INDEPENDENT AUDITOR'S REVIEW REPORT**To the members of First Capital Equities Limited****Report on review of Interim Financial Statements****Introduction**

We have reviewed the accompanying condensed interim statement of financial position of First Capital Equities Limited as at December 31, 2023 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-months period then ended (here-in-after referred to as the "interim financial statements").

Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and 2022 have not been reviewed, as we are required to review only the cumulative figures for the six months ended December 31, 2023.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

Without qualifying our opinion, we draw attention to note 1.2 in the annexed condensed interim financial statements which indicates that the Company has earned unrealized profit amounting Rs. 13.6 Million after tax during the period and the accumulated losses of the company stand at Rs. 1,065 Million as at December 31, 2023 (June 30, 2023: 1,078.6 Million). As at the reporting date current liabilities of the Company exceed its current assets by Rs. 498.9 Million (June 30, 2023: 508 Million). However, the Company in order to carry on its business and to meet its obligations requires generating sufficient operating profits and cash flows. These conditions along with other matters as set forth in note 11 indicate existence of the material uncertainty that may cast significant doubt about the company's ability to continue as going concern.

The engagement partner on the review resulting in this independent auditor's review report is Muhammad Maqsood.

11 CONTINGENCIES AND COMMITMENTS

There has been no material change in the status of contingencies disclosed in note 27 to the Company's financial statements for the year ended June 30, 2023 except 7E Section of income tax ordinance 2001. Section 7E was introduced in the Income Tax Ordinance 2001 whereby, for tax year 2022 and onwards, every resident person has been treated to have derived as income, an amount equal to five per cent of the fair market value of the capital asset situated in Pakistan and this amount is subject to a tax rate of 20%, subject to some exclusions provided therein.

However writ petitions has been filed in High Courts all over Pakistan in Lahore High Court, Sindh High Court, Islamabad High Court, Peshawar High Court and Baluchistan High Court challenging that the said tax charged u/s 7E is unconstitutional, inter alia, as the Federal Insertion of section 7E through Finance Act, 2022 to the Income Tax Ordinance, 2001 ("Ordinance). The vires of the Impugned legislation has been challenged mainly on three grounds; firstly, legislative incompetence of Parliament; secondly, the said levy is discriminatory and thirdly; being confiscatory.

Baluchistan High Court has given the verdict in favour of the tax payer, likewise the Peshawar High Court while given the verdict in favour of the tax payer held as follows:

i. In view of the clear bar as provided under Entry No. 50 of the Fourth Schedule to the Constitution, the Parliament has no jurisdiction to impose Income tax on immovable property;

ii. The Parliament has the jurisdiction to tax Capital Value of Assets in terms of Entry No.50 of the Fourth Schedule to the Constitution;

iii. Capital Value of Assets means an inseparable complete whole of the property (both moveable and Immoveable);

iv. The Impugned legislation (section 7E introduced through Finance Act, 2022 to the Ordinance), which imposes on Immoveable property through a deeming clause does not qualify the test of Capital Value of Assets, therefore, is beyond the legislative competence of the Parliament; hence, the same is hereby struck down.

Lately the DB of Lahore High Court in the ICA of FBR, given the verdict in favour of the FBR.

The matter of charge of Tax under section 7E of the Income Tax Ordinance 2001 is also pending with Honourable Supreme Court of Pakistan also, which is pending for adjudication.

As the taxation of 7E of the Income Ordinance is pending for adjudication before superior courts, therefore no tax provision has been provided in these Financials on this account.
