The General Manager,
Pakistan Stock Exchange Limited,
Stock Exchange Building,
Stock Exchange Road,
Karachi.

Dear Sir,

DISCLOSURE OF MATERIAL INFORMATION

As required under clause No. 5.6.1 of the Rule Book of Pakistan Stock Exchange (PSX) and sections 96 and 131 of the Securities Act, 2015 read with Notification SRO. No. 143(I)/2012, we wish to inform you that the dispatch pattern for the current month of **December 2023** continues to remain depressed, as a result stocks of Premier Motor Gasoline (PMG) & High-Speed Diesel (HSD) have reached to a very high levels with very little/no ullage in storage tanks especially PMG.

To manage high stocks of these products, we have shut down two of our crude distillation units temporarily to manage refinery operations. Accordingly, we would now be operating at throughput of about 60%. This if continue would result in curtailment of crude intake from oilfields with adverse effect on associated gas as well.

It has also been intimated to OGRA that surplus inventories of products are available to meet the market demand.

The Disclosure Form as prescribed under Notification SRO. No. 143(I)/2012 is enclosed herewith as **Annexure - A**.

You are requested to disseminate the information to the TRE Certificate Holders of the Exchange accordingly.

Yours truly,
For and on behalf of
ATTOCK REFINERY LIMITED
