**SUBJECT: Export Readiness - Food Safety Standard Certification (FSSC)**

Dear Sir,

Haleon Pakistan Limited ("**the Company**") is pleased to inform you that our cutting-edge manufacturing facility in Jamshoro has obtained Food Safety Standard Certification (FSSC). This certification paves the path for the geographical expansion of the Company's local star product CaC-1000 Plus to East African countries such as Madagascar, Kenya, and Mauritius, consequently unlocking new export opportunities.

As the largest consumer healthcare company in Pakistan, this certification is a demonstration of Haleon's dedication to support the national economy.

Sincerely,

---

Mr. Farhan Muhammad Haroon  
Chief Executive Officer
