### RECITALS

WHEREAS by this Scheme of Arrangement ("Scheme"), it is, *inter alia*, proposed that:

1. The undertaking, comprising the Assets, Liabilities and Obligations, of AHL shall be spilt into 2 (two) separate segments i.e. the Demerged Undertaking and the Retained Undertaking.
2. The segment, comprising all the Assets, Liabilities and Obligations, pertaining to the Demerged Undertaking shall be carved out and, as at the Effective Date, stand merged with, transferred to, vested in, and be assumed by AHCL. Furthermore, there shall be a transfer / reduction in the reserves of AHL.
3. As consideration for the above, it is proposed that AHCL Shares shall be issued to the AHL Shareholders in accordance with this Scheme.
4. Upon the merger and transfer of the Demerged Undertaking to AHCL in the manner prescribed under this Scheme, AHL shall continue to own and operate the Retained Undertaking, while the Demerged Undertaking shall vest in AHCL, and both the companies shall continue to exist as independent companies without either company being wound up.
5. This Scheme, if approved through a resolution by the requisite majority of the respective members of AHCL and AHL, along with the requisite majority of creditors (as may be applicable), and sanctioned by the Court by an order passed in this respect, is to be binding on AHCL and AHL along with all the members, creditors, employees, Customers, contracting parties, governments, tax and regulatory / statutory authorities, bodies and departments of or with respect to AHCL and AHL (as applicable) respectively.

## BENEFITS OF THIS SCHEME

### A. Arrangement Between AHCL, AHL and their Respective Members

The Amalgamation shall allow AHCL and AHL (being the holding company and subsidiary company respectively) to effectuate the arrangement envisaged by the parties, including the companies and their respective members, through the provisions of sections 279 to 283 and 285 of the Act, in a seamless and tax efficient manner.

### B. Portfolio Optimization, Simplified Governance and Tax Efficiency

The Demerged Undertaking primarily comprises AHL's investment portfolio, along with related Liabilities and Obligations. By consolidating AHL's portfolio investments within AHCL (being the holding company of AHL), avoidance of resource duplication in portfolio management would be facilitated. For AHL's shareholders, the Amalgamation will ensure a sustainable revenue stream from its service-oriented businesses, including securities brokerage, inter-bank brokerage, underwriting, advisory and consultancy (investment banking). Simultaneously, they will acquire ownership in the holding company (i.e. AHCL), which possesses a diverse medium to long-term high-quality investment portfolio, enhancing the fair value in the secondary market for the AHL Shareholders.

For AHCL, the vesting of AHL's portfolio investments will result in enhanced tax efficiency, preventing double taxation on the same profits which are received by AHL and thereafter distributed to AHCL. Further, the Amalgamation will enable more concentrated investment decisions regarding portfolio management.

Additionally, management of the Assets comprising the Demerged Undertaking at the holding company level (i.e. AHCL) is expected to help streamline governance and decision-making processes, which would result in better management of the investment portfolio / Demerged Undertaking. Furthermore, the AHL Shareholders will have additional access to the stable dividend income from AHCL's diverse long term investment portfolio.

### C. Risk Diversification and Improved Capital Allocation

A consolidated portfolio will allow focused and efficient decision making with respect to investment opportunities. In this regard, AHCL will be in a position to diversify its investment risks more effectively for its short, medium and long term investment opportunities.

The same is also expected to provide greater flexibility to the AHCL (being the holding company of AHL) in terms of divesting or restructuring portfolio investments to align with its strategic objectives or respond to changing market conditions.

### D. Enhanced Transparency

The Amalgamation is expected to provide better visibility into the overall financial health and performance of the respective companies i.e. AHCL and AHL. Such transparency can be important and beneficial for investors and stakeholders.

**E. Larger Asset Base**

The Amalgamation would lead to better access to capital markets and financing options for AHCL, which can be beneficial for *inter alia* managing and expanding the portfolio of investments.

**F. Accuracy in Valuation**

Consolidating the portfolio investments at the holding company level (i.e. AHCL) would result in a more accurate valuation of the company. At the same time, AHL (being the subsidiary company of AHCL) could be valued on the basis of its core services business. This can be important and beneficial for financial reporting and investor perception. The same would enable members and investors to fairly determine the financial strength of the companies and determine their own investment strategies.

**G. Separation of Businesses of AHL being Distinct in Nature and Focus Thereon**

The existing businesses of AHL can be categorized under 2 (two) broad separate heads i.e. (i) managing its investments portfolio; and (ii) its core business and operations, comprising activities and services related to share brokerage, inter-bank brokerage, underwriting, advisory and consultancy (investment Banking).

Since each of the business undertakings / segments of AHL are different from one another, it is prudent and beneficial for AHL to separate these segments so that the same can be managed, operated and developed independently and effectively.

Separation of the Demerged Undertaking from AHL, and merger of the same with and into AHCL, will allow the management of AHL to focus on its core business segments (being a regulated industry), resulting in better performance of the same. The respective managements of each company shall be able to apply their skills and experience towards the long term growth of such company and even potentially expand the business, which will ultimately benefit the respective stakeholders. Since AHCL is the holding company of AHL, the long term growth and expansion of AHL in such manner will benefit AHCL and its members.

**H. Reduction in Risk Exposure**

The separation of the Demerged Undertaking from AHL, and the amalgamation of the same with and into AHCL, shall distribute the risk of carrying on business. As a consequence of the Amalgamation, AHL's exposure to investment related risks e.g. market volatility shall stand reduced; resultantly, loss, damage, market variation or other potential risks arising out of any adverse and uncertain operating environment in this respect will not directly undermine AHL's core business operations. This is expected to result in greater financial stability for AHL.

**I. Simplified Financial Statements**

As a consequence of the Amalgamation, AHL's financial statements will become simpler and more transparent as the same will no longer need to account for portfolio investments on the

balance sheet. This will enable members / stakeholders of AHL to have a clearer representation of the performance of AHL's core business and operations without the fluctuations in financial results due to market price volatility of the investment portfolios.

**J. Reduction in Administrative Responsibilities and Costs**

The Amalgamation would relieve AHL of the administrative responsibilities associated with managing a portfolio of investments, including tracking dividends, managing documentation and compliance. This is expected to reduce AHL's administrative costs.

**K. Improved Creditworthiness**

The consequential simplified balance sheet of AHL, along with the reduced risk exposure in a volatile secondary market investment portfolio, is expected to enhance AHL's creditworthiness.

**NOW THEREFORE**, this Scheme is presented as follows:

All entitlements of the AHL Shareholders shall be determined in the proportion aforesaid.
- 9.2. The Swap Ratio has been determined and approved by the Board of Directors of AHCL and AHL from the range of values and calculations as stated in the Swap Letter, which has in-turn taken into account fair values of AHCL, AHL and the Demerged Undertaking under the income based and asset based approaches, as detailed under the valuation reports dated November 15, 2023. The Swap Letter has been approved by the respective Board of Directors of each of AHCL and AHL.
- 9.3. Subsequent to the date of sanction of this Scheme, at least 7 (seven) days' notice shall be given to the members of AHL, by AHL, specifying the Record Date (being the book closure date) in order to determine the identities of the AHL Shareholders and their entitlements. AHL

shall, within 7 (seven) days of the Record Date, provide AHCL with the list of the AHL Shareholders along with details of their respective entitlements (based on the Swap Ratio).

- 9.4. Based on the details provided by AHL, the AHL Shareholders shall be entitled to share certificates / CDC book-entries representing the number of fully paid up AHCL Shares to which the respective AHL Shareholder is entitled to in accordance with the provisions of this Scheme.
- 9.5. The allotment of the AHCL Shares (in accordance with the provisions of this Article 9) shall be made by AHCL within 30 (thirty) days from the date notified above. The share certificates for such AHCL Shares shall be made ready for delivery as soon as practicable thereafter and notices of their readiness for their delivery shall be given to the AHL Shareholders in the manner provided in the Articles of Association of AHCL. Share certificates not collected within the time specified in any such notice shall be sent by post in prepaid envelopes addressed to the persons entitled thereto at their respective registered addresses. In the case of joint shareholders, share certificates may be delivered to or may be sent to the address of that one of the joint holders whose name appears first in respect of such joint holding. AHCL shall not be responsible for loss of the share certificates in such transmission. The AHL Shareholders holding physical share certificates representing their AHL Shares shall have the option of receiving the AHCL Shares in book entry form through the CDS, which they shall intimate to AHL in advance (which in turn will intimate AHCL of the same at the time of sharing details pertaining to the AHCL Shareholders in accordance with Article 9.3).
- 9.6. With respect to the AHL Shareholders holding AHL Shares in book entry form through the CDS, such persons (along with other AHL Shareholders who have requested to receive AHCL Shares in book entry form), AHCL shall credit the respective CDC accounts / sub-accounts of the relevant AHL Shareholders with book entries relating to the corresponding number of AHCL Shares which the relevant AHL Shareholder is entitled to in accordance with this Article 9. Such allotment shall be carried out in accordance with the rules and regulations of the CDC.
- 9.7. The AHCL Shares, issued and allotted to the AHL Shareholders in accordance with the provisions of this Scheme shall, in all respects, rank *pari passu* with the ordinary shares of AHCL and shall be entitled to all dividends declared by AHCL after the date of sanction of this Scheme.
- 9.8. It is clarified that any AHCL Shares to be allotted and issued as a consequence of the Amalgamation, in accordance with the provisions of this Article 9, in favour of foreign / non-resident AHL Shareholders, against the AHL Shares held by each of them (that have been registered and / or are held and / or are in the process of being registered with the State Bank of Pakistan, on repatriable basis), shall be deemed to be issued and held on repatriable basis, and shall be registered by AHCL with the State Bank of Pakistan upon issuance thereof.
- 9.9. It is clarified that since the quantum of the aggregate number of AHL Shares that will be held by the AHL Shareholders at the Record Date is not determinable at this point of time, the aggregate number of AHCL Shares to be allotted and issued as consideration for the Amalgamation is variable. Consequently, the AHCL Shares, to be issued by AHCL in accordance with this Article 9, shall be recorded in the books of account of AHCL at par value. Any differential amount vis-à-vis the par value of the share capital being issued by AHCL, including to balance and adjust the books of AHCL as of the Effective Date, shall be credited / recorded as reserves, as per the legal and accounting applicable framework, taking into account the

carrying values of the net assets comprising the Demerged Undertaking which shall stand vested in AHCL pursuant to this Scheme.

- 9.10. Furthermore, as part of the arrangement under this Scheme, the Demerged Undertaking also comprises reserves, representing a part of the unappropriated profits of AHL, in the aggregate amount of PKR 4,169,667,286/- (Pak Rupees Four Billion One Hundred Sixty Nine Million Six Hundred Sixty Seven Thousand Two Hundred Eighty Six) (as illustrated in Annexure A attached hereto), which shall stand transferred to and vested in AHCL, and shall be reduced from AHL.
