instalments of Rs. 0.204 million each.

Up to November 2014, the Company repaid 26 monthly installments of Rs. 0.204 million each and defaulted thereafter. As of 30 September 2022, the Company had accrued a markup of Rs. 8.520 million.

19.3 This represents third issue of registered and listed term finance certificates (TFCs) issued by the Company to banking companies and financial institutions, trusts and general public. The total issue comprises of 150,000 certificates of Rs. 5,000 each.

The issue was first restructured by way of "Supplemental Declaration of Trust" dated 13 September 2010 and was further restructured by way of "Second Supplemental Declaration of Trust" dated 13 January 2012. To make the second proposed restructuring terms of Supplemental Declaration of Trust effective, an extra ordinary resolution has been passed by at least by 75% of the aggregate amount outstanding to TFC holders. The trustee obtained necessary approval of TFC holders. The revised terms and conditions of the issue after rescheduling are as follows:

22. CONTINGENCIES AND COMMITMENTS

22.1 The Company is defending various counter suits filed against it by defaulting customers against whom recovery suits were filed by the company between the year 2009 to 2018. The counter suits are mainly for rendition of accounts and damages and or injunction against the company. These suits are proceeding in the High Court or Banking Court and, in the opinion of the legal counsel, the Company is not likely to suffer any loss or liability on account of these counter suits. The amount claimed in these counter suits as of 30th September 2022 amounted to Rs.178.904 million (2023: 178.904 million).

22.2 The Company has been issued with a notice under section 14 of the Federal Excise Act, 2005. In the notice, it has been alleged that the Company has not paid Federal Excise Duty (FED) in terms of section 3 (read with Entry 8 of Table-II of the First Schedule) to the Federal Excise Act, 2005 for the financial years 2007-08, 2008-09 and 2009-10 on services provided including both funded and non-funded services. Accordingly, Rs. 126.205 million has been alleged to be recoverable. The above amount of FED has been imposed on all the incomes of the Company for the said three years including mark-up income earned on finance lease contracts.

According to the Company's tax advisor, FED is applicable in respect of document fee, front end fee and syndicate lease income. These represent services rendered by leasing companies in respect of finance lease which are funded services. However, these services for the periods 2007-08 and 2008-09 are not chargeable to FED because of the reason that, for those years, FED was chargeable on services which were non-funded. However, for the period 2009-10, due to amendment in Entry 8, the said services are chargeable to FED as provisions of the Federal Excise Act, 2005.

The Company filed an appeal before the Commissioner Inland Revenue (Appeals) CIR (A) against the said order. The CIR(A) vide through Appellate Order no 97 of 2012 dated April 30, 2012 constituted that the duty so charged is legally and constitutionally valid under the Federal Excise Act, 2005. However, it also mentioned that the notice issued is barred by time for the period from July 2007 to September 2008 and, accordingly, deleted the levy of FED for the said tax period. Accordingly, the Company filed an appeal before the Appellate Tribunal Inland Revenue (ATIR) against the above CIR(A) order which decided the case in favour of the Company.

In 2014, a reference application was filed by CIR Zone-I against the Company in High Court which is pending for adjudication. In the opinion of legal counsel of the Company, there is no likelihood of any outcome adverse to the Company's interest. The Company, hence, has not recognized any provision against the above notice.

22.3 In the year 2016, M/s. First Women Bank Limited (FWBL) filed, before the Honourable High Court of Sindh, a recovery suit against the Company wherein besides the outstanding principal of Rs. 75.062 million and accrued markup of Rs. 24.054 million (refer note 21.2.2), a demand has been raised in respect of cost of funds. However, since the case is yet pending for adjudication before the Honourable High Court of Sindh and because no reasonable estimation can be made of the cost of funds so claimed by FWBL, no provision thereof has been recognized in these financial statements.
