INDEPENDENT AUDITORS REVIEW REPORT TO THE MEMBERS OF SHIFA INTERNATIONAL HOSPITALS LIMITED**Report on review of condensed Interim Unconsolidated Financial Statements****Introduction**

We have reviewed the accompanying condensed interim unconsolidated statement of financial position of Shifa International Hospitals Limited ("the Company") as at December 31, 2023 and the related condensed interim unconsolidated statement of profit or loss, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of changes in equity and condensed interim unconsolidated statement of cash flows, and notes to the unconsolidated interim financial statements for the six month period then ended (here in after referred to as the "interim unconsolidated financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standards on Review Engagements 2410, "*Review of Interim Financial Information performed by the Independent Auditor of the Entity.*" A review of interim financial statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim unconsolidated financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matter

The figures for the quarter ended December 31, 2023 and December 31, 2022 in the condensed interim statement of profit or loss and condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.

The engagement partner on the audit resulting in this independent auditors review report is Atif Riaz.

6 CONTINGENCIES AND COMMITMENTS

6.1 Contingencies

6.1.1 The guarantees issued by bank in favor of Sui Northern Gas Pipelines Limited (SNGPL) of aggregate sum of Rs. 33.1 million (June 2023: Rs. 33.1 million) on behalf of the Company in its ordinary course of business.

6.1.2 In the current reporting period, the Company is contending with claims and penalties totaling Rs. 20.35 million (June 2023: Rs. 5.4 million), arising from alleged negligence attributed to consultants, doctors, and other matters. These legal proceedings are currently pending within the jurisdiction of Peshawar, Islamabad, and Lahore High Courts, as well as the Supreme Court of Pakistan. Additionally, the Company has paid penalties amounting to Rs. 1.4 million under protest, and these payments are currently under dispute at the Supreme Court of Pakistan. The management maintains a staunch position in contesting these claims and penalties, expressing confidence that the contentions raised by the claimants will not prove successful. Consequently, the Company believes that no material liability is likely to arise from these matters, and it anticipates that the penalties paid under protest shall be refunded upon resolution of the legal proceedings.

6.1.3 On June 06, 2012, the Competition Commission of Pakistan (CCP) imposed a penalty of Rs. 20 million against each Gulf Cooperation Council's (GCC) Approved Medical Center (GAMC), including SIHL. This penalty was imposed due to allegations of engaging in non-competitive practices involving territorial division and equal allocation of customers among GAMCs. The Company's management, in conjunction with other GAMCs, is collaboratively contesting this issue which is presently pending before the Supreme Court of Pakistan. The Company's management firmly believes that a favorable judgment for the GAMCs, including SIHL, will be reached.

6.2 Contingencies related to income tax and sales tax are as follows:

6.2.1 The tax authorities have amended the assessments for the tax years 2012, 2013, 2014, 2015, 2016, and 2019 under section 122(5A)/124 of the Income Tax Ordinance, 2001 (the Ordinance). They have raised tax demands of Rs. 6.4 million, Rs. 97 million, Rs. 85.5 million, Rs. 26.1 million, Rs. 85.4 million, and Rs. 37 million respectively. The Company, feeling aggrieved, appealed these assessments before the Commissioner Inland Revenue (Appeals) [CIR(A)]. The CIR(A) partly confirmed the assessments and partly provided relief to the Company. However, the assessment for the tax year 2015 was confirmed. The Company, still aggrieved, filed appeals against the appellate orders before the Appellate Tribunal

Inland Revenue [ATIR] on various dates from September 2018 to November 2021, and these appeals are currently pending adjudication.

- 6.2.2** The tax authorities imposed taxes of Rs. 109.6 million, Rs. 178.4 million, Rs. 27.4 million, and Rs. 29.2 million under section 161/205 of the Ordinance for the tax years 2016, 2014, 2013, and 2012 respectively, based on alleged non-deduction of tax on payments. The Company, feeling aggrieved, appealed these assessments before the CIR(A). Regarding the tax year 2012, the CIR(A) deleted the assessment, while for the tax years 2013 and 2016, the assessment was set aside, and for the tax year 2014, the assessment was confirmed. The Company, still aggrieved, filed appeals for the tax years 2013, 2014, and 2016 before the ATIR. The appeals for the tax years 2013 and 2016 were filed on November 26, 2019, and June 06, 2023 respectively, and they are currently pending adjudication. Additionally, the ATIR has set aside the assessment for the tax year 2014 for denovo consideration.
- 6.2.3** The tax authorities amended the assessments for the tax years 2012, 2013, and from 2015 to 2017 under section 122(5) of the Ordinance. They raised an aggregate tax demand of Rs. 1,350.9 million. Feeling aggrieved, the Company appealed these assessments before the CIR(A). The CIR(A) annulled all the assessment orders, resulting in the deletion of the tax demand. Dissatisfied with the CIR(A)'s decision, the tax department filed an appeal before the ATIR on November 15, 2018, and these appeals are currently pending adjudication.
- 6.2.4** The tax authorities amended the assessments for the tax years 2014 and 2015 under section 221 of the Ordinance, resulting in an aggregate tax demand of Rs. 11.8 million. The Company, feeling aggrieved, filed appeals before the CIR (A). The CIR (A) remanded the assessments back to the ACIR. Both the Company and the tax department filed cross-appeals before the ATIR in January 2018, and these appeals are currently pending adjudication.
- 6.2.5** The tax authorities amended the assessment for the tax year 2014 under section 177 of the Ordinance, resulting in a tax demand of Rs. 1,143.8 million. Feeling aggrieved, the Company appealed the assessment before the CIR (A). The CIR (A) annulled the assessment order, resulting in the deletion of the tax demand. The tax department filed an appeal before the ATIR on November 27, 2019, against the decision of the CIR (A), which is currently pending adjudication.
- 6.2.6** The tax authorities imposed sales tax demands of Rs. 44.4 million, Rs. 56.2 million, Rs. 57.4 million, Rs. 55.9 million, and Rs. 11.3 million under section 11 of the Sales Tax Act, 1990. These demands were based on alleged non-payment of sales tax on sales of scrap, fixed assets, and cafeteria for the tax years 2016 to 2020 respectively. Regarding the Company's appeals for the tax years 2016, 2018, and 2020, the ATIR deleted the sales tax charged on cafeteria and fixed assets, while confirming the sales tax on scrap. Furthermore, for the tax years 2017 and 2019, the CIR(A) deleted the sales tax on cafeteria sales, while confirming the sales tax on sales of scrap and fixed assets. The Company has filed appeals before the ATIR against the confirmation of sales tax on scrap and fixed assets, and these appeals are currently pending adjudication.

Management is confident that the above disallowances and levies do not hold merit and the related amounts have been lawfully claimed in the income and sales tax returns as per the applicable tax laws and these matters will ultimately be decided in favor of the Company. Accordingly, no provision has been made in respect of above in these condensed interim unconsolidated financial statements.

The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34: 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 These condensed interim consolidated financial statements are un-audited and are being submitted to the members in accordance with the requirements of Section 237 of the Companies Act 2017 (the Act) and the listing regulations of Pakistan Stock Exchange. These condensed interim consolidated financial statements do not include all of the information required for annual consolidated financial statements, and should be read in conjunction with the annual audited consolidated financial statements of the Group for the year ended June 30, 2023. SELECTED NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2023

Subsidiaries

Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies generally accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group controls another entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are derecognised from the date the control ceases.

The Group uses the acquisition method of accounting to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities (including contingent liabilities) assumed in a business combination are measured initially at their fair value at the acquisition date. On an acquisition by acquisition basis, the Group recognises any non-controlling interest in the acquiree at the non controlling interest's proportionate share of the acquiree's identifiable net assets.

Inter-company transactions, balances and unrealised gain on transactions between group companies are eliminated. Unrealised loss is also eliminated. When necessary, amounts reported by subsidiaries have been adjusted to conform with the group's accounting policies.

Associates (equity accounted investees)

Entities over which the Group has significant influence directly or indirectly (through subsidiaries) but not control and which are neither subsidiaries nor joint ventures of the members of the Group are associates and are accounted for under the equity method of accounting (equity accounted investees). These investments are initially recognised at cost.

These condensed interim consolidated financial statements include the associates' share of profit or loss and movements in other comprehensive income, after adjustments, if any, to align the accounting policies with those of the Group, from the date that significant influence commences until the date it ceases. Share of post acquisition profit / loss of associates is recognised in the condensed interim consolidated statement of profit or loss and the condensed interim consolidated statement of comprehensive income. Distributions received from associates reduce the carrying amount of investment.

When the Group's share of losses exceeds its interest in an equity accounted investee, the carrying amount of that investment (including any long-term interests that, in substance, form part of the Group's net investment in the associate) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Group has an obligation or has made payments on behalf of the investee.

4 MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies, significant judgments made in the application of accounting policies, key sources of estimations, the methods of computation adopted in preparation of these condensed interim consolidated financial statements are the same as those applied in preparation of consolidated audited financial statements of the Group for the year ended June 30, 2023.

7 CONTINGENCIES AND COMMITMENTS

7.1 Contingencies

7.1.1 The guarantees issued by bank in favor of Sui Northern Gas Pipelines Limited (SNGPL) of aggregate sum of Rs. 33.1 million (June 2023: Rs. 33.1 million) on behalf of the SIHL in its ordinary course of business.

7.1.2 In the current reporting period, the SIHL is contending with claims and penalties totaling Rs. 20.35 million (June 2023: Rs. 5.4 million), arising from alleged negligence attributed to consultants, doctors, and other matters. These legal proceedings are currently pending within the jurisdiction of Peshawar, Islamabad, and Lahore High Courts, as well as the Supreme Court of Pakistan. Additionally, the SIHL has paid penalties amounting to Rs. 1.4 million under protest, and these payments are currently under dispute at the Supreme Court of Pakistan. The management maintains a staunch position in contesting these claims and penalties, expressing confidence that the contentions raised by the claimants will not prove successful. Consequently, the SIHL believes that no material liability is likely to arise from these matters, and it anticipates that the penalties paid under protest shall be refunded upon resolution of the legal proceedings.

7.1.3 On June 06, 2012, the Competition Commission of Pakistan (CCP) imposed a penalty of Rs. 20 million against each Gulf Cooperation Council's (GCC) Approved Medical Center (GAMC), including SIHL. This penalty was imposed due to allegations of engaging in non-competitive practices involving territorial division and equal allocation of customers among GAMCs. The SIHL's management, in conjunction with other GAMCs, is collaboratively contesting this issue which is presently pending before the Supreme Court of Pakistan. The SIHL's management firmly believes that a favorable judgment for the GAMCs, including SIHL, will be reached.

7.2 Contingencies related to income tax and sales tax are as follows:

7.2.1 The tax authorities have amended the assessments for the tax years 2012, 2013, 2014, 2015, 2016, and 2019 under section 122(5A)/124 of the Income Tax Ordinance, 2001 (the Ordinance). They have raised tax demands of Rs. 6.4 million, Rs. 97 million, Rs. 85.5 million, Rs. 26.1 million, Rs. 85.4 million, and Rs. 37 million respectively. The SIHL, feeling aggrieved, appealed these assessments before the Commissioner Inland Revenue (Appeals) [CIR(A)]. The CIR(A) partly confirmed the assessments and partly provided relief to the SIHL. However, the assessment for the tax year 2015 was confirmed. The SIHL, still aggrieved, filed appeals against the appellate orders before the Appellate Tribunal Inland Revenue [ATIR] on various dates from September 2018 to November 2021, and these appeals are currently pending adjudication.

7.2.2 The tax authorities imposed taxes of Rs. 109.6 million, Rs. 178.4 million, Rs. 27.4 million, and Rs. 29.2 million under section 161/205 of the Ordinance for the tax years 2016, 2014, 2013, and 2012 respectively, based on alleged non-deduction of tax on payments. The SIHL, feeling aggrieved, appealed these assessments before the CIR(A). Regarding the tax year 2012, the CIR(A) deleted the assessment, while for

the tax years 2013 and 2016, the assessment was set aside, and for the tax year 2014, the assessment was confirmed. The SIHL, still aggrieved, filed appeals for the tax years 2013, 2014, and 2016 before the ATIR. The appeals for the tax years 2013 and 2016 were filed on November 26, 2019, and June 06, 2023 respectively, and they are currently pending adjudication. Additionally, the ATIR has set aside the assessment for the tax year 2014 for denovo consideration.

- 7.2.3** The tax authorities amended the assessments for the tax years 2012, 2013, and from 2015 to 2017 under section 122(5) of the Ordinance. They raised an aggregate tax demand of Rs. 1,350.9 million. Feeling aggrieved, the SIHL appealed these assessments before the CIR(A). The CIR(A) annulled all the assessment orders, resulting in the deletion of the tax demand. Dissatisfied with the CIR(A)'s decision, the tax department filed an appeal before the ATIR on November 15, 2018, and these appeals are currently pending adjudication.
- 7.2.4** The tax authorities amended the assessments for the tax years 2014 and 2015 under section 221 of the Ordinance, resulting in an aggregate tax demand of Rs. 11.8 million. The SIHL, feeling aggrieved, filed appeals before the CIR (A). The CIR (A) remanded the assessments back to the ACIR. Both the SIHL and the tax department filed cross-appeals before the ATIR in January 2018, and these appeals are currently pending adjudication.
- 7.2.5** The tax authorities amended the assessment for the tax year 2014 under section 177 of the Ordinance, resulting in a tax demand of Rs. 1,143.8 million. Feeling aggrieved, the SIHL appealed the assessment before the CIR (A). The CIR (A) annulled the assessment order, resulting in the deletion of the tax demand. The tax department filed an appeal before the ATIR on November 27, 2019, against the decision of the CIR (A), which is currently pending adjudication.
- 7.2.6** The tax authorities imposed sales tax demands of Rs. 44.4 million, Rs. 56.2 million, Rs. 57.4 million, Rs. 55.9 million, and Rs. 11.3 million under section 11 of the Sales Tax Act, 1990. These demands were based on alleged non-payment of sales tax on sales of scrap, fixed assets, and cafeteria for the tax years 2016 to 2020 respectively. Regarding the SIHL's appeals for the tax years 2016, 2018, and 2020, the ATIR deleted the sales tax charged on cafeteria and fixed assets, while confirming the sales tax on scrap. Furthermore, for the tax years 2017 and 2019, the CIR(A) deleted the sales tax on cafeteria sales, while confirming the sales tax on sales of scrap and fixed assets. The SIHL has filed appeals before the ATIR against the confirmation of sales tax on scrap and fixed assets, and these appeals are currently pending adjudication.

Management is confident that the above disallowances and levies do not hold merit and the related amounts have been lawfully claimed in the income and sales tax returns as per the applicable tax laws and these matters will ultimately be decided in favor of the SIHL. Accordingly, no provision has been made in respect of above in these condensed interim consolidated financial statements.
