## Director's Report to Shareholders

The year under review has also been proved difficult period. The on-going financial impediments have obstructed the operations of the Company. The root cause for this obstruction had been non-availability of working capital facilities which were blocked by the banks/financial institutions unilaterally, and resultantly the Company could not purchase raw material to run the mills.

The debt amortization profile, higher interest cost and associated liquidity problems have forced the Company to initiate restructuring of its debt obligations subject to reconciliation to discharge its commitments to its lenders. The Company has initiated the debt restructuring process with the help of the key lending financial institutions. In this regard a Scheme of Arrangement under section 279 to 283 & 285 of the Companies Act 2017 (Scheme of Arrangement) has been approved and signed by majority of the secured creditors and In this regard a Scheme of Arrangement under section 279 to 283 & 285 of the Companies Act 2017 (Scheme of Arrangement) has already been sanctioned by the Hon'ble Sindh High Court at Karachi (the "Court"). The Scheme will be implemented in letter and spirit as sanctioned by the Court. As per the Scheme of Arrangement all the litigation will be withdrawn by the creditors of the Company.

In case requirements differ, the provisions or directives of the Companies Act, 2017 shall prevail.

**2.2 Basis of measurement**

Due to the Scheme described in note 1.2 to these financial statements, the directors have determined that the going concern basis of preparation is no longer appropriate.

**2.3 Impact of adopting the net realizable value basis of preparation on measurement, classification of assets and liabilities, and disclosures in the financial statements.**

Under the net realizable value basis of preparation, assets and liabilities are measured at their net realizable value. Net realizable value is based on the proceeds receivable on disposal less costs to sell as detailed in the accounting policies noted below. The value of liabilities is their expected settlement amount as detailed in the accounting policies noted below. Any gains or losses resulting from measuring assets and liabilities to the net realizable value are recognized in statement of profit or loss or otherwise under the auspices of approved accounting standards.

Under the net realizable value basis of accounting, all assets and liabilities are classified as current. In adopting the net realizable value basis, the directors have continued to apply the disclosure requirements of approved accounting standards to the extent they are relevant to the net realizable value basis, and have modified them where this is considered appropriate.

The accounting policies adopted are consistent with those of the previous financial year except for changes specified related to the adoption of the liquidation basis of preparation and to the extent described below.

### 3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and methods of computation which have been used in the preparation of this condensed interim financial information are the same as those applied in preparation of the financial statements for the preceding year ended June 30, 2023.

It also requires the management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
