DIRECTORS' REPORT TO THE SHAREHOLDERS

Your Board of Directors is pleased to present condensed interim financial statements of the Company for the 2nd quarter and half year ended December 31, 2023.

Financial Results

Operating Indicators	Half Year Ended December 31, 2023 Rupees	Half Year Ended December 31, 2022 Rupees
Sales	117,884,000	33,685,700
Gross Loss	(27,979,138)	(32,678,428)
Pretax Loss	(29,887,150)	(26,878,660)
Provision for taxation	891,341	(14,265,729)
Loss after tax	(28,997,839)	(41,144,389)
Loss per share	(2.30)	(3.27)

During the period under review, sales increased from 33.686 Million to 117.884 million. The Company suffer net loss of Rs. (28.998) million as compared to loss of Rs. (41.144) million of corresponding period of previous year.

Due to existing known fact of global persisting recession in textile industry; the management still decided to shut down its business operations. This extensive slump in local and global market along with downward trend in price of yarn and increase in material and fuel costs can cause heavy losses.

Further the management is hopeful that upcoming cotton crop will be available in reasonable prices and the Government will also reconsider the prices of fuel and power and give preferential rates to textile industry.

Regarding the auditor's reservation of going concern relating to note 1.2 of condensed interim financial statements, the management of the Company is making strenuous efforts, optimal production strategies and effective cost controls to improve the profitability of the Company. The management positively looks forward to counter all challenges and is firmly committed to deliver the best possible results and will continue to meet our objectives and goals. Based upon these aspects and continuing financial support from directors and associates, the financial statements have been prepared on going concern basis.

There is no material change in position of on going litigation and other matters related to court as reported in the Directors' report to the shareholders for the year ended June 30, 2023.

Transactions with related parties are carried out at arms length. The prices are determined in accordance with comparable uncontrolled price method.

We would like to express our appreciation for the dedication and hard work put in by the entire team at J. A. Textile Mills Limited and all its partners within the country and all across the world.

CHAIRMAN'S REVIEW

I am presenting the financial results of the company.

The business operations completely stopped due to decline in demand of yarn both locally and globally which cause downward trend in price of yarn. Although having positive attitude, we are inept to foresee this severe extensive slump in both the markets.

We are hopeful that upcoming cotton crop will be available in reasonable prices and the Government will also reconsider the prices of fuel and power and give preferential rates to textile industry.

I value the ongoing efforts made by the board of directors' to develop business and address the issues brought on by the ongoing global recession.

The management remains committed to maintain focus on sustaining the financial performance of the company. We thank our shareholders, customers, bankers and staff for their support and trust in the company.

In the end, I would like to thank the board of directors for their valuable contribution and guidance throughout the company.

چیئرمین کا جائزہ

میں کھٹی کے باہمی مذاکچ پیش کر رہا ہوں۔

مقامی اور عالمی سطح پر ایران کی مانگ میں کمی کی وجہ سے کاروباری سرگرمیاں عمل پورہ رکھیں جس کی وجہ سے سہولت کی قیمت میں کمی واقع ہوئی ہے۔ اگرچہ قیمت روپہ رکھتے ہوئے ہم دونوں بازاروں میں اس قدر یہ دستخط مندی کا اندازہ لگانے کے لیے نااہل ہیں۔

ہمیں امید ہے کہ آنے والی کھاس کی فصل مناسب قیمتوں پر دستیاب ہوگی اور حکومت ایجن اور بجلی کی قیمتوں پر بھی نظر ثانی کرنے کی اور ٹیکنیکل ملز منسٹری کو ترجیحی نرخ دے گی۔
میں بورڈ آف ڈائریکٹرز کی طرف سے کاروبار کو ترقی دینے اور جاری عالمی کساد بازاری سے پیدا ہونے والے مسائل کو حل کرنے کے لیے کی جانے والی کوششوں کی قدر کرتا ہوں۔
انتظامیہ کھٹی کی مالی کارکردگی کو برقرار رکھنے پر توجہ مرکوز رکھنے کے لیے پرعزم ہے۔ ہم اپنے حصص یافتگان، صارفین، ڈیلرز اور مہلے کا کھٹی میں تعاون اور اعتماد کیلئے شکریہ ادا کرتے ہیں۔
آخر میں، میں بورڈ آف ڈائریکٹرز کو ان کے عزم، محنت اور کھٹی کی بہتری کے لیے مسلسل کوششوں کے لیے سراہنا چاہوں گا۔

Auditor's Report to the Members on Review of Interim Financial Information

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **J. A. Textile Mills Limited** ("the Company") as at **December 31, 2023** and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flow and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the condensed interim financial information). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim statement of profit or loss and the condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and 2022 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the half year ended December 31, 2023.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that accompanying interim financial information does not give a true and fair view of the financial position of the company as at December 31, 2023 and of its financial performance and its cash flows for the six-month period then ended, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matter

Without qualifying our conclusion, we draw attention of the members to the contents of note 1.2 to the annexed interim financial information, the Company has accumulated losses of Rs. 80.690 million against the paid-up capital of Rs. 126.012 million as at December 31, 2023 and as of that date, the Company's current liabilities exceeds its current assets by Rs. 47.949 million. These factors indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE HALF YEAR ENDED DECEMBER 31, 2023

1. COMPANY AND ITS OPERATIONS

1.1 J.A. Textile Mills Limited (the Company) was incorporated in Pakistan on 25 May, 1987 under the repealed Companies Ordinance, 1984 (now Companies Act 2017). The shares of the company are listed on Pakistan Stock Exchange. The Mill is situated at 29-KM, Sheikhpura Road, Faisalabad in the province of Punjab and the registered office of the Company is situated at JK House, 32-W, Susan Road, Madina Town, Faisalabad. The principal business activity of the Company is manufacturing and sale of yarn.

1.2 Going concern assumption

The Company has accumulated loss stands at Rs. 80.690 million (June 30, 2023: Rs. 57.239 million) as against issued, subscribed and paid up capital of Rs.126.012 million as at December 31, 2023 and as of that date, the Company's current liabilities exceeds its current assets by Rs.47.949 million (June 30, 2023: Rs. 23.768 million) respectively. These factors along with matters described in condensed interim financial statements may cast significant doubt about the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business, for which no adjustments have been incorporated in these financial statements.

In spite of the huge accumulated losses and negative current ratio, the management of the Company is making strenuous efforts, optimal production strategies and effective cost controls to improve the profitability of the Company. These measures include balancing and modernization of plant and machinery in previous years, improvement in future industry situation and better production efficiency. The management positively looks forward to counter all challenges and is firmly committed to deliver the best possible results and will continue to meet its objectives and goals. Based upon these aspects and continuing financial support from directors and associates, the financial statements have been prepared on going concern basis.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:
