Directors' Report

On behalf of the Board of Directors, I am pleased to present the operating and financial performance of the company for the first quarter ended 30 September 2023.

Overview

During the period year under review, your company's performance resulted in a net profit of Rs. 243.777 million with earnings per share of Rs. 5.49.

The challenges of the previous year continued in the first quarter of this year as well. Although our results show a marginal improvement, the textile industry is confronted with very high cost-push inflation with energy and financial charges being at their peak. Over the last one month, there has been some exchange rate stability but whether or not this is sustainable, is yet to be seen. Inflation and finance costs are resulting in lower industrial growth.

During first quarter the company's profitability increased as compared to the corresponding period due to higher margins on its products. Sales volume increased by about 52% as all units were running at optimum capacity. Distribution charges increased directly in proportion to sales volume and Administrative charges remained almost the same. Financial charges increased significantly due to higher mark-up rates and increases in short-term borrowing due to higher inventory of imported cotton. The equities market has improved resulting in an unrealized gain as well. We hope that the positive indicators will continue and the market will perform well.

The financial performance of your company for the quarter ended September 30, 2023 as compared to that of last year is presented below:

Brief Income Statement	2023	2022	% Change
	(PKR in Million)		
Sales	7,673	5,027	52.63%
Gross profit	598	334	79.11%
Operating profit	485	265	84.50%
Financial cost	(118)	(67)	81.16%
Profit before taxation	367	198	85.63%
Taxation	(123)	(83)	48.89%
Net Profit	244	115	112.02%
Earnings per Share (EPS)	5.49	2.59	

Future Outlook

The international markets continue to generate low demand and the challenges being faced by industries are many. After the abolition of the regionally competitive energy tariff, the price of energy to industry has increased manifold. The financial charges have also increased to a very high level which have increased the costs. The cotton crop this year has shown a remarkable improvement and it is expected that the country will produce about 10 million bales. This will benefit the industry in terms of cheaper raw materials and our dependence on imported raw cotton will reduce. The capacity reductions during the corresponding period have reduced and now all our units are running at optimum capacity. In order for the industry to move towards greater profitability, it is imperative that the energy tariffs are rationalized as we cannot compete with our regional textile countries. Given this, world demand will have to rise so as to ensure healthy demand for our products. We hope that some demand will pick up in the first quarter of 2024 and with lower inventories, we can be in a position to take advantage of the demand.

Directors' Report

We would urge the government to maintain workable energy tariffs enabling us to compete and increase exports. Increase in exports is the only answer to the country's problems. However, we do not expect any relief in financial costs and the rupee will remain weak. This will in turn continue to fuel inflation and affect profitability. We anticipate that our earnings projections for the current year to be better than last year but it is very difficult at this stage to give any realistic estimates. Pakistan's economy also continues to face challenges and it is a long road to recovery. The Government needs to take measures to improve the liquidity of the corporate sector by releasing income tax and sales tax refunds. In addition, the continued imposition of super tax is another disincentive for industrialization.

The State Bank of Pakistan should review its stand on interest rates as this method does not control inflation. There is a need to review this policy and spur industrial growth by reducing the financial debt. We expect that the current year will be challenging, but we will continue our efforts to manage our operations efficiently to protect the interests of our stakeholders.

The management is working towards improvement in efficiencies and productivity as well as enhanced cost controls.

Acknowledgements

On behalf of the Board of Directors, I would take this opportunity to thank Board of Director for their guidance at all the time and to our partners and employees for their continued support and dedication. We would also like to thank our shareholders and all our business partners for their cooperation.

ڈائریکٹرز کی جائزہ رپورٹ

2024 کی پہلی سہ ماہی میں طلب کچھ بڑھے گی اور کم انوینٹریز کے ساتھ، ہم طلب کا فائدہ اٹھانے کی پوزیشن میں ہوں گے۔

ہم حکومت گزارش کریں گے کہ وہ قابل عمل توانائی کے ٹیرف کو برقرار رکھے تاکہ ہم مسابقتی رہیں اور برآمدات میں اضافہ کر سکیں۔ برآمدات میں اضافہ ہی ملکی مسائل کا واحد حل ہے۔ تاہم ہمیں مالی اخراجات میں کسی ریلیف کی توقع نہیں ہے اور روپیہ کمزور رہے گا۔ اس کے نتیجے میں افراط زر بڑھتا رہے گا اور منافع کو متاثر کرے گا۔ ہمیں توقع ہے کہ موجودہ سال کے لیے ہماری آمدنی کے تخمینے پچھلے سال سے بہتر ہوں گے لیکن اس مرحلہ پر کوئی حقیقت پسندانہ تخمینہ لگانا بہت مشکل ہے۔

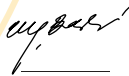

پاکستان کی معیشت کو بھی مسلسل مشکلات کا سامنا ہے اور اس کی بحالی کے لیے راستہ طویل ہے۔ حکومت کو انکم ٹیکس اور سٹیکس واپسی و آگرا کر کے کارپوریٹ ٹیکس کی لیکویٹی پینی کو بہتر بنانے کے اقدامات کرنے کی ضرورت ہے۔ اس کے علاوہ، سپر ٹیکس کا مسلسل نفاذ صنعت کاری کے لیے ایک اور حوصلہ شکنی ہے۔

اسٹیٹ بینک آف پاکستان کو شرح سود پر اپنے موقف پر نظر ثانی کرنی چاہیے کیونکہ اس طریقے سے مہنگائی کو کنٹرول نہیں کیا جاسکتا۔ اس پالیسی پر نظر ثانی کرنے اور مالیاتی قرضوں کو کم کر کے صنعتی نمو کو تیز کرنے کی ضرورت ہے۔ ہم توقع کرتے ہیں کہ رواں سال مشکل ہوگا لیکن ہم اپنے اسٹیبل ہولڈرز کے مفادات کے تحفظ کے لیے اپنے آپریٹنگز کو مؤثر طریقے سے منظم کرنے کی کوششیں جاری رکھیں گے۔

انتظامیہ کا کردار اور پیداواری صلاحیت میں بہتری کے ساتھ ساتھ لاگت کو بہتر کنٹرول کرنے کے لیے کام کر رہی ہے۔

اظہار شکر

بورڈ آف ڈائریکٹرز کی جانب سے، ہمیں اپنے تمام شرکاء داروں اور ملازمین کی مسلسل حمایت کا شکریہ ادا کرتے ہیں۔ میں بورڈ کی قابل قدر بصیرت اور جہنمانی کے لئے ان کا بھی شکر گزار ہوں۔

ڈائریکٹر

چیف ایگزیکٹو

لاہور: 127 اکتوبر 2023ء

ڈائریکٹرز کی جائزہ رپورٹ

بورڈ آف ڈائریکٹرز کی جانب سے، میں 30 ستمبر 2023 کو ختم ہونے والی پہلی سہ ماہی کے لئے کمپنی کی آپریٹنگ اور مالی کارکردگی پیش کرتا ہوں۔

کارکردگی کا جائزہ

زیر جائزہ سہ ماہی کے دوران، کمپنی کی کارکردگی کے نتیجے میں 243.777 ملین روپے کا خاص منافع اور 5.49 روپے فی شیئر آمدنی ہوئی۔

پچھلے سال کی مشکلات اس سال کی پہلی سہ ماہی میں بھی جاری رہیں۔ اگرچہ ہمارے نتائج میں معمولی بہتری دکھائی دیتی ہے، لیکن ٹیکسٹائل کی صنعت کو بہت زیادہ توانائی اور مالیاتی چارجز کے ساتھ ساتھ بہت زیادہ لاگت سے متعلق افراط زر کا کابھی سامنا کرنا پڑا ہے۔ گزشتہ ایک ماہ سے شرح مبادلہ کچھ مستحکم ہوا ہے لیکن یہ دیکھنا باقی ہے کہ یہ مستحکم رہتا ہے یا نہیں۔ افراط زر اور مالیاتی اخراجات کے نتیجے میں صنعتی نمونہ ہوئی ہے۔

پہلی سہ ماہی کے دوران مصنوعات پر زیادہ مارجن کی وجہ سے گزشتہ اسی مدت کے مقابلے میں کمپنی کو زیادہ منافع ہوا۔ فروخت حجم تقریباً 52 فیصد زیادہ ہوا کیونکہ تمام یونٹ زیادہ سے زیادہ صلاحیت پر کام کر رہے تھے۔ ڈسٹری بیوٹن چارجز فروخت حجم کے تناسب سے براہ راست بڑھ گئے اور انتظامی چارجز تقریباً ایک جیسے ہی رہے۔ مارک اپ کی زیادہ شرحوں اور درآمدی کپاس کی زیادہ انویسٹری کی بدولت قلیل مدتی قرضوں میں اضافے کی وجہ سے مالیاتی چارجز میں نمایاں اضافہ ہوا۔ ایکویٹی مارکیٹ میں بہتری آئی جس کے نتیجے میں غیر حقیقی منافع بھی حاصل ہوا ہے۔ ہم امید کرتے ہیں کہ یہ مثبت اشارے جاری رہیں گے اور مارکیٹ ابھی کارکردگی کا مظاہرہ کرے گی۔

30 ستمبر 2023 کو ختم ہونے والی سہ ماہی کے لیے آپ کی کمپنی کی مالیاتی کارکردگی کا گزشتہ سال سے موازنہ درج ذیل میں پیش کیا گیا ہے:

تفصیلی اکٹمیٹمنٹ	ستمبر 2023	ستمبر 2022	فیصد تبدیلی
	پاکستانی روپے ملین میں		
فروخت	7,673	5,027	52.63%
مجموعی منافع	598	334	79.11%
آپریٹنگ منافع	485	265	84.50%
مالی لاگت	(118)	(67)	81.16%
قبل از ٹیکس منافع	367	198	85.63%
ٹیکسیشن	(123)	(83)	48.89%
خالص منافع	244	115	112.02%
نی شیئر آمدنی (EPS)	5.49	2.59	

مستقبل کا نقطہ نظر

بین الاقوامی منڈیوں میں طلب کم رہی اور صنعتوں کو بہت زیادہ مشکلات درپیش ہیں۔ علاقائی سطح پر مسابقتی توانائی ٹیرف کے خاتمہ کے بعد صنعت کے لیے توانائی کی قیمت میں کمی گنا اضافہ ہو گیا ہے۔ مالیاتی چارجز بھی بہت زیادہ بڑھ گئے ہیں جس سے اخراجات میں اضافہ ہو گیا۔ اس سال کپاس کی فصل میں غیر معمولی بہتری آئی ہے اور توقع ہے کہ ملک میں تقریباً 10 ملین ہیکٹیر پیدا ہوں گی۔ اس سے صنعت کو سستے خام مال کے حوالے سے فائدہ اور درآمد شدہ خام کپاس پر ہمارا انحصار کم ہوگا۔ اسی مدت کے دوران صلاحیت میں بہتری آئی ہے اور اب ہمارے تمام یونٹ زیادہ سے زیادہ صلاحیت کے ساتھ کام کر رہے ہیں۔ صنعت کو زیادہ منافع بخش بنانے کے لیے توانائی کے نرخوں کو متحول بنانا ضروری ہے کیونکہ ہم اپنے علاقائی ٹیکسٹائل مالک کا مقابلہ نہیں کر سکتے۔ اس کے پیش نظر، عالمی طلب میں اضافہ کرنا پڑے گا تاکہ ہماری مصنوعات کی پھر پور طلب کو یقینی بنایا جاسکے۔ ہم امید کرتے ہیں کہ

CHIEF EXECUTIVE OFFICER

DIRECTOR

CHIEF FINANCIAL OFFICER

Selected Notes to the Condensed Interim Financial Statements (Un-Audited) For The Period Ended September 30, 2023

1. THE COMPANY AND ITS ACTIVITIES

- 1.1 Suraj Cotton Mills Limited (the Company) is a public limited Company incorporated in Pakistan under the Companies Act, 1913 (Now Companies Act, 2017) and listed on Pakistan Stock Exchange Limited. Its registered office is situated at 7-B-3, Aziz Avenue, Gulberg-5, Lahore. The Company is engaged in manufacturing, sale and trading of yarn, cloth, and processing of cloth.

2. BASIS OF PREPARATION

- 2.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:
- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
 - Provisions of and directives issued under the Companies Act, 2017.
 - Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.
- 2.2 These condensed interim financial statements do not include all the information and disclosures required in annual financial statements and should be read in conjunction with the annual audited financial statements of the Company for the year ended 30 June 2023. These condensed interim financial statements are un-audited, however, have been subjected to limited scope review by the auditors and are being submitted to the shareholders as required by the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Section 237 of the Companies Act, 2017.

3. ACCOUNTING POLICIES

The accounting policies and methods of computations adopted for the preparation of these condensed interim financial statements are the same as applied in the preparation of the preceding audited annual published financial statements of the Company for the year ended 30 June 2023.

3.1 Critical Accounting Estimates and Judgements

The preparation of these condensed interim financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

During preparation of these condensed interim financial statements, the significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation and uncertainty were the same as those that applied in the preceding audited annual published financial statements of the Company for the year ended 30 June 2023.

	1,169,240	1,088,395

10. CONTINGENCIES AND COMMITMENTS

Contingencies

i) The Company filed a complaint dated 20 April 2022 against Chief Commissioner Inland Revenue in terms of section 10(1) of the Federal Tax Ombudsman (FTO) Ordinance, 2000 for delay in processing / sanctioning of sales tax refund of Rupees 69.657 million for the tax periods from December 2013 to October 2017. As per the tax department, the Company used to fall under zero-rated regime. Two electricity connections of the Company were included in Sales Tax General Order dated 13 September 2007 for the purpose of zero-rating. No zero-rated facility was however available on another electricity connection till 21 November 2017. On 21 November 2017, this electricity connection was included in Sales Tax General Order for zero-rating. The Company filed writ petition before Honourable Lahore High Court, Lahore (LHC) against recovery notices issued by Lahore Electric Supply Company Limited for recovery of sales tax for above-mentioned periods. Petition was disposed by LHC on 21 September 2017 with direction that only tax department or competent authority, under law, shall be entitled to recover arrears of sales tax. LESCO vide letter dated 21 May 2021 directed the Company to deposit sales tax in its account since tax department has already recovered sales tax of Rupees 69.657 million which was deposited by the Company. Later, the Company requested for issuance of refund under section 66 of the Sales Tax Act, 1990. FTO vide order dated 01 June 2022 recommended the tax department to direct Commissioner Inland Revenue to process / sanction Company's refund claims for the tax periods from December 2013 to October 2017 on provision of requisite documents by the Company. The Company is confident of favourable outcome of the matter, hence no provision thereagainst has been made in these financial statements.

Selected Notes to the Condensed Interim Financial Statements (Un-Audited) For The Period Ended September 30, 2023

ii) Guarantees of Rupees 497.486 million (2023: Rupees 463.976 million) are given by the banks of the Company to Sui Northern Gas Pipelines Limited against gas connections, Director Excise and Taxation, Karachi against infrastructure cess and others.

Commitments

i) Contracts for capital expenditure are approximately of Rupees NIL (2023 : 753.275 million)

ii) Letters of credit other than for capital expenditure are of Rupees 248.289 million (2023 : 1,383.491 million)

26 OPERATING SEGMENT INFORMATION

26.1 The Company has two reportable segments. The following summary describes the operation in each of the Company's reportable segments:

Spinning: Production of different quality of yarn using natural and artificial fibers.

Weaving: Production of different quality of greige fabric using yarn.

Transactions between operating segments are recorded on arm's length basis in a manner similar to transactions with third parties. Inter segment sales and purchases have been eliminated from the total.

27. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL INSTRUMENTS

(i) Fair value hierarchy

Judgements and estimates are made in determining the fair values of the financial instruments that are recognised and measured at fair value in these condensed interim financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the following three levels. An explanation of each level follows underneath the table.

Recurring fair value measurements at 30 September 2023 - Un-audited	Level 1	Level 2	Level 3	Total
(Rupees in Thousand)				
Financial assets				
Fair value through profit or loss	480,697	-	-	480,697
Fair value through other comprehensive income	650,406	-	-	650,406
	1,131,103	-	-	1,131,103
Recurring fair value measurements at 30 June 2023 - Audited	Level 1	Level 2	Level 3	Total
(Rupees in Thousand)				
Financial assets				
Fair value through profit or loss	601,511	-	-	601,511
Fair value through other comprehensive income	619,233	-	-	619,233
	1,220,744	-	-	1,220,744

The above table does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts.

Selected Notes to the Condensed Interim Financial Statements (Un-Audited) For The Period Ended September 30, 2023

There were no transfers between levels 1 and 2 for recurring fair value measurements during the period ended 30 September 2021. Further there was no transfer in and out of level 3 measurements.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

(ii) Valuation techniques used to determine level 1 fair values

Specific valuation technique used to value financial instruments was use of quoted market prices.
